CHAPTER 9. PROFESSIONAL LICENSURE AND STANDARDS

SUBCHAPTER 1. SCOPE

6A:9-1.1 Scope

This chapter sets forth the rules governing the preparation, licensure, and professional development of educators required by their positions to be certified. It also contains rules governing the approval of educator preparation programs and the content of such programs. Finally, it contains the rules delineating the organization of, powers of, duties of, and proceedings before the State Board of Examiners.

6A:9-1.2 Purpose

(a) The purpose of this chapter is to establish a licensure system based on professional standards for pre-service preparation, certification, and professional development that continuously serves to improve the quality of instruction for New Jersey’s children to equip them to work and succeed in an ever-changing and increasingly complex global economy.

(b) A standards-based, rigorous system of licensure, designed to support improved student achievement of the Core Curriculum Content Standards (CCCS) will serve to improve the quality of the New Jersey educator workforce and to improve student performance.
6A:9-2.1 Definitions

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise:

“Accreditation” means an institution that has a professional education unit and has completed successfully a review process by a national professional organization recognized by the Council on Higher Education Accreditation and approved by the Commissioner. The institution must meet State, professional and institutional standards as determined by a review of its individual programs and overall capacity to prepare education professionals. This review is substantiated through a site visit to the institution by a team of education professionals trained to assess educator preparation programs.

“Agency” means a Department-approved international agency that recruits foreign teachers for New Jersey school districts in subject areas that the State Board has defined as having a critical shortage.

“ALJ” means an administrative law judge assigned by the Director of the Office of Administrative Law to preside over contested cases pursuant to N.J.S.A. 52:14F-1 et seq.

“Alternate route” means a non-traditional teacher preparation program.
“Approved agency” shall mean an entity which is approved by the State and provides services to nonpublic school students in accordance with N.J.S.A. 18A:46A-1 et seq.

“Approved program” means a Department-approved planned program of professional preparation for educators at an institution of higher education.

“Authorization” means any requirement, other than a teaching certificate, established by the State or Federal government or by a profession that allows an individual to engage in the practice of that profession.

“Board of Examiners” means the New Jersey State Board of Examiners.

“CCCS” means the Core Curriculum Content Standards pursuant to N.J.A.C. 6A:8.

“Career and technical education” means organized educational activities that offer a sequence of courses (which may include structured learning experiences) providing students with the rigorous academic and technical knowledge and skills required to prepare for postsecondary education or training and for careers in emerging and established professions; that may lead to technical skill proficiency, a credential, a certificate, or a degree; and that include competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes, general employability skills, technical skills, and occupation-specific skills, and knowledge of all aspects of an industry, including entrepreneurship.
“Career and technical education professional education program” means a training program that includes the essential knowledge and skills regarding the delivery of career and technical education programs that is provided to all novice career and technical education teachers as part of their State-approved district training programs during the first year of teaching in New Jersey.

“Career cluster” means one of the vocational-technical program areas recognized nationally and by the New Jersey Department of Education.

“Certificate” means one of three types of credentials, instructional, educational services and administrative, that the Board of Examiners issues which permits an individual to serve as a teaching staff member. The Board of Examiners will issue a separate endorsement for each subject area that falls under a specific type of certificate. The endorsement shall be considered part of that certificate.

“Certificate of advanced study in educational administration and supervision” means a postmasters college or university program, minimum of 24 graduate semester-hour credits, that prepares school leaders with the knowledge, skills and dispositions to be an effective school leader. The program results in out-of-State certification as a principal or superintendent and in a Certificate of Advanced Study in School Leadership from the college or university.
“Certificate of Eligibility” (CE) means a credential with lifetime validity issued to persons who have completed degree, academic study and applicable test requirements for certification. The CE permits the applicant to seek and accept employment in positions requiring certification.

“Certificate of Eligibility with Advanced Standing” (CEAS) means a credential with lifetime validity issued to persons who have completed degree, academic study, applicable test requirements and traditional professional preparation programs for certification. The CEAS permits the applicant to seek and accept employment in positions requiring certification.

“Charter school alternate route” means a three-tiered certification program, including qualification for a certificate of eligibility, issuance of a provisional certificate upon employment, and final recommendation by the principal upon one year of successful completion of teaching at the charter school. Charter school certificates may only be used for employment in charter schools and do not satisfy the requirements for employment in traditional public schools.

“Charter school certificate of eligibility” or “CSCE” means a credential with lifetime validity issued to a person who has a bachelor’s degree and has satisfied applicable test requirements for certification. The CSCE permits the applicant to seek and accept employment at charter schools in positions requiring certification. The CSCE may only be used for employment in charter schools and does not satisfy the requirements for employment in traditional public schools.

“Charter school provisional certificate” means a two-year certificate issued to novice teacher candidates who have been hired by a charter school but who have not yet met the requirements
for standard certification. Charter school provisional certificates are issued to novice instructional staff who are employed at a charter school, may only be used for employment in charter schools, may be renewed once at the discretion of the employing school, and do not satisfy the requirements for obtaining employment in traditional public schools.

“Chart school standard certificate” means a permanent certificate issued to a person who has met all charter school certification requirements. This certificate may only be used for employment in charter schools and does not satisfy the requirements for employment in traditional public schools.

“Coherent sequence of courses” means a sequence of at least 30 semester-hour credits of college level coursework in a subject field that includes study at the introductory, intermediate and advanced levels.

“Commissioner” means the Commissioner of Education or the Commissioner’s designee.

"Technology education" means instruction by a teacher holding the Technology Education endorsement and covering New Jersey Core Curriculum Content Standard (NJCCCS) 8.2 and the International Technology Education Association (ITEA) standards. The ITEA standards are published in "Standards for Technological Literacy," © ITEA, incorporated herein by reference, as amended and supplemented and are available at

http://www.iteaconnect.org/TAA/PDFs/xstnd.pdf. The ITEA standards recognize the increasing reliance of modern society on a range of technologies, stress the incorporation of technological study into all aspects of the curriculum, and promote experiential learning about technology development, use, maintenance, and impact on the individual, environment, economy, and society as a whole. Examples of the topics that can be taught under NJCCCS 8.2 and the ITEA standards include, but are not limited to, the nature of technology; technology and society,
engineering and technological design; abilities for a technological world; energy and power; information and communication; and transportation, manufacturing and construction technologies. A technology education endorsement does not provide an endorsement to teach educational technology and/or computer and information skills.

"Traditional route" means an approved collegiate teacher preparation program.

**SUBCHAPTER 3. PROFESSIONAL STANDARDS FOR TEACHERS AND SCHOOL LEADERS**

6A:9-3.1 Purpose

(a) The Professional Standards for Teachers identify the knowledge, skills and dispositions that teachers need to practice responsibly.

(b) The Professional Standards for School Leaders identify the knowledge, skills and dispositions that school leaders need to practice responsibly.

(c) The Professional Standards for Teachers and the Professional Standards for School Leaders set forth in N.J.A.C. 6A:9-3.3 and 3.4 shall be used in the accreditation of preparation programs, recommendation of candidates for certification and the approval of professional development.

(d) The level of mastery of the professional standards for teachers and school leaders shall be on a continuum from pre-service and novice through veteran educator.

6A:9-3.2 Scope
(a) The Professional Standards for Teachers shall apply to all educators who hold an instructional certificate.

(b) The Professional Standards for School Leaders shall apply to all administrators who hold a supervisor, principal or school administrator endorsement.

6A:9-3.3 Professional standards for teachers

(a) Teacher preparation, district induction, and professional development programs shall align their learning opportunities with the following standards:

1. Standard One: Subject Matter Knowledge. Teachers shall understand the central concepts, tools of inquiry, structures of the discipline, especially as they relate to the New Jersey Core Curriculum Content Standards (CCCS), and design developmentally appropriate learning experiences making the subject matter accessible and meaningful to all students.

   i. Teachers know and understand:

      (1) In-depth the subject matter they plan to teach and the relationship of that discipline to other content areas;

      (2) The evolving nature of the discipline or subject matter knowledge and the need for keeping abreast of new ideas and understanding of the discipline;

      (3) That literacy skills and processes are applicable in all content areas and help students to develop the knowledge, skills and dispositions
that enable them to construct meaning and make sense of the world through reading, writing, listening, speaking and viewing; and

(4) Concepts inherent in numeracy to enable students to represent physical events, work with data, reason, communicate mathematically, and make connections within their respective content areas in order to solve problems.

ii. Teachers value and are committed to:

(1) Appreciating multiple perspectives and conveying to learners how knowledge is developed from the vantage point of the knower; and

(2) Enthusiasm for the discipline(s) they teach and in making connections to every day life.

iii. Teachers engage in activities to:

(1) Promote the development of critical and creative thinking, problem solving and decision making skills by engaging students in formulating and testing hypotheses according to the methods of inquiry and standards of evidence within the discipline;

(2) Make effective use of multiple representations and explanations of disciplinary concepts that capture key ideas and link them to students' prior understanding; and

(3) Evaluate teaching resources and curriculum materials for their completeness, accuracy and usefulness for representing particular ideas and concepts.
2. Standard Two: Human Growth and Development. Teachers shall understand how children and adolescents develop and learn in a variety of school, family and community contexts and provide opportunities that support their intellectual, social, emotional and physical development.

i. Teachers know and understand:

(1) How students construct knowledge, acquire skills and develop habits of mind and how to use instructional strategies that promote student learning;

(2) How student learning is influenced by individual experiences, talents and prior learning, as well as language, culture, family, and community values; and

(3) How to identify and teach to the developmental abilities of students, which may include learning differences, visual and perceptual differences, cultural and socio-emotional differences, special physical or emotional challenges and gifted and talented exceptionalities.

ii. Teachers value and are committed to:

(1) The educability of all children and adolescents;

(2) The belief that all children and adolescents bring talents and strengths to learning;

(3) Appreciation for multiple ways of knowing;

(4) The diverse talents of all students and to helping them develop self-confidence and subject matter competence; and
The belief that all children and adolescents can learn at high levels and achieve success.

Teachers apply learning theory to accommodate differences in student intelligence, perception, cognitive style and achievement levels.

Standard Three: Diverse Learners: Teachers shall understand the practice of culturally responsive teaching.

Teachers know and understand:

1. How a person's world view is profoundly shaped by his or her life experiences, as mediated by factors such as social class, gender, race, ethnicity, language, sexual orientation, age and special needs;
2. The supports for and barriers to culturally responsive teaching in school environments;
3. The process of second language acquisition and strategies to support the learning of students whose first language is not English; and
4. The negative impact of bias, prejudice and discrimination on students and society.

Teachers value and are committed to:

1. Respect for individual and cultural differences, and appreciation of the basic worth of each individual and cultural group; and
2. The diversity of learning that takes place in the classroom, respect for the talents and perspectives of each student and sensitivity to community and cultural norms.
iii. Teachers engage in activities to:

(1) Create a learning community in which individual differences are respected;

(2) Learn about the diverse students they teach, and the students’ families and communities;

(3) Use strategies to support the learning of students whose first language is not English; and

(4) Use knowledge of students and their lives to design and carry out instruction that builds on students' strengths while meeting their needs and taking into account issues of social class, gender, race, ethnicity, language, sexual orientation, age and special needs.

4. Standard Four: Instructional Planning and Strategies. Teachers shall understand instructional planning, design long and short term plans based upon knowledge of subject matter, students, community, and curriculum goals, and shall employ a variety of developmentally appropriate strategies in order to promote critical thinking, problem solving and the performance skills of all learners.

i. Teachers know and understand:

(1) How to plan instruction based on students’ needs, developmental progress and prior knowledge;

(2) Available and appropriate resources and materials for instructional planning;

(3) Techniques for modifying instructional methods, materials and the environment to help all students learn; and
(4) A variety of instructional approaches and the use of various technologies, to promote thinking and understanding.

ii. Teachers value and are committed to the development of students' critical thinking, independent problem solving and performance capabilities.

iii. Teachers engage in activities to:

(1) Identify and design instruction appropriate to students' stage of development, learning styles, strengths and needs;

(2) Plan instruction based on knowledge of classroom, school and community culture;

(3) Evaluate teaching resources and curriculum materials for their comprehensiveness, accuracy and usefulness for representing particular ideas and concepts;

(4) Identify strategies to create learning experiences that make subject matter meaningful for students, address a variety of learning styles, encourage students to pursue their own interests and inquiries and help students connect their learning to personal goals;

(5) Plan and develop effective lessons by organizing instructional activities and materials, incorporating a wide range of community and technology resources, to promote achievement of lesson objectives;

(6) Use formal and informal methods of assessment, information about students, pedagogical knowledge, and research as sources for active reflection, evaluation and revision of practice; and
(7) Create interdisciplinary learning experiences that allow students to integrate knowledge, skills and methods of inquiry from several subject areas.

5. Standard Five: Assessment. Teachers shall understand and use multiple assessment strategies and interpret results to evaluate and promote student learning and to modify instruction in order to foster the continuous development of students.

i. Teachers know and understand:

(1) The characteristics, uses, advantages, and limitations of different types of assessments (for example, criterion-referenced and norm-referenced instruments, traditional standardized and performance-based tests, observation systems and assessments of student work) for evaluating how students learn, what they know and are able to do, and what kinds of experiences will support their further growth and development; and

(2) Measurement theory and assessment-related issues, such as validity, reliability, bias and scoring concerns.

ii. Teachers value and are committed to the belief that students' strengths are the basis for growth and their errors are opportunities for learning.

iii. Teachers engage in activities to:

(1) Analyze student performance using multiple sources of data, and to modify future plans and instructional techniques that promote desired student learning outcomes;
(2) Provide students with constructive feedback on their learning and encourage their use of data and self-assessment strategies to monitor their progress toward personal goals;

(3) Accurately document and report assessment data and ongoing student data to parents and professional staff; and

(4) Enhance their knowledge of learners and evaluate students' progress and performance using a variety of formal and informal assessment techniques to modify teaching and learning strategies.

6. Standard Six: Learning Environment. Teachers shall understand individual and group motivation and behavior and shall create a supportive, safe and respectful learning environment that encourages positive social interaction, active engagement in learning and self-motivation.

i. Teachers know and understand:

(1) The principles and strategies of effective classroom management that promote positive relationships, cooperation and purposeful learning activities in the classroom;

(2) How the classroom environment influences learning and promotes positive behavior for all students; and

(3) How classroom participation supports student commitment.

ii. Teachers value and are committed to:

(1) The role of students in promoting each other's learning and recognize the importance of peer relationships in creating a climate of learning;
(2) Taking responsibility for establishing a positive climate in the classroom and participation in maintaining such a climate in the school as a whole; and

(3) The expression and use of democratic values in the classroom.

iii. Teachers engage in activities to:

(1) Maintain a learning community in which students assume responsibility for themselves and one another, participate in decision making and work collaboratively and independently;

(2) Create a safe and secure classroom climate for all students, by practicing effective listening and group facilitation skills;

(3) Create a positive classroom climate which is socially, emotionally and physically safe;

(4) Establish and maintain appropriate standards of behavior;

(5) Use instructional time effectively; and

(6) Prepare students for and monitor independent and group work that allows for full and varied participation of all individuals.

7. Standard Seven: Special Needs. Teachers shall adapt and modify instruction to accommodate the special learning needs of all students.

i. Teachers know and understand:

(1) How to access information regarding applicable laws, rules, regulations and procedural safeguards regarding planning and implementing the individual education program;
(2) Available resources related to educational strategies for instruction and methods of teaching to accommodate individual differences and to employ positive behavioral intervention techniques for students with special needs including students with autism and other developmental disabilities; and

(3) The characteristics of students with special needs.

ii. Teachers value and are committed to the belief that children and adolescents with special needs can learn at high levels and achieve success.

iii. Teachers engage in activities to:

(1) Apply knowledge of students' abilities/disabilities, experiences, talents and prior learning as well as language, culture, economics, family and community values to positively impact student learning;

(2) Employ appropriate diagnostic measures and interpret the results to implement strategies that influence learning;

(3) Participate in the design and implementation of the Individualized Education Program (IEP), where appropriate, through curriculum planning and curricular and instructional modifications, adaptations, and specialized strategies and techniques, including the use of assistive technology;

(4) Meet the needs of all learners by using a wide range of teaching techniques to accommodate and modify strategies, services and
resources, including technology and inclusive educational practices and collaborative partnerships; and

(5) Make appropriate provisions, in terms of time and circumstances for work, task assigned, communication and response modes, for individual students who have particular learning differences or needs.

8. Standard Eight: Communication. Teachers shall use knowledge of effective verbal, nonverbal and written communication techniques and the tools of information literacy to foster the use of inquiry, collaboration and supportive interactions.

i. Teachers know and understand the power of communication in the teaching and learning process.

ii. Teachers value and are committed to:

(1) Appreciating the cultural dimension of communication, responding appropriately and seeking to foster culturally sensitive communication by and among all students in the class; and

(2) Being a thoughtful and responsive listener.

iii. Teachers engage in activities to:

(1) Communicate clearly in English, using precise language and appropriate oral and written expressions;

(2) Assist students individually or as a member of a group to access, evaluate, synthesize and use information effectively to accomplish a specific purpose;
(3) Use effective verbal and nonverbal techniques which foster individual and collective inquiry;

(4) Model effective communication strategies and questioning techniques in conveying ideas and stimulating critical thinking; and

(5) Communicate in a variety of ways that demonstrate a sensitivity to cultural, linguistic, gender and social differences.

9. Standard Nine: Collaboration and Partnerships. Teachers shall build relationships with parents, guardians, families and agencies in the larger community to support students' learning and well-being.

i. Teachers know and understand:

(1) The importance of meaningful parent/family involvement in education in addressing the unique student needs and the perspectives to be gained from effective school/home interactions that contribute to high quality teaching and learning;

(2) The role of the school within the community and how to utilize diverse partnerships to contribute to student learning and development; and

(3) How to collaborate with all stakeholders regarding decision-making and the well-being of students while respecting student/family privacy and confidentiality.

ii. Teachers value and are committed to:
(1) Recognizing the role of parents, guardians and other family members as a child's primary teacher;

(2) Being concerned about all aspects of the student's well-being and working with parents/families to provide diverse opportunities for student success; and

(3) Being willing to work with parents/families and other professionals to improve the overall learning environment for students.

iii. Teachers engage in activities to:

(1) Identify and utilize family and community resources to foster student learning and provide opportunities for parents to share skills and talents that enrich learning experiences;

(2) Establish respectful and productive relationships and to develop cooperative partnerships with diverse families, educators and others in the community in support of student learning and well-being; and

(3) Institute parent/family involvement practices that support meaningful communication, parenting skills, enriched student learning, volunteer and decision-making opportunities at school and collaboration to strengthen the teaching and learning environment of the school.

10. Standard Ten: Professional Development. Teachers shall participate as active, responsible members of the professional community, engaging in a wide range of
reflective practices, pursuing opportunities to grow professionally and
establishing collegial relationships to enhance the teaching and learning process.

i. Teachers know and understand how education research and other methods
of inquiry can be used as a means for continuous learning, self assessment
and development.

ii. Teachers value and are committed to:

(1) Refining practices that address the needs of all students and the
school community;

(2) Professional reflection, assessment and learning as an ongoing
process; and

(3) Collaboration with colleagues to give and receive help.

iii. Teachers engage in activities to:

(1) Use reflective practice and the Professional Development
Standards to set goals for their professional development plans;

(2) Learn through professional education organizations; and

(3) Make the entire school a productive learning climate through
participation in collegial activities.

11. Standard Eleven: Professional Responsibility. Teachers shall act in accordance
with legal and ethical responsibilities and shall use integrity and fairness to
promote the success of all students.

i. Teachers know and understand:
(1) Their professional responsibilities as reflected in constitutional provisions, statutes, regulations, policies, and collective negotiations agreements; and

(2) Strategies to foster professional and productive relationships with students and colleagues.

ii. Teachers value and are committed to:

(1) Recognizing that an educator’s actions reflect on the status and substance of the profession;

(2) Upholding the highest standards of professional competence both as a practitioner in the classroom as well as an employee vested with the public trust;

(3) Recognizing, respecting and upholding the dignity and worth of students as individual human beings, and therefore dealing with them justly and considerately; and

(4) Recognizing their obligation to the profession of teaching and not engaging in any conduct contrary to sound professional practice and/or applicable statutes, regulations and policy.

iii. Teachers engage in activities to:

(1) Promote aspects of students’ well-being by exercising the highest level of professional judgment, and working cooperatively and productively with colleagues and parents to provide a safe, healthy, and emotionally protective learning environment;
(2) Maintain the confidentiality of information concerning students obtained in the proper course of the educational process and dispense such information only when prescribed or directed by Federal and/or state statutes or accepted professional practice;

(3) Maintain professional relationships with students and colleagues;

(4) Provide access to various points of view without deliberate distortion of subject matter; and

(5) Foster and maintain a school environment which protects students from sexually, physically, verbally, or emotionally harassing behavior by recognizing, understanding, and conducting themselves in a sound and professionally responsible manner.

6A:9-3.4 Professional standards for school leaders

(a) School leader preparation, district induction and professional development programs shall align their learning opportunities with the following standards:

1. Standard One: School administrators shall be educational leaders who promote the success of all students by facilitating the development, articulation, implementation and stewardship of a vision of learning that is shared and supported by the school community.

i. Administrators have knowledge and understanding of:

   (1) Learning goals in a pluralistic society;

   (2) The principles of developing and implementing strategic plans;
(3) Systems theory;

(4) Information sources, data collection and data analysis strategies;

(5) Effective communication; and

(6) Effective consensus-building and negotiation skills.

ii. Administrators believe in, value and are committed to:

(1) The educability of all;

(2) A school vision of high standards of learning;

(3) Continuous school improvement;

(4) The inclusion of all members of the school community;

(5) Ensuring that students have the knowledge, skills and values needed to become successful adults;

(6) A willingness to continuously examine one’s own assumptions, beliefs and practices; and

(5) Public policy is shaped to provide quality education for students; and

(6) Lines of communication are developed with decision makers outside the school community.
6A:9-4.1 General

(a) There shall be a Board of Examiners, consisting of the Commissioner, ex officio, and one assistant commissioner of education, two presidents of State colleges, one executive county superintendent, one superintendent of schools of a Type I district, one superintendent of a Type II district, one high school principal, one elementary school principal, one librarian employed by the State or by one of its political subdivisions, one school business administrator and four teaching staff members other than a superintendent, principal, school business administrator or librarian, all of whom shall be appointed by the Commissioner with the approval of the State Board.

(b) The Assistant Commissioner shall be the chair of the Board of Examiners. The Director of the Office shall be the Secretary of the Board of Examiners.

(c) The chair of the Board of Examiners shall have the authority to appoint committees made up of less than a majority of the full Board of Examiners to assist in the conduct of the Board’s duties.

(d) The Board of Examiners shall hold its annual organization meeting prior to October 1 of each year.

(e) The appointed members of the Board of Examiners shall hold office for two years, from September 15 of the year in which they are appointed. Vacancies on the Board of Examiners shall be filled for the unexpired term only.
6A:9-4.2 Powers and duties

(a) The Board of Examiners shall issue appropriate certificates to teach or to administer, direct, or supervise, the teaching, instruction or educational guidance of pupils in public schools operated by district boards of education, and such other certificates as it shall be authorized to issue by law, based upon certified scholastic records, documented experience or upon examinations, and may revoke or suspend such certificates. The authority to issue certificates also includes the authority to refuse to issue a certificate under appropriate circumstances as set forth in N.J.A.C. 6A:9-17.2. All actions taken by the Board of Examiners shall be taken pursuant to rules adopted by the State Board.

(b) The Board of Examiners may suspend or revoke certificates pursuant to N.J.A.C. 6A:9-17.5.

(c) In exercising its statutory and regulatory authority, the Board of Examiners and staff assigned to it may:

1. Examine credentials and issue certificates that qualify individuals to seek employment as teaching staff members in the public schools of the State of New Jersey;

2. Recommend and develop procedures that govern the certification of teaching staff members;

3. Coordinate, monitor and evaluate those aspects of college academic programs and those training programs of district boards of education that lead to educational certificates and recommend their periodic approval by the Commissioner;
4. Coordinate, monitor and evaluate the administration of tests and other assessments that are required for educational certification;

5. Maintain reciprocal agreements with other states and territories concerning the certification of educational practitioners;

6. Maintain and report data on the supply and quality of newly certified teaching staff members; and

7. Assist district boards of education in the employment of teaching staff members.

**SUBCHAPTER 5. GENERAL CERTIFICATION POLICIES**

**6A:9-5.1 Certificate required**

(a) Pursuant to N.J.S.A. 18A:26-2, any person employed as a teaching staff member by a district board of education shall hold a valid and appropriate certificate.

(b) In addition to the requirements set forth in this subchapter for certification, the certificate holder shall obtain any license, certificate, or authorization that may be mandated by State or Federal law or by a licensing board for the individual to serve in a position. The district board of education that is considering employing the individual shall assure that the candidate holds all necessary licenses, certificates, or authorizations.

(c) The employing school district shall remove from the position any teaching staff member who fails to maintain the mandated license, certificate, or authorization as set forth in (b) above. Pursuant to N.J.A.C. 6A:9-17.4(a), the school district also shall report to the Board of Examiners the names of these individuals.
(d) The Board of Examiners may consider revocation or suspension of the certificate of any individual who fails to maintain the license, certificate or authorization as required in (b) above.

6A:9-5.2 Certificates - general

(a) The Board of Examiners shall issue three categories of educational certificates: Instructional, Administrative and Educational Services.

(b) The chief school administrator of the employing district board of education shall require each newly employed or reassigned teaching staff member to exhibit an appropriate certificate before the teaching staff member assumes any responsibility for the performance of regulated duties. It shall be the chief school administrator’s responsibility to ensure that the certificate is valid.

(c) The chief school administrator of each school district shall annually report the names and teaching assignments of all teaching staff members to the Department in a format prescribed by the Commissioner.

(d) Any contract or engagement of any teaching staff member shall cease and terminate whenever the employing district board of education receives written notice from the executive county superintendent, or otherwise ascertains, that such person is not, or has ceased to be, the holder of an appropriate certificate required for such employment. A teaching staff member’s employment shall cease notwithstanding that the term of employment pursuant to contract or engagement has not expired.
(e) If a properly notified district board of education fails to terminate the employment of an uncertified or improperly certified teaching staff member, the Commissioner may issue an order to show cause why that teaching staff member’s per diem salary should not be withheld from the district board of education’s State financial aid for each day the teaching staff member remains employed. If such district board of education fails to respond or show adequate cause within 20 days from the date of mailing of the order to show cause, the Commissioner may reduce State financial aid to such district board of education by the amount of the uncertified or improperly certified teaching staff member’s per diem contract salary. The district board may show adequate cause either by exhibiting an appropriate certificate or by terminating the contract of the uncertified or improperly certified teaching staff member.

6A:9-5.3 Interstate contracts

In accordance with the NASDTEC Interstate Contract, the Commissioner and the Secretary may enter into contracts with other states to allow reciprocity of teachers’ credentials between New Jersey and other states.
6A:9-5.4 Fees

(a) The fee schedule in (b) below shall be in addition to any tuition and fees that institutions of higher education may charge for courses and credits offered in connection with State-approved training programs.

(b) The following nonrefundable fee schedule applies:

1. For each CE and CEAS, which includes the issuance of the provisional certificate and standard certificate – $170.00;
2. For each emergency certificate – $95.00;
3. For each substitute credential – $125.00;
4. For each renewal of an emergency or provisional certificate – $70.00;
5. For each duplicate copy of or name change on a certificate – $60.00;
6. For each evaluation of credentials to determine eligibility to take a particular State certification examination or to obtain information concerning qualifications for certification – $70.00;
7. For each standard certificate – $95.00;
8. For each certificate that requires a test, a one-time test score service fee - $20.00;
9. For each letter the Office sends in response to a candidate’s written request verifying test scores that are no longer available from the testing company - $25.00;
10. An application fee for a qualifying academic certificate pursuant to N.J.S.A. 18A:6-41 shall be $30.00. If the candidate is not eligible, $20.00 will be refunded;
11. Upon completion of a State-approved administrator residency program, a one-time administrative fee - $200.00;

12. Upon completion of a State-approved alternate route formal instruction program for holders of an instructional CE, a one-time administrative fee - $100.00; and

13. For each provisional educational services certificate - $75.00.

(c) The State Board may establish in this section from time to time a fee schedule for services related to the issuance of certificates that includes, but is not limited to, fees charged by district boards of education to provisional teachers to pay for their training. This fee schedule shall be in addition to any tuition and fees charged by institutions of higher education for courses and credits offered in connection with State-approved training programs.

6A:9-5.5 Assignment of titles

(a) Each district board of education shall assign to teaching staff members position titles that are recognized in these rules. To this end, the office shall maintain and make available to districts a list of approved job titles with corresponding certificates authorized for those job titles.

(b) If a district board of education determines that the use of an unrecognized position title is desirable, or if a previously established unrecognized title exists, the following procedures shall apply:
1. Prior to appointing a candidate, the district board of education shall submit to the executive county superintendent a written request for permission to use the proposed title. Such request shall include a detailed job description.

2. The executive county superintendent shall exercise his or her discretion regarding approval of the request and determine the appropriate certification and title for the position.

(c) The executive county superintendent shall review annually all previously approved unrecognized position titles and determine whether such titles shall be continued for the next school year.

(d) Decisions rendered by executive county superintendents regarding titles and certificates for unrecognized positions shall be binding upon future seniority determinations on a case-by-case basis.

6A:9-5.6 Citizenship requirement

(a) Except as set forth below, to be eligible for a certificate, the applicant must be a citizen of the United States.

1. Any citizen of another country who has declared his or her intention of becoming a United States citizen and who is otherwise qualified may, with the Commissioner’s approval, be granted a teaching certificate for employment as a teacher by a district board of education as set forth in N.J.S.A. 18A:26-1. The certificate shall expire in five years. If the holder of the noncitizen certificate has not become a United States citizen within the initial five-year certification period,
the certificate may be renewed for an additional five-year period upon
demonstration that an application for citizenship is in process but has not yet been
granted. When the certificate expires after the second five-year period, the
certificate may be renewed for a third and final time upon demonstration that an
application for citizenship continues to be in process and has been actively
pursued by the applicant but has not yet been granted. The Board of Examiners
may revoke any such certificate pursuant to N.J.S.A. 18A:26-8.1 if the Board is
satisfied that the holder thereof has abandoned his or her efforts to become a
United States citizen or has become disqualified for citizenship.

2. In accord with N.J.S.A. 18A:6-7, any citizen of another country who is employed
as an exchange teacher by a district board of education pursuant to N.J.A.C. 6A:9-
5.14 shall be exempt from the citizenship requirement. The teacher shall file a
noncitizen oath to support the Constitution of the United States while so
employed.

for a limited certificate for foreign teachers for employment by a public school
district pursuant to N.J.A.C. 6A:9-6.6 shall be exempt from the citizenship
requirement. The teacher shall file a noncitizen oath to support the Constitution
of the United States while so employed.

4. In accord with N.J.S.A. 18A:26-1, a teacher of world languages who has been a
resident of the United States for less than 10 years and who is not a citizen of the
United States may be granted a teaching certificate and employed as a teacher by
a district board of education. The teacher shall file a noncitizen oath to support
the Constitution of the United States while so employed, as required by N.J.S.A. 18A:6-7. The teacher shall not be required to complete the affidavit of intent to become a United States citizen. The noncitizen certificate shall be issued for a period of time equivalent to the 10 years less the number of years that the teacher has been a resident of the United States. This period shall not exceed 10 years and shall not be renewed.

5. In accord with N.J.S.A. 18A:28-3, no teaching staff member shall acquire tenure unless he or she is, or until he or she shall become, a citizen of the United States.

6A:9-5.7 Minimum degree and age requirements

Applicants for teaching certificates must be at least 18 years old, have graduated from an approved high school or have an equivalent education as determined by the Board of Examiners and have received a baccalaureate degree from a regionally accredited institution of higher education. The requirement of a baccalaureate degree shall not apply to applicants for career and technical education endorsements as set forth in N.J.A.C. 6A:9-11.2, for educational interpreter endorsements as set forth in N.J.A.C. 6A:9-13.18, or for military science endorsements as set forth in N.J.A.C. 6A:9-11.7.

6A:9-5.8 Examination in physiology, hygiene, and substance abuse issues requirement

Candidates for instructional certificates shall pass an examination in physiology, hygiene, and substance abuse issues. Each New Jersey college offering an approved teacher preparation
program shall design, administer, and evaluate this exam for students in its approved programs prior to submitting its applicants for certification. This exam may be course-related or may stand alone. The Department shall administer and evaluate a physiology and hygiene exam for alternate route and out-of-State applicants, and may also arrange with New Jersey colleges to test alternate route and out-of-State applicants.

6A:9-5.9 Certification of veterans

(a) Veterans who received an evaluation for certification before entering the military may continue under that evaluation, subject to the following provisions:

1. A request for reinstatement of the preservice status is made within a period of time equivalent to the length of the military service; and

2. A copy of an honorable discharge from the service is submitted.

(b) At the expiration of the time period equivalent to the length of military service, the veteran shall be subject to the rules in N.J.A.C. 6A:9-9 and 11 through 13.

6A:9-5.10 Validation of college degrees and college professional preparation

(a) A candidate for certification shall hold a bachelor’s degree from a regionally accredited institution or foreign institution of higher education recognized by international accreditation agencies.

(b) Professional education preparation programs required for New Jersey certificates shall be accepted from:
1. A New Jersey college approved by the State Board for the preparation of teachers;
2. Out-of-State colleges approved by the state board, department of education, or department of higher education in the state in which the college is established and approved by the Department on the basis of reciprocal agreements; and
3. Regionally accredited two-year colleges provided that the courses are accepted toward meeting the requirements for certification by a college approved by the Department and such courses appear on the official transcript of a regionally accredited four-year college.
   i. No more than six semester-hour credits in professional education are completed on the two-year college level, except as provided for in N.J.A.C. 6A:9-13.18.

(c) Academic preparation for all instructional endorsements must appear on the transcript of a regionally accredited college or university. However, required academic preparation for 12 credits at the junior, senior or graduate level for all instructional endorsements must appear on the transcript of a regionally accredited four-year college or university. Except as provided for in N.J.A.C. 6A:9-13.18, academic preparation for all administrative and educational services endorsements must appear on the transcript of a regionally accredited four-year college or university.

N.J.A.C. 6A:9-5.11 Recognition of advanced standing in a college
(a) Advanced work completed in a secondary school, which is assigned college credit by the institution of higher education that the candidate attends, shall be counted toward meeting the requirements for certification.

(b) When a regionally accredited college or university grants advanced standing but does not award college credit for courses that were waived, the Department may accept the study that the college waived as college credit for purposes of certification.

N.J.A.C. 6A:9-5.12 Course information

(a) Courses completed by correspondence or distance learning may be accepted for certification purposes only if they are completed through a regionally accredited college or university and appear on the official transcript of the college or university.

(b) Teaching a course in a regionally accredited college or university shall be deemed the equivalent of having presented the course on a college transcript. Evidence of such teaching must be submitted in the form of an original letter from the college president, dean or authorized designee.

N.J.A.C. 6A:9-5.13 Equivalency of work taken in other countries

(a) An applicant for certification who has completed college-level study in a country other than the United States shall present an equivalency report of that study from a Department-approved credentials evaluation agency. The equivalency report shall include the following:
1. Studies equivalent to a bachelor’s degree from a regionally accredited four-year college or university in the United States;
2. Course-by-course listing and the semester-hour equivalent of each area of college-level study; and
3. The GPA at the conclusion of the degree program.

6A:9-5.14 Exchange teachers

(a) A district board of education may employ a teacher from another state or country in exchange for one of its own teaching staff members for a period of up to one school year. The district board of education shall adopt a resolution stating that the exchange teacher is employed as a substitute teacher for that teaching staff member during that school year.

(b) If the exchange teacher is a foreign national, the teacher shall be required to file a non-citizen oath of allegiance with the district board of education as required by N.J.S.A. 18A:6-7 to the effect that he or she will support the Constitution of the United States during the period of his or her employment within the State.

(c) The district board of education shall request that the executive county superintendent issue a substitute credential to the exchange teacher. The 20-day limitation pursuant to N.J.A.C. 6A:9-6.5(c) shall not apply to the exchange teacher and the exchange teacher is authorized to serve as an exchange teacher for the period of his or her temporary service in the State.
6A:9-5.15 Issuance of a certificate

(a) The Board of Examiners shall issue the appropriate certificate upon the candidate’s completion of all certification requirements. The candidate shall be subject to all requirements in effect at the time the application is received in the Office. Requirements include, but are not limited to, coursework, degree, tests, fees, GPA and all certificate rules pursuant to N.J.A.C. 6A:9-8, 11, 12, and 13. Applications shall be deemed filed with the Office when the application and all required supporting documentation has been received. The teacher shall maintain possession of the original certificate.

(b) If the candidate is not eligible for the certificate sought, the Office shall issue a written evaluation that identifies the deficiencies for certification.

(c) The Board of Examiners may refuse to issue a certificate to a candidate enrolled in a New Jersey or out-of-State approved program when the candidate fails to secure the recommendation of the preparing institution.

6A:9-5.16 Replacement of lost certificates

To replace a lost certificate, the holder shall complete the appropriate application, provide a notarized statement of loss and submit the required fee.

6A:9-5.17 Persons employed to coach or serving as coach for interscholastic swimming and/or diving programs
(a) Persons employed to coach or serving as coach for interscholastic swimming and/or diving programs shall:

1. Hold a New Jersey certification pursuant to the rules for hiring athletics personnel set forth in N.J.A.C. 6A:9-5.18(b); and

(b) The chief school administrator of the employing district board of education shall:

1. Annually notify the executive county superintendent of all persons employed to coach or serving as coach for interscholastic swimming and/or diving programs; and
2. Annually forward to the executive county superintendent copies of each valid American Red Cross or YMCA certificate required in (a)2 above for every person employed to coach or serving as coach for interscholastic swimming and/or diving programs.

6A:9-5.18 Athletics personnel

(a) Any teaching staff member in the employ of a district board of education shall be permitted to organize public school pupils for purposes of coaching or for conducting games, events or contests in physical education or athletics.

(b) School districts shall be permitted to employ any holder of either a New Jersey teaching certificate or a substitute credential pursuant to N.J.A.C. 6A:9-6.5 to work in the
interscholastic athletic program provided that the position has been advertised. The 20-day limitation noted in N.J.A.C. 6A:9-6.5(b) shall not apply to such coaching situations.

6A:9-5.19 Instruction in educational technology, computers, and other digital tools

(a) Every teacher shall demonstrate knowledge and understanding of computers and other educational technology resources and tools as defined by the Professional Standards for Teachers.

(b) Every teacher shall integrate into the classroom appropriate educational technology resources and digital tools related to the content area being taught.

(c) The school administrator may assign an individual to provide instruction in the use of educational technologies, computers, and other digital tools if the individual:

1. Demonstrates proficiency in the uses of educational technologies, computers, and other digital tools, and understands their common applications in an educational setting;

2. Demonstrates knowledge and understanding of the integration of such technologies and digital tools into the curriculum;

3. Demonstrates understanding of the legal and ethical issues surrounding the use of educational technologies and digital tools in PK-12 schools; and

4. Holds a CE, CEAS or standard certificate in an instructional field.

SUBCHAPTER 6. TYPES OF CERTIFICATES
6A:9-6.1 Standard certificate

The standard certificate is a permanent certificate issued to candidates who have met all requirements for State certification.

6A:9-6.2 Provisional certificate

The provisional certificate is a two-year certificate issued to candidates who have met requirements for initial employment as part of a State-approved school district training program or residency leading to standard certification. If the duration of the school district training program extends beyond the two-year period, the provisional certificate shall be renewed. The certificate is renewable for a maximum of one renewal. The provisional certificate is also issued to educational services applicants under N.J.A.C. 6A:9-13.1(b). Unless otherwise specified in N.J.A.C. 6A:9-13, educational services provisional certificates do not carry an obligation to complete a district training program or residency.

6A:9-6.3 Emergency certificate

(a) An emergency certificate is a substandard certificate issued only to educational services certificate candidates who meet the requirements specified for each endorsement. An emergency certificate shall be issued at any time during the academic year. All emergency certificates shall expire on July 31 of each year regardless of issuance date.
(b) A district board of education may apply to the executive county superintendent for an emergency certificate for a candidate in authorized educational services areas if it can demonstrate its inability to locate a suitable certified candidate due to unforeseen shortages or other extenuating circumstances. The executive county superintendent may approve the application if he or she determines that there are no suitable certified candidates to fill the position.

(c) With the exception of the educational interpreter endorsement pursuant to N.J.A.C. 6A:9-13.18(e) and (f), the certificate is renewable annually up to a maximum of two times at the request of the school district and approval of the executive county superintendent. Renewal is predicated upon demonstration of progress toward successful completion of coursework and tests required for issuance of a CE, CEAS, or standard certificate. A candidate serving under an emergency certificate shall be employed under emergency certification for no more than a total of three years in any one educational services endorsement area regardless of the number of districts in which the candidate serves.

(d) An emergency certificate is valid for employment only in the district requesting the emergency certificate.

6A:9-6.4 Certificate of eligibility

(a) A certificate of eligibility (CE) is a certificate with lifetime validity that the Board of Examiners may issue to candidates who meet degree, academic and applicable test requirements.
(b) A certificate of eligibility with advanced standing (CEAS) is a certificate with lifetime validity that the Board of Examiners may issue to candidates who meet degree, academic and test requirements and complete a State-approved college professional education preparation program.

(c) The CE or CEAS authorizes the holder to seek employment. A holder of a CE or CEAS shall not assume responsibility for a job assignment until the holder has been issued a provisional certificate.

6A:9-6.5 Substitute credential

(a) The substitute credential is intended only for persons acting temporarily in replacement of a fully certified and regularly employed classroom teacher when the supply of properly certified teachers is inadequate to staff the school.

1. Nothing in this section shall preclude the use of a private contractor by a school district to secure a substitute teacher appropriate under this subchapter.

(b) Pursuant to N.J.S.A. 18A:6-38, the Board of Examiners shall issue substitute credentials and may revoke them in accord with N.J.A.C. 6A:9-17.5 through 17.7. Under the authority of the Board of Examiners, the executive county superintendent in the county in which the candidate applies shall review the documentation that the candidate provides in accord with (c) below and determine the candidate’s eligibility for the substitute credential. If the executive county superintendent determines that the candidate meets the criteria, the executive county superintendent shall issue the candidate a substitute credential that may be used in any county of the State.
(c) A candidate or his or her designee shall apply for a substitute credential to the executive county superintendent through the school district or its designee. The school district or its designee shall submit the candidate’s application, official transcripts, signed and notarized oath of allegiance, academic credentials, and appropriate fee pursuant to N.J.A.C. 6A:9-5.4(b)3 to the executive county superintendent for review and approval. The candidate must sign the application and oath of allegiance, and an authorized school district representative must endorse the application. The executive county superintendent may issue a substitute credential to candidates who do not hold standard New Jersey certificates but who can present a minimum of 60 semester-hour credits completed at a regionally accredited college or university. The holder of the substitute credential pursuant to this subsection may serve for no more than a total of 20 instructional days in the same position in one school district during the school year. Upon written application by the employing school district to the executive county superintendent and for good cause shown, the executive county superintendent may extend the service in a single position to a total of 40 instructional days. The application for the extension in time to serve in a single position shall be filed prior to the 15th day of the substitute’s service in the position.

(d) The executive county superintendent shall not issue a substitute credential until the candidate submits a criminal history qualification letter from the Department, unless the school district’s chief school administrator can demonstrate to the Commissioner that special circumstances exist that justify the emergent employment of a substitute in accordance with N.J.S.A. 18A:6-7.1c.
(e) The substitute credential is valid for a five-year period from the date of issuance and may be renewed within six months prior to its expiration.

(f) Holders of a CE or CEAS issued by the Board of Examiners may serve as a substitute teacher in areas authorized by their credentials for a total of 60 instructional days in the same position in one school district during the school year. Holders of an instructional CE or CEAS are not required to have a substitute credential for this service.

(g) Holders of an instructional CE or CEAS issued by the Board of Examiners may also serve as a substitute teacher in areas outside the scope of their credentials for no more than a total of 20 instructional days in the same position in one school district during the school year. Upon written application to the executive county superintendent and for good cause shown, the executive county superintendent may extend the service in a single position to a total of 40 instructional days. The application for the extension in time to serve in a single position shall be filed prior to the 15th day of the substitute’s service in the position. Holders of a CE or CEAS are not required to have a substitute credential for this service.

(h) Holders of a standard New Jersey instructional certificate may serve as a substitute teacher in areas outside the scope of their endorsements for a period of 40 instructional days in the same position in one school district during the school year. Holders of standard certificates are not required to have a substitute credential for this service. This subsection does not apply to the holder of a standard certificate with a career and technical education endorsement.

(i) The executive county superintendent may issue a career and technical education substitute credential to a candidate who presents two years of full-time work experience
within the past five years in the appropriate career cluster in lieu of 60 semester-hour college credits. The work experience shall be documented by an experience statement from an employer or presentation of a valid occupational license. The career and technical education substitute credential is required to serve as a substitute teacher for specific career and technical education skills. The holder of a career and technical education substitute credential may serve no more than a total of 20 instructional days in the same position in one school district during the school year. Upon written application to the executive county superintendent and for good cause shown, the executive county superintendent may extend the service in a single position to a total of 40 instructional days. The application for the extension of time to serve in a single position shall be filed prior to the 15th day of the substitute’s service in the position. The holder of a career and technical CE or CEAS is also authorized to serve as a career and technical education substitute teacher for a total of 60 instructional days within the scope of their endorsements in the same position in one school district during the school year and do not require a substitute credential for this service. Holders of standard career and technical education endorsements do not require a substitute credential to teach within the scope of their endorsements.

(j) The executive county superintendent may issue a substitute credential to serve as a substitute school nurse/non-instructional to the holder of a valid New Jersey registered professional nurse license.

(k) The executive county superintendent may issue a substitute credential to serve as a substitute educational interpreter to candidates with a high school diploma or GED and who have completed the Educational Interpreter Performance Assessment (EIPA) with a
minimum score of three. The 20-day limitation pursuant to (c) above shall not apply to
such educational interpreters as substitute educational interpreters may serve for up to
one academic year.

(l) The holder of a substitute credential is authorized to serve as an athletic coach in the
district pursuant to N.J.A.C. 6A:9-5.18(c). The 20-day limitation pursuant to (c) above
shall not apply to such coaching situations as coaches may serve for up to one academic
year.

(m) A district board of education employing a teacher from another state or another country
as an exchange teacher in accord with N.J.A.C. 6A:9-5.14(c) shall request that the
executive county superintendent issue a substitute credential to the exchange teacher
pursuant to N.J.A.C. 6A:9-5.14(c). The 20-day limitation shall not apply to the exchange
teacher’s temporary service as the exchange teacher may serve for up to one year
pursuant to N.J.A.C. 6A:9-5.14.

(n) Persons holding administrative and educational services certificates may serve as
teaching substitutes for no more than a total of 20 instructional days in the same position
in one school district during the school year. Holders of an administrative or educational
services certificate are not required to have a substitute credential for this service. Upon
written application to the executive county superintendent and for good cause shown, the
executive county superintendent may extend the service in a single position to 40
instructional days. The application for the extension in time to serve in a single position
shall be filed prior to the 15th day of the substitute’s service in the position.

6A:9-6.6 Limited certificate for foreign teachers
(a) Pursuant to N.J.S.A. 18A:26-1 and 18A:26-8.1, a limited certificate for foreign teachers is a non-renewable certificate issued to citizens of other countries and is valid for three years. Certificate issuance is contingent upon the candidate’s enrollment in a Department-approved international agency and completion of the requirements in (d) below.

(b) Prior to hiring a foreign teacher, the district board of education shall:

1. Demonstrate to the executive county superintendent its inability to locate a suitable certified teacher;
2. Submit to the executive county superintendent the candidate’s application and supporting documentation; and
3. Maintain all documentation of its effort to employ a suitable certified teacher.

(c) To be eligible for the limited certificate for foreign teachers, a candidate shall submit evidence of the following:

1. Completion of a degree that is equivalent to a United States bachelor’s degree as determined by a Department-approved foreign credentials evaluation service;
2. Completion of an academic major in the subject to be taught. Candidates hired to teach world languages are exempt from this requirement. The teacher may teach his or her native language upon demonstration of oral language proficiency as certified by the agency;
3. Achievement of the GPA pursuant to N.J.A.C. 6A:9-8.1(a)2;
4. Completion of the Department-identified State test requirement appropriate to the subject to be taught within the first six months of employment. Except for those
teachers who teach advanced-level world language courses, world language
teachers are exempt from this requirement;

5. Completion of a college teacher preparation program in the teacher’s home
country as certified by a Department-approved foreign credentials evaluation
service;

6. Certification by the agency verifying the foreign teacher’s valid authorization to
teach in his or her home country;

7. Certification by the agency verifying that the teacher has completed a minimum
of three years of successful full-time teaching experience in the subject area to be
taught. World language teachers must present evidence of three years of
successful full-time teaching experience in any subject; and

8. Completion of a Department-approved nationally recognized test assessing the
ability to speak, read and write the English language fluently.

(d) A foreign teacher hired prior to January 2003 and employed as of January 20, 2004, in a
school district through an approved agency may be issued a limited certificate for foreign
teachers without meeting the requirements in (c) above. The certificate shall expire when
the certificate holder’s visa expires.

(e) The candidate shall sign a notarized non-citizen oath to support the Constitution of the
United States.

(f) Agencies seeking to operate foreign teacher placement programs in New Jersey shall
obtain Department approval. The agency shall provide the following:

1. Evidence of U.S. State Department authorization to sponsor J-1 visas;
2. A description of the program including orientation materials and procedures, references from other State agencies and demonstration of prior experience in foreign teacher recruitment and placement; and

3. A description of the process by which the agency determines the foreign teacher’s U.S. bachelor degree equivalency, college teacher preparation equivalency, authorization to teach, oral language proficiency and successful teaching experience.

(g) Agencies shall provide assistance to school districts and foreign teachers with all aspects of the teacher placement process including, but not limited to:

1. Recruitment and screening of qualified foreign teachers;

2. Orientation to prepare foreign teachers for their teaching assignments and daily life in the school community;

3. Orientation for school districts to prepare them to host foreign teachers;

4. Enrollment of foreign teachers in a health and accident insurance coverage plan that meets the requirements of the U.S. State Department for obtaining the J-1 visa;

5. Assignment of foreign teachers to instruct within their respective disciplines and provision of an ongoing monitoring and support system;

6. Replacement of any teacher whose performance is not satisfactory as determined by the employing school district pursuant to the terms of the contract; and

7. Determination of responsibility for payment of the program costs. The school district, the foreign teacher, and the agency shall determine who shall incur the costs of sponsoring the foreign teacher pursuant to a contract signed by all parties.
To maintain Department approval, the agency shall provide the Department with a current fee schedule outlining anticipated costs for participation in the program.

(h) An agency shall be subject to a review for renewal of its Department approval every three years. If, at any time during the agency’s operation in New Jersey, the Department determines that it has failed to meet the outlined criteria, the agency shall cease operations in the State upon Department notification.

(i) A limited certificate for foreign teachers may be revoked or suspended in accord with N.J.A.C. 6A:9-17.5.

**SUBCHAPTER 7. QUALIFYING ACADEMIC CREDENTIALS**

6A:9-7.1 Definition; procedure

(a) “Qualifying Academic Certificate” (QAC) means a certificate issued by the Commissioner of Education to applicants for mortuary science and chiropractic licenses. The QAC is issued to those individuals regulated by licensing authorities under the supervision of the New Jersey Division of Consumer Affairs, and certifies that the applicants have completed their preliminary academic education.

(b) Applicants for the QAC shall submit official transcripts to the Commissioner of Education as evidence they have completed the preliminary academic education required for the issuance of the certificate.

(c) In accord with N.J.A.C. 6A:9-5.4(b), applicants for the QAC shall submit a certified check or money order payable to the Commissioner of Education with their application.
6A:9-7.2 Requirements

Each applicant for a mortuary science or chiropractic license shall satisfy preliminary academic education criteria as required by the respective licensing authorities under the supervision of the New Jersey Division of Consumer Affairs.

SUBCHAPTER 8. REQUIREMENTS FOR INSTRUCTIONAL CERTIFICATE

6A:9-8.1 Requirements for certificates of eligibility

(a) Except as indicated in N.J.A.C. 6A:9-11 and (b) below, to be eligible for a CE in instructional areas, the candidate shall:

1. Hold a bachelor’s or an advanced degree from a regionally accredited college or university;

2. Achieve a cumulative GPA of at least 2.50 when a GPA of 4.00 equals an A grade for students graduating before September 1, 2004, in a baccalaureate degree program, higher degree program, or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits; for students graduating on or after September 1, 2004, achieve a cumulative GPA of at least 2.75 when a GPA of 4.00 equals an A grade in a baccalaureate degree program, higher degree program, or in a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits. Candidates whose college
transcripts demonstrate that they have completed all requirements for graduation prior to September 1 in any year, but whose baccalaureate or higher degree was conferred between September 1 and December 31 of that same year, shall be deemed to have graduated prior to September 1 of that same year;

3. Effective October 31, 2009, one of the following requirements shall be satisfied for subject-area endorsements:
   i. Complete an undergraduate major in the subject area as documented by the official transcript of a regionally accredited four-year college or university;
   ii. Hold a graduate degree in the subject area; or
   iii. Complete at least 30 credits in a coherent sequence of courses appropriate to the subject area as documented by the official transcript of a regionally accredited college or university, at least 12 semester-hour credits of which must be at the advanced level of study, including junior, senior or graduate level study as documented by the official transcript of a four-year, regionally accredited college or university;

4. Effective October 31, 2009, demonstrate knowledge of basic pedagogical skills, including, but not limited to, classroom management, lesson planning, introduction to New Jersey’s CCCS and Professional Standards for Teachers, and assessment of pupil progress as documented through successful completion of a minimum of 24 hours of study offered through a Department-authorized provider or through equivalent coursework documented on the transcript of a regionally accredited college or university;
5. Pass the appropriate State test of subject matter knowledge; and
6. Pass an examination in physiology, hygiene and substance abuse issues pursuant to N.J.A.C. 6A:9-5.8.

(b) Effective October 31, 2009, the candidate shall satisfy the following requirements to be eligible for the elementary school (K-6) endorsement:

1. Hold a bachelor’s or an advanced degree from a regionally accredited college or university;

2. Achieve a cumulative GPA of at least 2.50 when a GPA of 4.00 equals an A grade for students graduating before September 1, 2004, in a baccalaureate degree program, higher degree program, or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits; for students graduating on or after September 1, 2004, achieve a cumulative GPA of at least 2.75 when a GPA of 4.00 equals an A grade in a baccalaureate degree program, higher degree program, or in a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits. Candidates whose college transcripts demonstrate that they have completed all requirements for graduation prior to September 1 in any year, but whose baccalaureate or higher degree was conferred between September 1 and December 31 of that same year, shall be deemed to have graduated prior to September 1 of that same year;

3. Complete a liberal arts, science, dual content or interdisciplinary academic major or a minimum of 60 semester-hour credits in liberal arts and/or science, as documented on the transcript of a regionally accredited college or university;
4. Demonstrate knowledge of basic pedagogical skills, including, but not limited to, classroom management, lesson planning, introduction to New Jersey’s CCCS and Professional Standards for Teachers, and assessment of pupil progress, as documented through successful completion of a minimum of 24 hours of study offered through a Department-authorized provider or through equivalent coursework documented on the transcript of a regionally accredited college or university.

5. Pass the appropriate State test of subject matter knowledge; and

6. Pass an examination in physiology, hygiene and substance abuse issues pursuant to N.J.A.C. 6A:9-5.9.

(c) Except as indicated in N.J.A.C. 6A:9-11, to be eligible for a CEAS in instructional fields, the candidate shall meet the requirements in (a) above and complete one of the following programs of teacher preparation:

1. A New Jersey college program, graduate or undergraduate, approved by the Department for the preparation of teachers pursuant to N.J.A.C. 6A:9-10;

2. A college preparation program included in the interstate certification reciprocity system of NASDTEC;

3. An out-of-State teacher education program approved by NCATE, TEAC or any other national professional education accreditation body recognized by the Council on Higher Education Accreditation approved by the Commissioner;

4. A teacher education program approved for certification by the Department in one of the states party to the NASDTEC Interstate Contract, provided the
program was completed on or after January 1, 1964, and the state in which the
program is located would issue the candidate a comparable endorsement; or
5. An out-of-State college teacher education program approved by the department
of education in the state in which the program is located.

(d) The teacher preparation programs listed in (c)1 through 5 above must culminate in
college-supervised student teaching.

(e) A candidate who graduates on or after September 1, 2004, with a GPA that is below
2.75, but at least 2.50 when a GPA of 4.00 equals an A grade, and whose score in the
appropriate State test of subject matter knowledge exceeds the passing score by 10
percent or more will meet the requirements of (a)2 and 5 above. This alternative
requirement to (a)2 and 5 above should not be construed as a waiver to N.J.A.C. 6A:9-
17.16.

(f) A candidate with a GPA that is 3.50 or higher, when a GPA of 4.00 equals an A grade,
but whose score in the appropriate State test of subject matter knowledge falls below the
passing score by no more than five percent will meet the requirements of (a)2 and 5
above. This alternative requirement to (a)2 and 5 above should not be construed as a
waiver to N.J.A.C. 6A:9-17.16.

(g) A candidate who has graduated from a regionally accredited college or university that
does not award grades and does not calculate GPAs shall be exempt from the
requirements in (a)2 above.

1. Upon application, the candidate shall provide the Office with an original
registrar’s letter from the college or university bearing the college or university
seal and clarifying the institution’s policy regarding GPAs.
2. The candidate shall satisfy all other requirements for certification, without exception.

(h) Any student matriculated in an approved in-State or out-of-State teacher education program prior to October 31, 2009, shall not be subject to (a)4 and 5 and (b) above if he or she graduates on or before January 31, 2013.

6A:9-8.2 Requirements for the provisional certificate

(a) Except as indicated in N.J.A.C. 6A:9-11, to be eligible for a provisional certificate, a candidate shall:

1. Hold a CE or CEAS in the endorsement area required for the teaching assignment;

2. Obtain and accept an offer of employment in a position that requires instructional certification; and

3. Be registered in a State-approved district training program upon employment and in accordance with N.J.A.C. 6A:9-8.3.

(b) The effective date of provisional certificate issuance is the date on which the holder of a CE or CEAS begins employment with the district board of education in a certificated position in accordance with N.J.S.A. 18A:26-2 and 18A:27-4a.

6A:9-8.3 Requirements for State-approved district training programs

(a) Each district board of education shall be authorized to employ a holder of a CE or
CEAS after its mentoring plan has been approved pursuant to N.J.A.C. 6A:9-8.4(d)3.

(b) Each State-approved district training program shall provide essential knowledge and skills through the following training:

1. On-going mentoring of the provisional teacher who holds a CEAS shall take place over a period of 30 weeks or proportionally longer if the provisional teacher holds a part-time teaching position in accordance with the local mentor plan pursuant to N.J.A.C. 6A:9-8.4 and in accordance with the Professional Standards for Teachers.

2. The building principal or an appropriately certified school administrative designee shall observe and formally evaluate the provisional teacher in accordance with N.J.A.C. 6A:9-8.6 and 8.7.

3. Except for (b)4 and 5 below, a minimum of 200 hours of formal instruction in professional education aligned with the Professional Standards for Teachers shall be completed by the provisional teacher concurrently with the requirements of (b)1 and 2 above. This requirement shall not apply to provisional teachers who hold a CEAS pursuant to N.J.A.C. 6A:9-8.1(c).

4. For provisional teachers who are holders of a career and technical education CE, a minimum of 200 hours of formal instruction in a State-approved career and technical education professional education program that is aligned with the Professional Standards for Teachers and that includes the essential knowledge and skills regarding the delivery of career and technical education programs shall be completed concurrently with the requirements of (b)1 and 2 above. This
requirement shall not apply to provisional teachers who hold a CEAS pursuant to N.J.A.C. 6A:9-8.1(b).

5. For provisional teachers who are holders of an elementary school (K-6 and N-8) CE, a minimum of 290 hours of formal instruction over two years in a State-approved program of formal instruction that is aligned with the Professional Standards for Teachers shall be completed. This instruction must include a minimum of 45 hours of study in the teaching of language arts/literacy at the K-6 level and a minimum of 45 hours of study in teaching mathematics at the K-6 level. Provisional teachers holding an elementary school (K-6 or N-8) CE may be exempted from completing 45 hours of study in the teaching of language arts/literacy at the K-6 level, as well as from completing 45 hours of study in the teaching of mathematics at the K-6 level if:

i. For each area of study, they have completed 45 hours of study in that area as documented by a Department-approved provider or through equivalent coursework on the transcript of a regionally accredited college or university; or

ii. For each area of study, they document the equivalent of at least one year of successful experience as a full-time teacher during which the subject area is regularly taught, among the other subjects for which a K-6 teacher would be responsible. This experience must take place within the three years prior to receiving their certificate of eligibility and documented by submitting a completed, original form provided by the Office.
(c) School districts or consortia of school districts, in conjunction with a college or university, shall provide formal instruction to the provisional teachers they employ pursuant to (b)3 above. The school district or consortium shall submit a written plan for the Department’s approval. In the event that joint sponsorship with a college or university cannot be achieved, the Department may authorize the school district or consortium to provide the formal instruction independently or in joint sponsorship with a non-collegiate entity. The school district or consortium’s written plan shall include documentation of its efforts to secure college or university participation.

(d) School districts unable to provide formal instruction to provisional teachers in their employ shall provide access to formal instruction through a network of Department-authorized providers.

6A:9-8.4 Requirements for local mentor plan

(a) All novice teachers are required to participate in a mentoring program that takes place over a period of 30 weeks for provisional teachers holding a CEAS and 34 weeks for provisional teachers holding a CE. Provisional teachers shall participate for a proportionally longer period of time if in a part-time teaching position. The mentoring program shall be implemented by the mentor teacher, supervised by the school principal, and conducted within the parameters of a school district's local mentor plan and the requirements of N.J.A.C. 6A:9-8.3.

1. In the event that no State funds are available to pay the costs of mentoring fees, candidates who are required to complete a provisional year of teaching to obtain
standard certification shall be responsible for payment of mentoring fees during the provisional year. The employing school district may at its discretion pay the cost of mentoring fees.

2. All novice teachers whose positions require possession of instructional certificates in accordance with N.J.S.A. 18A:26-2 and N.J.A.C. 6A:9-5.1(a) shall comply with the requirements of the local mentoring plan.

(b) All district boards of education that employ novice teachers in positions requiring the possession of instructional certificates shall comply with the provisions of this subchapter and shall ensure the following:

1. That rigorous mentoring shall be provided to novice teachers by developing a local mentor plan in which experienced teachers give confidential support and guidance to novice teachers in accordance with the Professional Standards for Teachers;

2. That each novice teacher is assigned a mentor at the beginning of the contracted teaching assignment;

3. That the local mentor plan includes in-person contact between the mentor teacher and the novice teacher over the course of 30 weeks or proportionally longer if the novice teacher holds a part-time teaching assignment; and

4. That the school district superintendent develops a local mentor plan.

(c) The school district superintendent shall ensure the development of a local mentor plan as follows:

1. The superintendent in each school district shall develop a local mentor plan that includes:
i. Goals that, at a minimum, enhance teacher knowledge of and strategies related to the CCCS to facilitate student achievement; identify exemplary teaching skills and educational practices necessary to acquire and maintain excellence in teaching; and assist novice teachers in the performance of their duties and adjustment to the challenges of teaching;

ii. An application process for selecting mentor teachers;

iii. Criteria for mentor teacher selection;

iv. Provisions for comprehensive mentor training;

v. Identification of mentor teacher responsibilities;

vi. Logistics for mentor plan implementation;

vii. Consideration of collaborative arrangements with colleges and universities;

viii. Provisions for the use of State funds; and

ix. Criteria and guidelines for the 20-day clinical experience pursuant to N.J.A.C. 6A:9-8.3(b)1.

2. The school district superintendent shall submit the local mentor plan to the district board of education for initial approval.

3. The local professional development committee shall submit the addendum for the 20-day clinical experience pursuant to N.J.A.C. 6A:9-8.3(b)1 to the district board of education for initial approval and to the county superintendent for final approval.
4. After plan review, the district board of education shall submit the plan to the executive county superintendent for final review and approval. The executive county superintendent shall notify the Department of plan approval.

5. Every three years, the local mentor plan shall be revised and resubmitted to the executive county superintendent based on program evaluation.

(d) The district board of education shall be responsible for the implementation of the local mentor plan through the following:

1. The plan shall provide criteria for selection of mentor teachers. At a minimum, the criteria shall include the following:

   i. The district board of education may select a certified teacher with at least three years of experience who is actively teaching in the district to serve as a mentor teacher;

   ii. The mentor teacher applicant is committed to the goals of the local mentor plan;

   iii. The mentor teacher applicant has agreed to maintain the confidential nature of the mentor teacher/novice teacher relationship;

   iv. The mentor teacher applicant has demonstrated exemplary command of content area knowledge and of pedagogy;

   v. The mentor teacher applicant is experienced and certified in the subject area in which the novice teacher is teaching, where possible;

   vi. The mentor teacher applicant is knowledgeable about the social and workplace norms of the district board of education and the community the district board of education serves;
vii. The mentor teacher applicant is knowledgeable about the resources and opportunities in the district and able to act as a referral source to the novice teacher;

viii. The mentor teacher applicant provides letters of recommendation as determined by the district mentor plan from those who are familiar with the mentor teacher applicant’s work; and

ix. The mentor teacher applicant agrees to complete a comprehensive mentor training program.

2. Annually, the district board of education shall submit to the Department a report on the effectiveness of the local mentor plan. The report, using data collected on a Department-developed form, shall include program impact on job satisfaction, adequacy of time and training, and recommended program changes and additions.

(e) District boards of education shall be responsible for budgeting any State funds appropriated for the novice teacher mentoring program.

1. Subject to the availability of funds, the Department shall appropriate State funds based on the number of novice teachers employed each year in a given public district board of education.

2. District boards of education shall ensure that State funds appropriated for this program shall supplement, and not supplant, any Federal, State or local funds already devoted to planning and implementing a novice teacher mentor program.
3. District boards of education shall ensure that State funds shall be used for one or more of the following:
   
   i. Stipends for mentor teachers:
   
   ii. The costs associated with release time;
   
   iii. Substitutes for mentor teachers and novice teachers; and
   
   iv. Professional development and training activities related to the program.

6A:9-8.5 Requirements for nonpublic school training programs

(a) Nonpublic schools may choose to participate in the training provided for first-year novice teachers pursuant to N.J.A.C. 6A:9-8.3 if they meet the following requirements:

1. Prior to enrolling any candidate in a teacher training program, the individual with the authority to execute binding documents on behalf of the nonpublic school shall enter into a written agreement with the Department agreeing to comply with all requirements pursuant to N.J.A.C. 6A:9-8.4(b) and (d);

2. A teacher on staff in a non-administrative, non-supervisory capacity who holds a standard New Jersey instructional certificate shall be assigned as mentor;

3. The school is accredited by an accrediting agency accepted by the Department; and

4. The candidate is employed as a classroom teacher in a position that would require an appropriate instructional certificate in a public school.

6A:9-8.6 Evaluation of provisional teachers
(a) An appropriately certified building principal or administrative designee authorized to supervise instructional staff shall observe and evaluate the provisional teacher three times during the first year of mentoring for purposes of certification. All performance evaluations shall be aligned with the Professional Standards for Teachers as defined in N.J.A.C. 6A:9-3.3 and reported on State-developed forms. Performance evaluations for career and technical education teachers shall also include career and technical education knowledge and skills.

1. The first formative evaluation shall be completed at the end of 10 weeks, or proportionally longer if the teacher is part-time, after the provisional teacher assumes full responsibility of a classroom.

2. The second formative evaluation shall be completed at the end of 20 weeks, or proportionally longer for part-time teachers, after the provisional teacher assumes full responsibility of a classroom.

3. The final summative evaluation shall be completed at the end of 30 weeks, or proportionally longer for part-time teachers, after the provisional teacher assumes full responsibility of a classroom. This final, summative evaluation shall be completed by the building principal who shall make one of three recommendations for certification pursuant to N.J.A.C. 6A:9-8.7(b).

(b) Within 15 days following each evaluation, the evaluator pursuant to (a) above shall provide a copy of the evaluation to the provisional teacher.

(c) Mentor teachers shall not assess or evaluate the performance of provisional teachers. Interactions between provisional teachers and experienced mentor teachers are formative
in nature and considered a matter of professional privilege. Mentor teachers shall not be compelled to offer testimony on the performance of provisional teachers.

6A:9-8.7 Recommendation for certification of provisional teachers

(a) Within 30 days after the conclusion of the State-approved district training program, the building principal shall submit directly to the Secretary the final evaluation.

(b) The final evaluation for each provisional teacher shall include one of the following recommendations:

1. Approved: Recommends issuance of a standard certificate;

2. Insufficient: Recommends that a standard certificate not be issued but that the candidate be permitted to seek entry on one more occasion into a State-approved district training program. A second rating of “insufficient” shall be deemed a “disapproved” in accord with (b)3 below; or

3. Disapproved: Recommends that a standard certificate not be issued and that the candidate not be allowed to enter into another State-approved district training program.

(c) Candidates who receive a recommendation of “disapproved” or two recommendations of “insufficient” may petition the Board of Examiners for approval of additional opportunities to seek provisional employment in districts other than those in which they received unfavorable recommendations pursuant to N.J.A.C. 6A:9-17.18

6A:9-8.8 Requirements for the standard certificate
(a) Except as indicated in N.J.A.C. 6A:9-11, to be eligible for the standard certificate in any instructional area, the candidate shall:

1. Possess a provisional certificate pursuant to N.J.A.C. 6A:9-8.2; and

2. Successfully complete a State-approved district training program pursuant to N.J.A.C. 6A:9-8.3 and 8.4 while employed provisionally in a position requiring the appropriate instructional certificate.

(b) A candidate who holds a standard New Jersey instructional certificate shall be eligible for additional standard certificates if the candidate meets the requirements of N.J.A.C. 6A:9-8.1(a)1, 3, and 4 and 8.3(b)3. This provision does not apply to holders of the Teacher of Military Science endorsement.

(c) A candidate who holds National Board for Professional Teacher Standards (NBPTS) certification and the corresponding out-of-State license or certificate shall be eligible for the standard certificate in the NBPTS certificate field without additional requirements.

(d) A candidate who holds the Meritorious New Teacher Candidate (MNTC) designation and the corresponding out-of-State license or certificate shall be eligible for the standard certification in the MNTC designated field without additional requirements. The MNTC designation, offered through the American Association of Colleges for Teacher Education (AACTE), is designed to recognize and reward exceptionally well-prepared new teachers. Similar to National Board Certification, this designation is one of professional accomplishment for prospective teachers who excelled at every phase of preparation and demonstrated a deep commitment to high expectations for all children.

6A:9-8.9 Requirements for interstate reciprocity
(a) Notwithstanding any other provision of this subchapter, any applicant for instructional certification who presents a valid instructional certificate issued by any other state shall, upon payment of the appropriate fee, be issued a New Jersey instructional certificate for the equivalent and currently-issued New Jersey grade-level or subject endorsement and certificate level covered by this subchapter, that is, a New Jersey CE, CEAS, or standard certificate. If there is no equivalent current New Jersey endorsement, then the provisions of N.J.A.C. 6A:9-8.1 through 8.8 shall apply to the applicant. There are two limitations to this rule:

1. If New Jersey has an equivalent endorsement with required subject matter test for the applicant’s endorsement, the applicant shall have passed a state subject-matter test to receive his or her out-of-State endorsement or else must pass the appropriate New Jersey subject-matter test; and

2. Candidates who have not taught successfully for three years under their out-of-State certificate shall be required to meet the New Jersey GPA requirement. Successful teaching experience shall be documented by a letter of experience from the applicant’s supervisor or authorized district representative.

6A:9-8.10 Mentoring and evaluation by approved agencies

An approved agency and its designated staff shall be authorized to provide the services, evaluations, and recommendations specified within N.J.A.C. 6A:9-8.5 through 8.7 for
provisional Teachers of Supplemental Instruction in Reading and Mathematics, Grades K-8 in their employ.

SUBCHAPTER 9. INSTRUCTIONAL CERTIFICATES

6A:9-9.1 Authorizations – general

(a) Each teaching endorsement is required for the corresponding teaching assignment.

1. Each endorsement is valid for grades preschool through 12, with the following exceptions:

   i. The elementary school teacher endorsement is valid in grades kindergarten through six. Any holder of the former teacher of elementary school grades K-5 endorsement now shall be authorized to teach kindergarten through grade six;

   ii. The elementary school teacher with subject matter specialization endorsement is valid in grades five through eight;

   iii. The preschool through grade three endorsement is valid in preschool through grade three; and

   iv. The teacher of supplementary instruction in reading and mathematics, grades K-8 is valid in grades kindergarten through eight.

2. Teachers with English endorsements, who taught reading prior to February 1976, may continue to teach in the same assignment.
3. Teachers with elementary school endorsements valid in grades nursery through eight issued no later than March 1, 2008, may teach in grades nursery through eight in any employing school district, subject to the qualification for teaching three- and four-year-old children in N.J.A.C. 6A:9-11.1(h). These teachers must demonstrate to the school district that they have content knowledge appropriate to the subject(s) taught. All elementary school teachers certified to teach in grades kindergarten through five after January 20, 2004, and hired to teach in grades six through eight must hold either the elementary school with subject matter specialization or the subject matter endorsement.

4. Teachers holding the teacher of the blind or partially sighted, teacher of the deaf or hard of hearing and/or the teacher of handicapped endorsements issued prior to September 1, 2008, may teach students with disabilities in grades preschool through grade 12 if they can demonstrate to the district content knowledge appropriate to the content and the content level to be taught.

5. Teachers holding endorsements that are no longer issued as of January 20, 2004, may continue to teach in the subject areas in which the teacher was authorized to teach under the former rules.

6. Holders of career and technical instructional endorsements issued prior to January 20, 2004, remain valid. These teachers are authorized to teach in the occupations for which they hold endorsements. A crosswalk of these former certificates that identifies under which of the new career clusters the teacher’s certificate falls is available on the Department’s website.
6A:9-9.2 Endorsements and authorizations

(a) The teaching endorsements and authorizations in (a)1 through 9 below are grouped within the relevant CCCS.

1. Visual and performing arts:
   i. Art: This endorsement authorizes the holder to teach art in all public schools;

ii. Family and consumer sciences. This endorsement authorizes the holder to teach family and consumer sciences in all public schools.

(1) Comprehensive family and consumer sciences: This endorsement authorizes the holder to teach family and consumer sciences.

Family and consumer sciences includes: family economics and
resource management; family relations and human development including child care and development and parenting education; housing and environment including interior design; nutrition, health and food management and preparation; textiles and apparel design, construction and merchandising; and exploration in family and consumer sciences related occupations.

(2) Family and consumer sciences: Child and family development:
This endorsement authorizes the holder to teach family relations and human development -- including parenting education and child care and development and operating a nursery school in a high school classroom environment, developing skills needed to deal with crisis in families, handling children with special needs, and managing family economics and resources -- and to provide career-related instruction.

(3) Family and consumer sciences: Foods, nutrition and food science:
This endorsement authorizes the holder to teach nutrition, individual and family food preparation, food science, managing time and resources related to food preparation, and exploration of careers in foods and nutrition related occupations.

(4) Family and consumer sciences: Apparel, textiles and interiors:
This endorsement authorizes the holder to teach textiles and apparel design, construction and merchandising, interior design; managing time and resources related to apparel construction and
interior design; and exploration of careers in apparel, textiles, and interior design

iii. Agriculture, food, and natural resources: This endorsement authorizes the holder to teach agribusiness systems, animal systems, environmental service systems, natural resource systems, plant systems, and power, structural and technical systems and related technologies in all public schools.

iv. Career cluster endorsements: These endorsements authorize the holder to teach approved career and technical education programs in all public schools in accord with N.J.A.C. 6A:9-11.2. The holder of a standard career and technical education endorsement who has completed the study requirements in N.J.A.C. 6A:9-13.19(b)2i and ii, or 13.20(b)2i or ii, is also authorized to place and supervise career and technical education students in school-sponsored cooperative education experiences in the occupation in which the holder is certified as part of a career and technical education program.

v. Driver education: This endorsement authorizes the holder to teach driver education in all public schools.

(b) The teaching endorsements below authorize the holder to teach specific populations, subjects, ages, and/or grade levels:

1. Bilingual/bicultural education: This endorsement authorizes the holder to teach bilingual/bicultural education in all public schools.

2. Elementary school: This endorsement authorizes the holder to:
i. Serve as an elementary school teacher in grades kindergarten through six in all public schools;

ii. Teach language arts literacy, mathematics, science, computer and information literacy, and social studies full-time, integrating educational technology where appropriate in grades kindergarten through six;

iii. Teach world languages full-time in grades kindergarten through six pursuant to N.J.A.C. 6A:9-11.10;

iv. Teach all remaining subjects no more than one-half of the daily instructional assignment; and

v. Teach reading, writing, arithmetic, and spelling, for basic-skills purposes only, in grades six through 12.

3. Elementary school with subject matter specialization: This endorsement authorizes the holder to:

i. Teach the specialty subjects on the face of the certificate full-time in grades five through eight in all public schools. This endorsement does not permit the holder to teach the subject matter specialization in grades nine through 12;

ii. Teach all CCCS subjects in kindergarten through grade six pursuant to (b)2 above; and

iii. Teach reading, writing, arithmetic, and spelling, for basic-skills purposes only, in grades six through 12.

4. Preschool through grade three: This endorsement authorizes the holder to:

i. Teach preschool through grade three in public schools and to teach public
school students in approved settings providing early childhood education;

ii. Teach language arts literacy, mathematics, science, computer and
information literacy, and social studies full-time, integrating educational
technology where appropriate in grades preschool through three;

iii Teach world languages full-time in grades preschool through three
pursuant to N.J.A.C. 6A:9-11.10; and

iv. Teach all remaining subjects in grades preschool through three no more
than one-half of the daily instructional assignment.

5. Teacher of supplemental instruction in reading and mathematics, grades K-8: This
endorsement authorizes the holder to provide supplemental, pull-out instruction in
reading and mathematics for students in kindergarten through grade eight. During
their provisional teaching period, teachers holding this endorsement:

i. May not be assigned to more than two schools; and

ii. Must conduct all teaching in a formal classroom environment with a
minimum of eight students that approximates the experiences that novice
teachers are expected to have, including, but not limited to, lesson planning,
effective classroom management, instructional strategies, and incorporation
of the CCCS.

6. Special education: These endorsements authorize the holder to teach special
education to one of the designated populations listed in (b)6i through iv below. In
addition to the content area(s) or grade level(s) that the teachers’ content and/or
grade-level endorsements authorize, the holder of a special education
endorsement also may provide consultative services and supportive resource
programs, including modification and adaptation of curriculum and instruction to students with disabilities in general education programs in grades preschool through 12.

i. Blind or visually impaired: This endorsement authorizes the holder to teach blind or visually impaired students;

ii. Deaf or hard of hearing for oral/aural communication: This endorsement authorizes the holder to teach deaf or hard-of-hearing students using oral/aural communication strategies;

iii. Deaf or hard of hearing for sign language communication: This endorsement authorizes the holder to teach deaf or hard-of-hearing students using sign language communication strategies; and

iv. Students with disabilities: This endorsement authorizes the holder to teach students classified with disabilities with the exception of those identified in (b)5i through iii above.

SUBCHAPTER 10. STANDARDS FOR NEW JERSEY EDUCATOR PREPARATION PROGRAMS IN HIGHER EDUCATION

6A:9-10.1 Requirements and standards for the approval of professional education programs preparing educational personnel

(a) The Department shall establish a three-tiered system of program approval to include program approval committees, a State Program Approval Council, and final approval through the Department of Education as follows:
1. The Department of Education shall appoint program approval committees for each certificate area to recommend appropriate action regarding the addition of a new or substantially revised certification program to the State Program Approval Council based on documents and evidence of meeting program standards as specified in this subchapter.

   i. The program approval committees shall be comprised of three members representing higher education and K-12 school districts who have expertise in the certification program under review.

2. The Commissioner shall appoint a State Program Approval Council comprised of 11 members including six higher education representatives and five P-12 practitioners.

   i. The Council shall advise the Commissioner on matters pertaining to higher education teacher, administrator, and educational service personnel preparation quality issues;

   ii. The Council shall coordinate the peer review program approval process for initial and substantially revised programs and the periodic review of programs;

   iii. The Council will review program information required for the periodic review of programs and recommend appropriate action regarding the program’s status; and

   iv. The Council shall make final recommendations regarding approval of programs to the Department of Education.
3. Based on the recommendation of the State Program Approval Council, the Department shall take appropriate action regarding program approval.

(b) The Department shall approve all professional educator preparation programs leading to State certification in New Jersey institutions of higher education. The scope of program approval shall include programs from institutions chartered in the State, as well as programs that have a physical presence in New Jersey and are run by out-of-State institutions that are approved by the New Jersey Commission on Higher Education. Program approval shall be based on the following criteria approved by the State Board:

1. Compliance with State professional standards for teachers and school leaders as established in N.J.A.C. 6A:9-3.3 and 3.4;

2. Compliance with State content specific professional standards by licensure area that will be implemented by the Department for its review of new or substantially revised programs. These standards shall be developed by the Department and promulgated in this chapter no later than March 31, 2010;

3. Program documentation for the initial review and approval of all new or substantially revised programs shall include, but is not limited to:
   
   i. A summary of the proposed program;
   
   ii. The program framework and guiding principles;
   
   iii. Program alignment to the professional content standards;
   
   iv. Description of the field experiences;
   
   v. Description of student performance assessments and evidence of program outcomes;
   
   vi. Program faculty resumes; and
vii. Course syllabi and program curriculum;

4. The following documentation shall be reviewed by the State Program Approval Council and be used for the periodic review and approval for continuation of all preparation programs in conjunction with the institution's national accreditation:

i. Data on candidates’ performance on program-based assessments at program completion;

ii. Numbers of educator candidates prepared in critical shortage areas and from diverse backgrounds;

iii. Placement and retention rates;

iv. Data on candidates’ performance at the end of the provisional period;

v. Praxis scores and pass rates;

vi. Follow-up survey of graduates and employers; and

vii. Where relevant, P-12 student achievement data;

5. Accreditation by a national accrediting body recognized by the Council on Higher Education Accreditation and approved by the Commissioner; and

6. Compliance with requirements in (b) below.

(c) Higher education institutions who prepare educators shall be required to have programs approved as follows:

1. All new or revised educator programs must secure initial approval from the Department of Education prior to implementation;

2. All educator programs must undergo a periodic program review every seven years at least six months prior to the national accreditation process;
3. All programs must obtain accreditation through the National Council for the Accreditation of Teacher Education, the Teacher Education Accreditation Council or any other national professional education accreditation body recognized by the Council on Higher Education Accreditation and approved by the Commissioner.
   i. No later than January 2, 2009, institutions of higher education preparing professional educators shall have acquired national accreditation;
   ii. Following the accreditation visitation, but no later than July 1, 2009, institutions of higher education preparing professional educators shall provide proof of their national accreditation recognition status to the Department;
   iii. Institutions of higher education preparing professional educators that fail to obtain national accreditation shall forfeit State approval to offer professional educator preparation programs leading to certification; and
   iv. The State shall withdraw approval for any institution of higher education preparing professional educators that fails to meet the conditions in (c)3ii and iii above.

(d) Formal admission to teacher preparation programs shall be reviewed by colleges and universities at the beginning of the junior year and shall be granted only to those students who have:

1. Maintained a cumulative GPA of at least 2.50 when a grade point of 4.00 equals an A grade for the first two years of college. Institutions may require higher minimum GPAs for entry into teacher preparation programs;
2. Achieved acceptable levels of proficiency in the use of the English language, both oral and written, and mathematics. Students with deficiencies in these areas upon admission to college shall be required to demonstrate proficiency through an oral or written assessment by the beginning of the junior year; and

3. Demonstrated aptitude for the profession of teaching through successful completion of an appropriate practical experience in an elementary or secondary school.

(e) The college or university faculty shall evaluate each student at the end of the semester prior to student teaching. The faculty evaluation shall be based on a comprehensive assessment of relevant indicators that include:

1. A cumulative GPA of at least 2.50 when a grade point of 4.00 equals an A grade; and

2. Acceptable levels of teaching proficiency in junior field experience as indicated by the evaluation reports of college and school faculty. Such evaluations shall be communicated to the student and shall be included in the student’s permanent file.

(f) Colleges and universities shall assure that only students who have met the requirements in (d) above be assigned to student teaching.

(g) Colleges and universities shall recommend for certification to the Department only those students who have completed the State-approved certification program and have:

1. For students who graduate prior to September 1, 2004, achieved an overall cumulative GPA of at least 2.50 when a grade point of 4.00 equals an A grade; for students graduating on or after September 1, 2004, achieved an overall cumulative GPA of at least 2.75 when a grade point of 4.00 equals an A grade; and
2. Demonstrated continued competence, aptitude, motivation and potential for outstanding success in teaching as indicated by assessments of student teaching performance by college/university and school supervisors. Such assessments shall be communicated to the student and shall be a part of the student's file.

(h) All requirements are to be applied equitably and in an non-discriminatory manner to all students, including transfer students. All admissions and retention processes are to be consistent with State and institutional affirmative action policies and goals.

(i) Colleges and universities shall develop appropriate procedures for placing on probation and dismissing from the program students who fall below minimum requirements before graduation, and shall incorporate into these procedures methods for appeals by students.

(j) Colleges and universities shall make recommendations for issuance of a CEAS for students completing an approved teacher preparation program.

(k) Colleges and universities must inform the Department when a student has successfully completed the approved program and is being recommended to the Department for issuance of the CEAS by the Board of Examiners provided that the student has passed a state test pursuant to N.J.A.C. 6A:9-8.1(a)4. Colleges and universities have up to one year from the date of completion of the approved program to recommend a student to the Department for issuance of a certificate.

(l) Colleges and universities shall align their programs with the Professional Standards for Teachers no later than September 1, 2005.

(m) With the exception of special education approved programs, colleges and universities shall inform the Department of those students that have matriculated in programs approved prior to January 20, 2004. This includes those students that matriculated as

(n) Colleges and universities shall inform the Department of those students that have matriculated in special education programs approved prior to January 20, 2004. This includes those students that matriculated as freshman in fall 2003. Those candidates that do not complete all of the requirements at N.J.A.C. 6:11-7 by September 1, 2008 shall fulfill the requirements at N.J.A.C. 6A:9-10. These teachers shall be considered novice teachers and shall be required to complete a year of formal mentoring.

(o) Requirements in (d) through (g) above shall be considered minimum requirements. Colleges and universities have the authority to require higher GPAs and higher levels of proficiency for program admission, student teaching and recommendation for certification.

6A:9-10.2 Curriculum for teacher preparation programs

(a) The preparation program for all instructional certificates shall include the provisions in (a)1 through 5 below. In addition, those candidates seeking the preschool through grade three endorsement shall comply with the requirements in (b) below, and candidates seeking special education endorsements shall comply with requirements in (c), (d), (e) or (f) below.

1. A minimum of 60 semester credit hours of general education including electives. General education courses shall be distributed among the arts, humanities, mathematics, science, technology and the social sciences. There must be some study
in each area. Study in technology may include topics such as educational technology and tools, the history of technology and the sociological impact of technological advancement, which would contribute to the general technological literacy of students. The purpose of general education is to develop the prospective teacher as an educated person rather than to provide professional preparation. This component of the program shall exclude courses that are clearly professional or career and technical in nature;

2. A major in the arts, humanities, social sciences, mathematics, science or technology disciplines;

3. A minimum of 90 credits of the total program distributed among general education and the academic major;

4. A sequence of courses devoted to professional preparation. Study must be devoted to the behavioral/social sciences, the teaching of literacy and numeracy, educating linguistically diverse and special education students, and, effective May 31, 2010, integrating educational technology and tools into the curriculum and classroom. Some of these areas may be included in the professional or liberal arts components of the program consistent with (a)1 above. The professional component of the undergraduate program shall be aligned with the Professional Standards for Teachers as specified in N.J.A.C. 6A:9-3.3 and shall provide students, normally beginning in the sophomore year, with practical experiences in an elementary, middle or secondary school setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with a student teaching experience; and

5. A student teaching experience. School districts have a responsibility, as part of the continuum of professional education and development, for accepting and placing
student teachers. This shall be the equivalent of a full-time experience of one semester’s duration and shall be included within the professional component. The student teacher shall be under the direct and continuous personal supervision of an appropriately certified cooperating teacher. A State-approved Master of Arts in Teaching (MAT) program must ensure that its graduates have completed one of the following:

i. A student teaching experience through the MAT program;

ii. A student teaching experience through a State-approved teacher preparation program;

iii. A standard State instructional certificate; or

iv. One-year of successful teaching experience under a valid out-of-State license or certificate.

(b) The preparation program for the Preschool through Grade 3 endorsement also shall include the following:

1. A minimum of 13 semester hour credits of instruction in areas listed in N.J.A.C. 6A:9-11.1(c). The professional component of the undergraduate program shall, beginning in the sophomore year, provide students with practical experience in a preschool or kindergarten setting and in a first, second or third grade setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with an early childhood education student teaching experience; and

2. The student teaching experience shall be in an early childhood education setting.

(c) The preparation program for the Students with Disabilities endorsement also shall include the following:
1. A range of 21 to 27 semester hour credits of instruction in areas listed in N.J.A.C. 6A:9-11.3(e)2. The professional component of the undergraduate program shall, beginning in the sophomore year, provide students with practical experiences in a special education setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with a special education student teaching experience; and

2. The student teaching experience shall include a special education component.

(d) The preparation program for the Deaf or Hard of Hearing with Oral/Aural Communication endorsement also shall include the following:

1. A range of 21 to 27 semester hour credits of instruction in areas listed in N.J.A.C. 6A:9-11.3(g)2. The professional component of the undergraduate program shall, beginning in the sophomore year, provide students with practical experiences in a special education setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with a special education student teaching experience; and

2. The student teaching experience shall include a special education component.

(e) The preparation program for the Blind or Visually Impaired endorsement also shall include the following:

1. A range of 21 to 27 semester hour credits of instruction in areas listed in N.J.A.C. 6A:9-11.3(f)2. The professional component of the undergraduate program shall, beginning in the sophomore year, provide students with practical experiences in a special education setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with a special education student teaching experience; and
2. The student teaching experience shall include a special education component.

(f) The preparation program for the Deaf or Hard of Hearing endorsement with sign language also shall include the following:

1. A range of 21 to 27 semester hour credits of instruction in areas listed in N.J.A.C. 6A:9-11.3(h)2. The professional component of the undergraduate program shall, beginning in the sophomore year, provide students with practical experiences in a special education setting. These opportunities shall increase in intensity and duration as the student advances through the program and culminate with a special education student teaching experience; and

2. The student teaching experience shall include a special education component.

(g) Colleges/universities may develop dual certification programs that incorporate the requirements listed in (a) and either (b), (c), (d), (e), or (f) above. Requirements may be completed through integrated study across the curriculum. When appropriate, coursework may serve to fulfill one or more of the curriculum requirements listed in (a) through (f) above. Candidates shall be certified in the both endorsement areas.

6A:9-10.3 Supervision of practicum students

(a) Collegiate faculty assigned to supervise students shall:

1. Have had experience supervising, consulting or otherwise working in an elementary and/or secondary school in contact with classroom teachers within the previous two years for all instructional certificate programs with the exception of the preschool endorsement; for preschool programs, the supervisor shall have had experience supervising, consulting or otherwise working in an early childhood setting; and
2. Be full-time faculty members or part-time faculty with demonstrated expertise in the field they are supervising.

(b) Collegiate supervisors of student teachers shall be assigned supervisory loads that permit observation of each student once every other week.

(c) District faculty assigned to supervise teacher candidates shall:

1. Be approved by the principal and district office with input from the teacher candidate’s preparing institution of higher education;

2. Have a minimum of three years of teaching experience, including one within the district;

3. Possess a standard instructional certificate;

4. Have appropriate certification that coincides with the area of instruction for which the candidate is being prepared; and

5. Be a full-time district faculty member with demonstrated expertise in the field of mentoring/supervision.

(d) District cooperating teachers shall provide continuous supervision and weekly conferences to assist teacher candidates in professional development. For purposes of this subsection, “cooperating teacher” means a practicing certified experienced teacher who is assigned responsibility for the instruction, supervision and assessment of teacher candidates during clinical field experiences.

(e) Institutions of higher education preparing teachers shall make available to the cooperating teachers professional development opportunities and experiences that increase cooperating teachers’ expertise in the field.

6A:9-10.4 Post-baccalaureate and graduate-level teacher preparation programs
(a) A teacher preparation program at a post-baccalaureate or graduate-level that leads to a recommendation for a CEAS in instructional fields pursuant to N.J.A.C 6A:9-8.1 and 11 shall require its students to meet the following requirements:

1. Hold a bachelor’s degree from a regionally accredited college or university;

2. For students graduating before September 1, 2004, achieve a 2.50 cumulative GPA where a 4.00 equals an A grade; for students graduating on or after September 1, 2004, achieve a 2.75 cumulative GPA where a 4.00 equals an A grade;

3. Present an undergraduate major or 30 semester-hour credits in a coherent sequence of courses in the subject teaching field from a regionally accredited college or university. Candidates completing preschool and elementary school teacher preparation programs must present a major in liberal arts, science, dual content or interdisciplinary academic majors or 60 semester hour credits in liberal arts or science.

4. Demonstrate continued competence, aptitude, motivation and potential for outstanding success in teaching as indicated by assessments of student teaching performance by college and school supervisors. Such assessments shall be communicated to the student and shall be a part of the student’s file; and

5. Complete a student teaching experience in an early childhood, elementary or secondary setting.
SUBCHAPTER 11. EXCEPTIONS TO REQUIREMENTS FOR THE INSTRUCTIONAL CERTIFICATE

6A:9-11.1 Preschool through grade three certification requirements

(a) To be eligible for the preschool through grade three CE, the candidate shall:

1. Hold a bachelor’s or higher degree from a regionally accredited college or university;

2. For students graduating before September 1, 2004, achieve a cumulative GPA of at least 2.50 when a GPA of 4.00 equals an A grade in a baccalaureate degree program, higher degree program or in a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits; for students graduating on or after September 1, 2004, achieve a cumulative GPA of at least 2.75 when a GPA of 4.00 equals an A grade in a baccalaureate degree program, higher degree program or in a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits;

3. Complete a liberal arts, science, dual content or interdisciplinary academic major or a minimum of 60 semester-hour credits in liberal arts and/or science;

4. Effective September 1, 2009, demonstrate knowledge of basic pedagogy skills appropriate to preschool education, including, but not limited to, classroom management, teacher-child interaction, preschool curricula, New Jersey’s preschool early learning standards and CCCS, and developmentally appropriate
assessments through successful completion of a minimum of 24 hours of study
offered through a State-approved provider or through equivalent coursework as
documented on the transcript of a regionally accredited college or university;
5. Pass an appropriate State test; and
6. Pass an examination in physiology, hygiene and substance abuse issues pursuant
to N.J.A.C. 6A:9-5.8.

(b) To be eligible for the preschool through grade three CEAS, a candidate must meet the
requirements in (a) above with the exception of (a)4 above. In addition, an eligible
candidate must complete one of the following teacher preparation programs.
1. A New Jersey college program, graduate or undergraduate, approved by the
Department for the preparation of early childhood education teachers;
2. A college early childhood education program included in the NASDTEC interstate
contract;
3. An out-of-State early childhood education program approved by NCATE;
4. An early childhood education program approved for certification by the state
department of education in one of the states party to the NASDTEC Interstate
Contract, provided the program was completed on or after January 1, 1964, and the
state in which the program is located would issue the candidate a comparable
endorsement; or
5. An out-of-State early childhood education program not approved by NASDTEC or
NCATE but approved by the department of education in the state in which the
program is located.

(c) For issuance of a provisional certificate, a candidate must:
1. Hold a preschool through grade three CE or CEAS;

2. Obtain and accept an offer of employment in a position that requires preschool through grade three certification; and

3. Be registered in a State-approved district training program upon employment and in accordance with N.J.A.C. 6A:9-8.3.

(d) No person shall be employed under provisional certification for more than a total of four years in a position requiring certification as a teacher of preschool through grade three.

(e) While teaching under a provisional preschool through grade three endorsement, the candidate shall participate in a State-approved district training program. The State-approved district training program shall comply with the requirements in N.J.A.C. 6A:9-8.3 except for N.J.A.C. 6A:9-8.3(b)3 and (c).

(f) Provisional teachers holding a preschool through grade three CE shall earn a minimum of 200 hours or 13 semester-hour credits of preschool through grade three pedagogy at a Department-approved New Jersey college or university program. Instruction shall include:

1. Child development and learning, including studies designed to foster understanding of the dynamic continuum of development and learning in children from birth through age eight. Required topics are cognitive and linguistic factors that affect learning and development; the creation of a climate that fosters and nurtures diversity and equity for all children, including those who are limited English proficient and those with special needs, and which addresses multiple intelligences and diverse learning styles; the integration of play; and language and literacy across the curriculum;
2. Understanding family and community, including studies designed to foster an understanding of the significant roles of families and communities. Required topics are the recognition of children at risk; the establishment of linkages with community resources to support families; the recognition and acceptance of diverse family units, including family participation on the educational team; the impact of children’s homes, communities, health and cultural experiences on development and learning; and comprehension of social, historical, political, legal and philosophical constructs that impact upon children, families and communities; and

3. Curriculum and assessment, including studies designed to foster an understanding of the importance of implementing developmentally appropriate principles and practices. Required topics include the CCCS and early childhood expectations; responsiveness to cultural and linguistic differences with an equitable and individualized focus; activities designed to foster intellectual stimulation through play; implementation of developmentally appropriate techniques of guidance and group management to create a safe classroom environment; and assessment that is multidimensional, ongoing and performance based.

(g) The following are requirements for the standard certificate:

1. Candidates shall possess a provisional certificate pursuant to (c) above and complete a State-approved training program pursuant to (d) above; or

2. Candidates shall complete a State-approved college early childhood teacher preparation program in another state, fulfill the test requirement, and present evidence of a minimum of one year of successful early childhood teaching
experience under a valid out-of-State early childhood education certificate/license.

(h) A teacher holding a standard elementary school endorsement valid in grades nursery through eight issued no later than March 1, 2008, with the equivalent of two academic years of full-time experience teaching three- and four-year-olds under the certificate may teach children in preschool in a public school or Department of Human Services facility. The teaching experience must be in a position that would require the preschool through grade three endorsement. It shall be the responsibility of the public school district and Department of Human Services facility to maintain a copy of documentation that supports the preschool teaching experience for each teacher affected by this subsection.

(i) A teacher holding a standard New Jersey nursery school endorsement authorizes the holder to teach in preschool and kindergarten in all public school districts pursuant to N.J.A.C. 6A:9-9.2(b)4.

(j) Except as indicated in N.J.A.C. 6A:9-11.2 and 11.7, holders of other standard instructional teaching certificates may obtain a standard teacher of preschool through grade three endorsement upon completion of the academic and test requirements listed in (a) above and a minimum of 13 semester-hour credits in areas listed in (f) above. Except as indicated in N.J.A.C. 6A:9-11.2 and 11.7, holders of other instructional CEASs may obtain a teacher of preschool through grade three CEAS upon completion of the academic and test requirements listed in (a) above and a minimum of 13 semester-hour credits in areas listed in (f) above.
(k) Holders of a standard instructional certificate with a preschool through grade three endorsement shall be issued additional instructional endorsements where they meet the requirements at N.J.A.C. 6A:9-8.1(a)1, 3 and 4 and 8.3(b)4.

(l) A candidate who graduates on or after September 1, 2004, with a GPA that is below 2.75, but at least 2.50 when a GPA of 4.00 equals an A grade, and whose score in the appropriate State test of subject matter knowledge exceeds the passing score by 10 percent or more will meet the requirements of (a)2 and (a)5 above. This alternative requirement to (a)2 and (a)5 above should not be construed as a waiver to N.J.A.C. 6A:9-17.16.

(m) A candidate who graduates with a GPA that is 3.50 or higher, when a GPA of 4.00 equals an A grade, but whose score in the appropriate State test of subject matter knowledge falls below the passing score by no more than five percent will meet the requirements of (a)2 and (a)5 above. This alternative requirement to (a)2 and (a)5 above should not be construed as a waiver to N.J.A.C. 6A:9-17.16.

(n) A candidate who has graduated from a regionally accredited college or university that does not award grades and does not calculate GPAs shall be exempt from the requirements in (a)2 above. Upon application, the candidate shall provide the Office with an original registrar’s letter from the college or university bearing the college or university seal and clarifying the institution’s policy regarding GPAs. The candidate shall satisfy all other requirements for certification, without exception.

6A:9-11.2 Career and technical education certification requirements
Career and technical education endorsements authorize the holder to teach career and technical education programs in all public schools. Specific career and technical education endorsements are based on the candidate’s Department-approved employment or self-employment experience, bachelor’s degree, and/or associate degree. Endorsements are organized under the following career clusters and are listed on the Department’s website:

1. Agriculture, Food and Natural Resources: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the production, processing, marketing distribution, financing and development of agricultural commodities and resources including food, fiber, wood products, natural resources, horticulture and other plant and animal products and resources.

2. Architecture and Construction: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the designing, planning, managing, building and maintaining the built environment.

3. Arts, Audio/Video Technology and Communications: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the designing, producing, exhibiting, performing, writing and publishing multimedia content including visual and performing arts and design, journalism and entertainment services.

4. Business, Management and Administrative: Endorsements are authorized under this career cluster for career and technical education programs that prepare
students for careers related to the planning, organizing, directing, and evaluating business functions essential to efficient and productive business operations.

5. Education and Training: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and provision of education and training services, and related learning support services.

6. Finance: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to services for financial and investment planning, banking, insurance and business financial management.

7. Government and Public Administration: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to governance, national security, foreign service, revenue and taxation, regulation and management and administration at the local, state and Federal levels.

8. Health Science: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and provision of therapeutic services, diagnostic services, support services and biotechnology research and development.

9. Hospitality and Tourism: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the management, marketing and operations of restaurants and other food services, lodging, attractions, recreation events and travel-related services.
10. Human Services: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to families and human needs.

11. Information Technology: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the designing, developing, supporting and managing hardware, software, multimedia and systems integration services.

12. Law, Public Safety, Corrections and Security: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and provision of legal, public safety, protective services and homeland security, including professional and technical support services.

13. Manufacturing: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and performance of materials processing into intermediate or final products and related professional and technical support activities such as production planning and control, maintenance and manufacturing/process engineering.

14. Marketing: Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management, and performance of marketing activities to reach organizational objectives.
15. **Science, Technology, Engineering and Mathematics:** Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and provision of scientific research and professional and technical services, including laboratory and testing services, and research and development services.

16. **Transportation, Distribution and Logistics:** Endorsements are authorized under this career cluster for career and technical education programs that prepare students for careers related to the planning, management and movement of people, materials and goods by road, pipeline, air, rail and water, and related professional and technical support services such as transportation infrastructure planning and management, logistics services, mobile equipment and facility maintenance.

(b) Districts seeking to establish a new career and technical education program for which a career and technical education endorsement does not currently exist may submit a request to the Department to establish a new career and technical education endorsement.

(c) Candidates for career and technical education instructional endorsements must complete the requirements in this subsection.

1. To be eligible for the CE, the candidate shall:

   i. For experienced-based endorsements: All candidates for an experienced-based endorsement shall pass an examination in physiology, hygiene, and substance abuse issues pursuant to N.J.A.C. 6A:9-5.8. If the candidate seeks an endorsement in a regulated occupation for which a State-issued occupational license, certificate, or registration is required for employment
in or practice of the occupation, the candidate shall also hold the State-issued occupational license, certificate, or registration. The employing district shall recommend for approval the candidate’s experience pursuant to criteria and procedures established by the Department in this subsection. Candidates shall meet one of the following requirements:

(1) Employment experience: The candidate shall present a minimum of four years of Department-approved and documented employment experience, which will be equivalent to 8,000 hours of employment. The employment experience must be acquired within 10 years of the endorsement application and must be verified by the applicant’s employer(s).

(A) Teaching experience in the occupation cannot be used as a substitute for the required four years of occupational experience; however, the Department may consider teaching experience in an apprenticeship training program registered with the United States Department of Labor or equivalent state agency as evidence of eligible employment experience.

(B) Industry credentials will be identified by the Department, in consultation with experts from education and business, which may be considered equivalent to the employment experience requirement in this subsection.
(2) Self-employment: The candidate shall present a notarized letter from a tax preparer and/or an attorney verifying the following:

(A) The candidate has filed State and/or Federal taxes for the self-employment using a Federal U.S. Census North American Industry Classification System (NAICS) that is appropriate for the endorsement; and

(B) The candidate’s self-employment experience meets the minimum of four years of employment experience, which will be equivalent to 8,000 hours of employment, within 10 years of the certificate application.

(3) Military experience: Candidates shall present a Military Discharge certificate (DD-214) indicating military qualifications and occupational training received to determine the extent of credit to be applied toward satisfying the employment experience requirements pursuant to (c)1i(1) above.

ii. For degree-based endorsements using a baccalaureate degree or higher:

The candidate shall possess a four-year degree or higher in a Department-approved subject area for the endorsement and shall complete at least 30 credits in a coherent sequence of courses in the subject area from a regionally accredited college or university. The candidate shall pass an examination in physiology, hygiene, and substance abuse issues pursuant to N.J.A.C. 6A:9-5.8. If the candidate seeks an endorsement in a regulated occupation for which a State-issued occupational license, certificate, or
registration is required for employment in or practice of the occupation, the candidate shall also hold the State-issued occupational license, certificate, or registration.

(1) Candidates with a four-year degree or higher who graduate on or after September 1, 2004, with a GPA that is below 2.75 in a four-year degree program, but at least 2.50 when a GPA of 4.00 equals an A grade, and for whom no State-endorsed test is available, may meet the requirements of (c)1ii above by submitting evidence of a minimum of two years (4,000 hours) of full-time employment or equivalent part-time employment pursuant to (c)1i(1) above.

iii. For degree-based endorsements using an associate’s level degree: The candidate shall possess a two-year degree in a Department-approved subject area for the endorsement and shall complete at least 30 credits in a coherent sequence of courses in the subject area from a regionally accredited college or university. The candidate shall also submit evidence of a minimum of two years of eligible employment, which will be equivalent to 4,000 hours of employment, pursuant to (c)1i(1) above. The candidate shall pass an examination in physiology, hygiene, and substance abuse issues pursuant to N.J.A.C. 6A:9-5.8. If the candidate seeks an endorsement in a regulated occupation for which a State-issued occupational license, certificate, or registration is required for employment in or practice of the occupation, the candidate shall also hold the State-issued occupational license, certificate, or registration.
(1) Candidates using an associate’s level degree who do not meet the GPA requirements identified under (c)1ii(1) above, and for whom no State-endorsed test is available, are required to apply for a certificate as per the requirements of (c)1i above.

2. To be eligible for the CEAS, the candidate shall:
   i. Hold a bachelor’s or an advanced degree from a regionally accredited college or university;
   ii. Complete at least 30 credits in a coherent sequence of courses appropriate to the endorsement. At least 12 semester-hour credits must be at the advanced level of study, including the junior, senior, or graduate level study. All coursework must appear on the transcript of a regionally accredited college or university;
   iii. Pass the appropriate State test of subject matter knowledge. A candidate who graduates with a GPA that is 3.50 or higher, when a GPA of 4.00 equals an A grade, but whose score in the appropriate State test of subject matter knowledge falls below the passing score by no more than five percent will meet the requirements of (c)1ii above. This alternative requirement to (c)1ii above should not be construed as a waiver to N.J.A.C. 6A:9-17.16;
   i. A candidate who graduates on or after September 1, 2004, with a GPA that is below 2.75, but at least 2.50 when a GPA of 4.00 equals an A grade, and whose score in the appropriate State test of subject matter knowledge exceeds the passing score by 10 percent or more will meet
the requirements of (c)1ii above. This alternative requirement to (c)1ii above should not be construed as a waiver to N.J.A.C. 6A:9-17.16;

v. Pass an examination in physiology, hygiene, and substance abuse issues pursuant to N.J.A.C. 6A:9-5.8; and

vi. Complete one of the following programs of teacher preparation that culminates in student teaching:

(1) A New Jersey college program, graduate or undergraduate, approved by the Department for the preparation of teachers pursuant to N.J.A.C. 6A:9-10;

(2) A college preparation program included in the interstate certification reciprocity system of NASDTEC;

(3) An out-of-State teacher education program approved by NCATE, TEAC or any other national professional education accreditation body recognized by the Council on Higher Education Accreditation approved by the Commissioner;

(4) A teacher education program approved for certification by the Department in one of the states party to the NASDTEC Interstate Contract, provided the program was completed on or after January 1, 1964, and the state in which the program is located would issue the candidate a comparable endorsement; or

(5) An out-of-State college teacher education program approved by the department of education in the state in which the program is located.
3. To be eligible for the provisional certificate, the candidate shall:
   i. Hold a CE or CEAS in the endorsement area required for the teaching assignment;
   ii. Obtain and accept an offer of employment in a position that requires the endorsement that the candidate holds; and
   iii. Be registered in a State-approved district training program for career and technical education provisional teachers, including provisional business, family and consumer science, and agriculture teachers, upon employment and in accordance with N.J.A.C. 6A:9-8.3.

4. While teaching under the provisional certificate, the candidate shall participate in a State-approved district training program. The State-approved district training program shall comply with the requirements of N.J.A.C. 6A:9-8.3. Any school district that employs a novice teacher who has not yet passed basic-skills tests required in (c)5i below shall provide ongoing support through the novice teacher’s supervisor to ensure that the novice teacher’s students receive appropriate feedback on basic skills for their class work. The school district shall also provide ongoing support to prepare the novice teacher to pass the basic-skills tests.

5. To be eligible for the standard certificate, the candidate shall satisfy one of the following:
   i. Possess a provisional certificate pursuant to N.J.A.C. 6A:9-8.2, complete a State-approved training program pursuant to N.J.A.C. 6A:9-8.3 and 8.4, and pass a State-approved test of basic skills in reading, writing, and
mathematics prior to renewal of the provisional certificate or, if a renewal is not required, prior to approval for the standard certificate; or

ii. Complete a State-approved college teacher preparation program in another state that meets the requirements of (e)2 above, and have a minimum of one year of successful teaching experience under a valid out-of-State certificate/license.

(d) Holders of standard instructional certificates with other endorsements, except as indicated in N.J.A.C. 6A:9-11.1 and 11.7, may obtain a career and technical education endorsement upon completion of the experience requirement or the academic major and test requirement.

(e) Holders of vocational-technical instructional endorsements issued prior to January 20, 2004, remain valid. These teachers are authorized to teach in the career and technical education programs for which they hold endorsements. A crosswalk of these former certificates that identifies under which of the new career clusters the teacher’s certificate falls is available on the Department’s website.

(f) A candidate who has graduated from a regionally accredited college or university that does not award grades and does not calculate GPAs shall be exempt from the requirements in (c)1i(2) above. Upon application, the candidate shall provide the Office with an original registrar’s letter from the college or university bearing the college or university seal and clarifying the institution’s policy regarding GPAs. The candidate shall satisfy all other requirements for certification, without exception.
(a) The following are special education endorsements and authorizations:

1. Teacher of students with disabilities: This endorsement authorizes teaching students with disabilities.

2. Teacher of the blind or visually impaired: This endorsement authorizes teaching blind or visually impaired students.

3. Teacher of the deaf or hard-of-hearing for oral/aural communication: This endorsement authorizes teaching deaf or hard-of-hearing students using oral/aural communication strategies.

4. Teacher of the deaf or hard-of-hearing for sign language communication: This endorsement authorizes teaching deaf or hard-of-hearing students using sign language communication strategies.

5. Holders of special education endorsements as set forth in (a)1 through 4 above also may provide consultative services and supportive resource programs, including supplemental instruction, modification and adaptation of curriculum and instruction to students with disabilities in general education programs in grades preschool through 12.

(b) To be eligible for a CE in special education, the candidate shall:

1. Possess or be eligible for a standard or provisional New Jersey instructional certificate with an endorsement appropriate to the subject or grade level to be taught; and
2. For the deaf or hard of hearing for sign language communication endorsement, achieve an intermediate or higher score on the Sign Communication Proficiency Interview (SCPI).

(c) To be eligible for the CEAS in special education, the candidate who has met the requirements in (b)1 above shall complete one of the programs of teacher preparation set forth in (c)1 through 5 below. In addition to the CEAS in special education, candidates for the deaf or hard of hearing with sign language communication endorsement must achieve an intermediate or higher score on the SCPI.

1. A program, graduate or undergraduate, for the preparation of special education teachers at a regionally accredited college or university;

2. A special education college preparation program included in the interstate certification reciprocity system of NASDTEC;

3. An out-of-State special education teacher education program approved by NCATE;

4. A special education teacher education program approved for certification by the state department of education in one of the states party to the NASDTEC Interstate Contract, provided the program was completed on or after January 1, 1964, and the state in which the program is located would issue the candidate a comparable certificate; or

5. An out-of-State special education teacher preparation program approved by the department of education in the state in which the program is located.

(d) For issuance of a provisional certificate a candidate must:

1. Hold a CE or CEAS in the special education endorsement area and the instructional endorsement required for the teaching assignment;
2. Obtain and accept an offer of employment in a position that requires special education certification;

3. Be registered in a State-approved district training program upon employment and in accordance with N.J.A.C. 6A:9-8.3; and

4. For holders of a special education CE, be enrolled in a program at a regionally accredited college or university that includes a range of 21 to 27 credit hours in the topics listed in (e), (f), (g), or (h) below.

(e) Except as provided in (f), (g), and (h) below, while teaching under a provisional certificate with a students with disabilities endorsement, the candidate shall complete:

1. An approved district training program pursuant to N.J.A.C. 6A:9-8.3 and 8.4 concurrently with or followed by the requirement in (e)2 below. The requirements of N.J.A.C. 6A:9-8.3 and 8.4 shall not apply to holders of standard instructional certificates if previously completed; and

2. A program at a regionally accredited college or university that includes a range of 21 to 27 credit hours of formal instruction in the following topics:

   i. Philosophical, historical and legal foundations of special education;

   ii. Characteristics of students with disabilities;

   iii. Standardized and functional assessment;

   iv. Strategies for the development of literacy;

   v. Curriculum planning, learning environments, modifications and materials for students with disabilities;

   vi. Inclusive education practices, positive behavioral supports, communication and collaborative partnerships;

   vii. Assistive technology; and
viii. Transition planning, program development and agencies available for students with disabilities.

(f) While teaching under a provisional certificate with a blind or visually impaired endorsement, the candidate shall complete:

6A:9-11.20 Individuals enrolled in degree programs prior to January 7, 2008
A candidate who matriculates and enrolls in a State-approved teacher preparation program in accordance with the applicable subsection of N.J.A.C. 6A:9-11.13 through 11.17, on or after January 7, 2009, shall be required to complete all requirements of the applicable subsection above effective as of January 7, 2008. A candidate who is matriculated and enrolled in an out-of-State approved teacher preparation program in accordance with the applicable section of N.J.A.C. 6A:9-11.13 through 11.17, prior to January 7, 2009, and applied to the Office for certification no later than January 7, 2010, shall complete all requirements under former N.J.A.C. 6A:9-8.1, as effective January 6, 2008. A candidate who did not apply to the Office for certification by January 7, 2010, shall fulfill the applicable requirements under N.J.A.C. 6A:9-11.13 through 11.17 in this section.

6A:9-11.21 Requirements for interstate reciprocity

(a) Notwithstanding any other provision of this subchapter, any applicant for instructional certification who presents a valid instructional certificate issued by any other state shall, upon payment of the appropriate fee, be issued a New Jersey instructional certificate for the equivalent and currently-issued New Jersey grade-level or subject endorsement and certificate level covered by this subchapter, that is, a New Jersey CE, CEAS, or standard certificate. If there is no equivalent current New Jersey endorsement, then the provisions of N.J.A.C. 6A:9-11.1 through 11.18 shall apply to the applicant. There are three limitations to this rule:

1. If New Jersey has an equivalent endorsement with required subject matter test for the applicant’s endorsement, the applicant shall have passed a state subject matter
test to receive his or her out-of-State endorsement or else must pass the appropriate New Jersey subject matter test;

2. Candidates who have not taught successfully for three years under their out-of-State certificate shall be required to meet the New Jersey GPA requirement. Successful teaching experience shall be documented by a letter of experience from the applicant’s supervisor or authorized district representative; and

3. Applicants for the swimming and water safety certificate must meet all requirements specified in N.J.A.C. 6A:9-11.12.

**SUBCHAPTER 12. REQUIREMENTS FOR ADMINISTRATIVE CERTIFICATION**

6A:9-12.1 Use of requirements

(a) These requirements will be used by the Department as the basis for the following:

1. Approving college preparation programs for administrative and supervisory personnel;

2. Approving non-traditional programs offered by service providers for administrative and supervisory personnel;

3. Evaluating the eligibility of candidates for administrative or supervisory certification; and

4. Defining the nature and extent of experience used in development of residencies required of administrative candidates for certification.
6A:9-12.2 College degrees

All candidates for administrative and supervisory certification, except as indicated in N.J.A.C. 6A:9-12.7, must hold a master’s or higher degree from a regionally accredited college or university.

6A:9-12.3 Authorization

(a) The school administrator endorsement is required for any position that involves services as a district-level administrative officer. Such positions shall include superintendent, assistant superintendent, and director. Holders of this endorsement are authorized to provide educational leadership by directing the formulation of districtwide goals, plans, policies, and budgets, by recommending their approval by the district board of education and by directing their districtwide implementation. Holders of this endorsement are authorized to recommend all staff appointments and other personnel actions, such as terminations, suspensions, and compensation, including the appointment of school business administrators, for approval by the district board of education. Holders of this endorsement are authorized to direct district operations and programs, and to supervise and evaluate building administrators and central office staff, including school business administrators. They are also authorized to oversee the administration and supervision of school-level operations, staff, and programs.

(b) The principal endorsement is required for any position that involves service as an administrative officer of a school or other comparable unit within a school or school
district. Such positions shall include assistant superintendent for curriculum and instruction, principal, assistant principal, vice-principal, and director. The holder of a standard principal endorsement is also authorized to serve in the position of supervisor. Holders of this endorsement are authorized to provide educational leadership by directing the formulation of goals, plans, policies, budgets, and personnel actions of the school or other comparable unit, and recommending them to the chief district administrator, and by directing their implementation in the school or other comparable unit. Holders of this endorsement also are authorized to direct and supervise all school operations and programs, to evaluate school staff, including teaching staff members, and to direct the activities of school-level supervisors.

(c) The supervisor endorsement is required for both supervisors of instruction and athletic directors who do not hold a standard principal’s endorsement. The supervisor shall be defined as any school officer who is charged with authority and responsibility for the continuing direction and guidance of the work of instructional personnel. This endorsement also authorizes appointment as an assistant superintendent in charge of curriculum and/or instruction.

(d) The school business administrator endorsement is required for the chief financial officer of a district. Such positions shall include assistant superintendent for business, school business administrator, and assistant school business administrator. Holders of this endorsement are authorized to perform duties at the school district level in the areas of financial budget planning and administration, financial accounting and reporting, insurance/risk administration, and purchasing. Holders of this endorsement may also engage in facilities planning, construction and maintenance, personnel administration,
administration of transportation and food services, and central data processing management.

6A:9-12.4 School administrator

(a) To be eligible for the school administrator CE, the candidate shall:

1. Complete one of the following:
   i. Hold a master’s or higher degree from a regionally accredited college or university in educational leadership, in curriculum and instruction, or in one of the recognized fields of leadership or management;
   ii. Hold a master’s degree from a regionally accredited college or university and complete a post-master’s program resulting in a certificate of advanced study in educational administration and supervision;
   iii. Hold a master’s degree from a regionally accredited college or university and complete a post-master’s program in a coherent sequence of 30 semester-hour credits as they appear on the institution’s transcript. The study must be completed at one institution in fields outlined in (a)1i above;
   iv. Hold a master’s degree from a regionally accredited college or university and complete a State-approved certification program in educational leadership offered by providers approved by the Department pursuant to N.J.A.C. 6A:9-12.5(j)2 and (k)2; or
v. Hold a master’s degree in educational leadership from an NCATE- or TEAC-approved program at an out-of-State college or university;

2. Complete a minimum of 30 graduate credits either within the master’s program or in addition to it, in the following quality components of preparation to promote student learning as set forth in N.J.A.C. 6A:9-3.4(a)1 through 6. Candidates shall be promoting the success of every student by:
   i. Facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by all stakeholders;
   ii. Advocating, nurturing, and sustaining a school culture and instructional program conducive to student learning and staff professional growth;
   iii. Ensuring management of the organization, operation, and resources for a safe, efficient, and effective learning environment;
   iv. Collaborating with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources;
   v. Acting with integrity, fairness, and in an ethical manner; and
   vi. Understanding, responding to, and influencing the political, social, economic, legal, and cultural context;

3. Complete a 150-hour internship in educational leadership aligned to the professional standards for school leaders in N.J.A.C. 6A:9-3.4 and in accordance with the roles and responsibilities as a school administrator, independent of other course requirements. This internship must either appear on the transcript of a
four-year regionally accredited college or university or must be certified by a Department-approved program for preparing school administrators;

4. Pass a State-approved examination of knowledge that is acquired through study of the topics listed in (a)2 above, aligned with the Professional Standards for School Leaders and that is most directly related to the functions of superintendents as defined in N.J.A.C. 6A:9-12.3(a); and

5. Complete five years of successful educational experience in a public or nonpublic school, a public or nonpublic school district, or a regionally accredited higher educational setting in New Jersey or out-of-State.

(b) A candidate who matriculates and enrolls in a State-approved educational leadership preparation program on or after September 1, 2008, shall be required to complete all requirements of (a) above effective as of January 7, 2008. A candidate who matriculated and enrolled in a State-approved educational leadership preparation program prior to September 1, 2008, and applied to the Office no later than December 31, 2011, shall complete all requirements under former N.J.A.C. 6A:9-12.4, as effective January 6, 2008. A candidate who did not apply to the Office by December 31, 2011, shall fulfill the requirements in this section.

(c) To be eligible for a provisional school administrator’s endorsement, the candidate shall:

1. Hold a school administrator CE; and

2. Obtain and accept an offer of employment in a position requiring the school administrator certificate in a public school district that has agreed formally to sponsor the residency.
(d) To be eligible for the standard administrative certificate with a school administrator endorsement, the candidate shall:

1. Possess a provisional certificate pursuant to (a) and (b) above; and

2. Complete a one- to two-year State-approved residency program while employed under provisional certification in a public school district. However, the Commissioner is authorized to reduce or remove the residency based on the prior experience of the candidate. The residency program shall:
   
i. Take place in a functioning public school district environment or may take place in an approved alternate site that serves public school students;

   ii. Require the candidate to develop a thorough understanding of the CCCS; the Professional Standards for Teachers as defined in N.J.A.C. 6A:9-3.3; and the Professional Standards for School Leaders as defined in N.J.A.C. 6A:9-3.4. Candidates shall demonstrate that understanding through activities illustrating the promotion of excellence in teaching and learning, and by providing educational leadership to the district;

   iii. Be conducted in accordance with a standard agreement issued by the Department and entered into by the Department, the employing school district, the candidate and the residency mentor. No residency program may be undertaken without a valid agreement;

   iv. Be administered by a State-approved mentor, an experienced administrator who has completed a State-approved orientation and who shall supervise and verify completion of all required experiences and training by the candidate. The mentor and the school district shall, at the start of the
residency, submit to the Department a written recommendation on State-developed forms concerning any areas of professional experience that should be waived and any additional teaching or other special experiences, if any, that the individual candidate should complete before achieving standard certification. Department review and subsequent approval shall consider the candidate’s past work experience and recommended standards-based performance goals during residency, and shall be specified in the standard written agreement; and

v. Provide professional experiences, training and instruction as defined in the Professional Standards for School Leaders and in the areas of school district planning and policy formulation; district board of education operations and relations; supervision of districtwide programs of curriculum, instruction, and student services; collegial management, participatory decision-making, and professional governance; the roles, supervision, and evaluation of central office staff and school principals; district financial, legal, and business operations; management of district operations; school facilities; labor relations and collective bargaining; government and community relations; and school law.

(e) Each candidate for the standard administrative certificate with a school administrator endorsement shall be evaluated formally by the mentor on at least three occasions for purposes of certification. The first two evaluations shall be conducted mainly for diagnostic purposes. The final evaluation shall be the basis for issuance of the candidate’s standard certificate. All performance evaluations shall be aligned with the
Professional Standards for School Leaders as defined in N.J.A.C. 6A:9-3.4 and reported on State-developed forms. The mentor shall discuss each evaluation with the candidate, and the mentor and candidate shall sign each report as evidence of such discussion. Upon completion of each evaluation, the report shall be sent to the Department; the final evaluation shall be accompanied by the recommendation for certification pursuant to (h) below.

(f) Each mentor shall form an advisory panel of practicing educators and shall convene this panel on at least three occasions for purposes of reviewing the resident’s progress and soliciting advice concerning the certification of the candidate. The mentor may seek the informal input of the employing district board of education concerning the standard certification of the candidate.

(g) The mentor shall meet with the resident superintendent at least once a month during the residency. The mentor shall be available on a regular basis to provide assistance or advice upon request of the resident superintendent. The Department may require resident superintendents to pay fees to cover the cost of the training and mentoring services that will qualify them for certification and employment.

(h) Standard certification for school administrator endorsement candidates shall be approved or disapproved pursuant to the following procedures:

1. Before the end of the residency period, the mentor shall submit to the Department a comprehensive evaluation report on the candidate’s performance pursuant to (d) above.

2. This final report shall include one of the following certification recommendations:
   i. Approved: Recommends issuance of a standard certificate;
ii. Insufficient: Recommends that a standard certificate not be issued but that
the candidate be allowed to continue the residency or seek admission to an
additional residency for one additional year; or

iii. Disapproved: Recommends that a standard certificate not be issued and
that the candidate be prevented from continuing or re-entering a residency.

3. Mentors act as agents of the Board of Examiners in formulating their certification
recommendations. Those recommendations shall not be subject to review or
approval by district boards of education.

4. Candidates who receive a recommendation of “approved” shall be issued a
standard certificate.

5. The mentor shall provide the candidate with a copy of the candidate’s written
evaluation report and recommendation before submitting it to the Department.

6. If the candidate disagrees with the mentor’s recommendation, the candidate may
appeal the recommendation pursuant to N.J.A.C. 6A:9-17.18.

(i) Candidates who receive a recommendation of “disapproved” or two or more
recommendations of “insufficient” may petition the Board of Examiners for approval of
additional opportunities to seek provisional employment in districts other than those in
which they received unfavorable recommendations. The candidate shall be responsible
for demonstrating why he or she would be likely to succeed if granted the requested
opportunity. Disapproval of any candidate’s request by the Board of Examiners may be
appealed to the Commissioner pursuant to N.J.A.C. 6A:9-17.18(b).
(j) An experienced New Jersey principal who holds a master’s degree or higher in a field other than those outlined in (a)1 above, may satisfy the degree requirement by meeting the requirements in (a)4 above and upon presentation of the following:

1. A valid, standard New Jersey principal endorsement; and
2. Official documentation of five years of successful full-time experience as a principal or assistant superintendent of curriculum and instruction in a New Jersey public school or in an approved alternate site that serves public school students.

(k) Other provisions of this chapter notwithstanding, the Board of Examiners shall issue a CE, a provisional certificate, and a standard certificate for school administrator to a candidate for appointment as chief school administrator in school districts in which the State appoints the chief school administrator under the following conditions:

1. The Commissioner shall direct the Board of Examiners to issue a CE to the candidate if he or she:
   i. Possesses a bachelor’s or higher degree from a regionally-accredited four-year college or university;
   ii. Has sufficient management and executive leadership experience in a public or private organization as determined by the Commissioner to allow the candidate to successfully administer the State district. The candidate will document his or her experience in alignment with the Professional Standards for School Leaders in N.J.A.C. 6A:9-3.4, and the Commissioner will align his or her review of the candidate’s documented experience to the standards. The Commissioner will base his or her judgment of the candidate’s relevant experience upon this review; and
iii. Passes a criminal history review prior to issuance of the CE.

2. The Board of Examiners shall issue a provisional certificate to the candidate meeting the criteria in (k)1 above upon appointment by the State Board of the candidate as State district superintendent pursuant to N.J.S.A. 18A:7A-35.

3. The Board of Examiners shall issue a standard certificate to the candidate if the candidate:
   i. Has successfully completed a residency per (d) through (h) above;
   ii. Has successfully passed two formative performance reviews and one summative performance review by the Department on a schedule to be set by the Department. The performance reviews shall be based in part upon a portfolio prepared by the candidate that documents his or her experience in the superintendent position as aligned to the Professional Standards for School Leaders in N.J.A.C. 6A:9-3.4; and
   iii. Has passed a Department-approved assessment for school administrators.

(l) Other provisions of this chapter notwithstanding, there is hereby established a five-year pilot program under which the Board of Examiners shall issue a CE, a provisional certificate, and a standard certificate for school administrator to a successful candidate for appointment as chief school administrator under the following conditions:

1. Such certifications may be issued and appointments may be made in a school district that is listed as a district in need of improvement on the Department’s Annual Yearly Progress report as of July 13, 2011.
2. School districts satisfying the criteria in (n)1 above may request permission from the Commissioner to recruit candidates for chief school administrator according to the criteria in (n)3 below.

3. The Commissioner shall direct the Board of Examiners to issue a CE to the candidate if he or she:
   i. Possesses a bachelor’s or higher degree from a regionally-accredited four-year college or university;
   ii. Has sufficient management and executive leadership experience in a public or private organization as determined by the Commissioner to allow the candidate to successfully administer the State district. The candidate will document his or her experience in alignment with the Professional Standards for School Leaders in N.J.A.C. 6A:9-3.4, and the Commissioner will align his or her review of the candidate’s documented experience to the standards. The Commissioner will base his or her judgment of the candidate’s relevant experience upon this review; and
   iii. Passes a criminal history review prior to issuance of the CE.

4. The Board of Examiners shall issue a provisional certificate to the candidate meeting the criteria in (l)3 above upon hiring a chief school administrator pursuant to N.J.S.A. 18A:17-15.

5. The Board of Examiners shall issue a standard certificate to the candidate if he or she:
   i. Has successfully completed a residency per (d) through (h) above;
ii. Has successfully passed two formative performance reviews and one summative performance review by the Department on a schedule to be set by the Department. The performance reviews shall be based in part upon a portfolio prepared by the candidate that documents his or her experience in the superintendent position as aligned to the Professional Standards for School Leaders in N.J.A.C. 6A:9-3.4; and

6. The Department will develop and conduct an evaluation for the pilot program and present an evaluation report to the State Board. In doing so, the Department may make use of outside evaluation specialists. In its conclusions, the Department will recommend whether to continue and, if so, whether to amend the pilot program as a permanent alternate route to certification.

**6A:9-12.5 Principal**

(a) To be eligible for the principal CE, the candidate shall:

1. Complete one of the following:
   i. Hold a master’s or higher degree from a regionally accredited college or university in educational leadership, in curriculum and instruction, or in one of the recognized fields of leadership or management;
ii. Hold a master’s degree from a regionally accredited college or university and complete a post-master’s program resulting in a CEAS in educational administration and supervision;

iii. Hold a master’s degree from a regionally accredited college or university and complete a post-master’s program in a coherent sequence of 30 semester-hour credits as they appear on the candidate’s transcript. The study must be completed at one institution in fields outlined in (a)1i above; or

iv. Hold a master’s degree from an appropriate NCATE- or TEAC-approved program in educational leadership from an out-of-State college or university;

2. Complete a minimum of 30 graduate credits, either within the master’s program or in addition to it, in the following quality components of preparation to promote student learning as set forth in N.J.A.C. 6A:9-3.4(a)1 through 6. Candidates shall be promoting the success of every student by:

   i. Facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by all stakeholders;

   ii. Advocating, nurturing, and sustaining a school culture and instructional program conducive to student learning and staff professional growth;

   iii. Ensuring management of the organization, operation, and resources for a safe, efficient, and effective learning environment;
iv. Collaborating with faculty and community members, responding to diverse community interests and needs, and mobilizing community resources;

v. Acting with integrity, fairness, and in an ethical manner; and

vi. Understanding, responding to, and influencing the political, social, economic, legal, and cultural context;

3. Complete a 300-hour internship in educational leadership aligned to the professional standards for school leaders in N.J.A.C. 6A:9-3.4 and in accordance with the roles and responsibilities as a principal, independent of other course requirements. This internship must either appear on the transcript of a four-year regionally accredited college or university or be certified by a Department-approved program for preparing school principals;

4. Pass a State-approved examination of knowledge that is acquired through study of the topics listed in (a)2 above and that is most directly related to the functions of principals as defined in N.J.A.C. 6A:9-12.3(b); and

5. Provide documentation evidencing completion of five years of successful educational experience under a valid provisional or standard New Jersey or equivalent out-of-State certificate.

(b) A candidate who matriculates and enrolls in a State-approved educational leadership preparation program on or after September 1, 2008, shall be required to complete all requirements of (a) above effective as of January 7, 2008. A candidate who matriculated and enrolled in classes in a State-approved educational leadership preparation program prior to September 1, 2008, and applied to the Office no later than December 31, 2011,
shall complete all requirements under former N.J.A.C. 6A:9-12.5, as effective January 6, 2008. A candidate who did not apply to the Office by December 31, 2011, shall fulfill the requirements in this section.

(c) To be eligible for a provisional principal certificate, the candidate shall:

1. Hold a principal CE; and
2. Obtain and accept an offer of employment in a position requiring the principal endorsement in a school or school district that has agreed formally to sponsor the residency.

(d) To be eligible for the standard administrative certificate with a principal endorsement, the candidate shall:

1. Possess a provisional certificate pursuant to (a) and (b) above; and
2. Complete a two-year State-approved residency program while employed under provisional principal certification in a school or school district. However, the Commissioner is authorized to reduce or remove the residency based on the prior experience of the candidate. The residency program shall:

i. Require the candidate to develop a thorough understanding of the CCCS; the Professional Standards for Teachers as defined in N.J.A.C. 6A:9-3.3; and the Professional Standards for School Leaders as defined in N.J.A.C. 6A:9-3.4. Candidates shall demonstrate that understanding through activities illustrating the promotion of excellence in teaching and learning and providing educational leadership to the school community;

ii. Be conducted in accordance with a standard agreement issued by the Department and entered into by the Department, the employing school
district, the candidate and the residency mentor. No residency program may be undertaken without a valid agreement;

iii. Be administered by a State-approved mentor, an experienced principal who has completed a State-approved training program implemented by a State-approved provider, and who shall supervise and verify completion of all required experiences and training by the candidate. The mentor and the school district superintendent shall, at the start of the residency, submit to the Department a written recommendation on State-developed forms concerning any areas of professional experience that should be waived and any additional teaching or other special experiences, if any, that the individual candidate should complete before achieving standard certification. Department review and subsequent approval shall consider the candidate’s past work experience and recommended standards-based performance goals during residency, and shall be specified in the standard written agreement; and

iv. Provide professional experiences, training, and instruction as defined in the Professional Standards for School Leaders and in the areas of curriculum leadership; supervision of instruction; pupil personnel services; personnel management; community relations; student relations; facilities management; school finance; school law; and technical administrative skills.

(e) Each candidate for the standard administrative certificate with a principal endorsement shall be evaluated formally by the mentor on at least six occasions for purposes of
certification. The first five evaluations shall be conducted mainly for diagnostic purposes. The final evaluation shall be the basis for issuance of the candidate’s standard certificate. All performance evaluations shall be aligned with the Professional Standards for School Leaders as defined in N.J.A.C. 6A:9-3.4 and reported on State-developed forms. The mentor shall discuss each evaluation with the candidate, and the mentor and candidate shall sign each report as evidence of such discussion. Upon completion of each evaluation, the report shall be sent to the Department; the final evaluation shall be accompanied by the recommendation for certification pursuant to (h) below.

(f) Each mentor shall form an advisory panel of practicing educators and shall convene this panel on at least three occasions for purposes of reviewing the resident’s progress and soliciting advice concerning the certification of the candidate.

(g) The mentor shall meet with the principal candidate at least once a month during the residency. The mentor shall be available on a regular basis to provide assistance or advice upon request of the candidate. The Department may require candidates to pay fees to cover the cost of the training and mentoring services that will qualify them for certification and employment.

(h) Standard certification of principal candidates shall be approved or disapproved pursuant to the following procedures:

1. Before the end of the residency period, the mentor shall submit to the Department a comprehensive evaluation report on the candidate’s performance pursuant to (e) above.

2. This final report shall include one of the following certification recommendations:
   i. Approved: Recommends issuance of a standard certificate;
ii. Insufficient: Recommends that a standard certificate not be issued but that the candidate be allowed to continue the residency or seek admission to an additional residency for one additional year; or

iii. Disapproved: Recommends that a standard certificate not be issued and that the candidate be prevented from continuing or re-entering a residency.

3. Mentors act as agents of the Board of Examiners in formulating their certification recommendations. Those recommendations shall not be subject to review or approval by local boards of education.

4. Candidates who receive a recommendation of “approved” shall be issued a standard certificate.

5. The mentor shall provide the candidate with a copy of the candidate’s written evaluation report and recommendation before submitting it to the Department.

6. If the candidate disagrees with the mentor’s recommendation, the candidate may appeal the recommendation pursuant to N.J.A.C. 6A:9-17.18.

   (i) A candidate who receives a recommendation of “disapproved” or two or more recommendations of “insufficient” may petition the Board of Examiners for approval of additional opportunities to seek provisional employment in districts other than those in which he or she received unfavorable recommendations. The candidate shall be responsible for demonstrating why he or she would be likely to succeed if granted the requested opportunity. Disapproval of any candidate’s request by the Board of Examiners may be appealed to the Commissioner pursuant to N.J.A.C. 6A:9-17.18(b).
(j) Each candidate who holds a valid New Jersey or out-of-State supervisor endorsement and a master's degree or higher in a field other than one required in (a)1 above will be eligible for a principal CE upon presenting the following:

1. Official documentation of five years of successful full-time experience as a supervisor of an instructional area or department related to the CCCS under a valid New Jersey or out-of-State supervisor certificate;

2. Official documentation evidencing completion of a New Jersey State-approved certification program in educational leadership offered by providers approved by the Department. This program shall include, but not be limited to:
   i. Preparation for educational leadership through experiences related to the performance-based Professional Standards for School Leaders and the CCCS;
   ii. Two hundred twenty-five clock hours of formal instruction in quality components of preparation to promote student learning as set forth in N.J.A.C. 6A:9-3.4(a)1 through 6 and delineated in (a)2i through vi above; and
   iii. A district internship consisting of a minimum of 300 hours providing professional experiences in school administration; and

3. Official documentation evidencing passage of a State-approved examination of knowledge that is acquired through study of the topics listed in (a)2 above, aligned with the Professional Standards for School Leaders, and that is most directly related to the functions of principals as defined in N.J.A.C. 6A:9-12.3(b).
(k) Each candidate who holds a valid New Jersey or out-of-State supervisor endorsement and a master’s degree or higher in a field other than one required in (a)1 above, but has zero to five years supervisory experience, will be eligible for a principal CE upon presenting the following:

1. Official documentation of five years of successful full-time teaching experience under a valid New Jersey or out-of-State teaching certificate;

2. Official documentation evidencing completion of a New Jersey State-approved certification program in educational leadership offered by providers approved by the Department. This program is pursuant to (j)2 above with the following exceptions: the program is a minimum of 275 clock hours plus a 300-hour internship;

3. Official documentation evidencing passage of a State-approved examination of knowledge that is acquired through study of the topics listed in (a)2 above, aligned with the Professional Standards for School Leaders, and that is most directly related to the functions of principals as defined in N.J.A.C. 6A:9-12.3(b).

(l) Each candidate who can provide documentation of at least five years of successful full-time teaching experience under a valid New Jersey or out-of-State teaching certificate and a master’s degree or higher in a field other than one required in (a)1 above will be eligible for a principal CE upon presenting the following:

1. Official documentation evidencing completion of a New Jersey State-approved certification program in educational leadership offered by providers approved by the Department. This program is pursuant to (j)2 above with the following
exceptions: the program is a minimum of 350 clock hours plus a 300-hour internship;

2. Official documentation evidencing passage of a State-approved examination of knowledge that is acquired through study of the topics listed in (a)2 above, aligned with the Professional Standards for School Leaders, and that is most directly related to the functions of principals as defined in N.J.A.C. 6A:9-12.3(b).

6A:9-12.6 Supervisor

(a) To be eligible for the standard administrative certificate with a supervisor endorsement, a candidate shall be required to:

1. Hold a master’s or higher degree from a regionally accredited college or university;

2. Successfully complete one of the following:

   i. A college curriculum approved by the Department as the basis for issuing this endorsement;

   ii. Twelve graduate-level semester-hour credits to include the following:

      (1) Three credits in general principles of instructional staff supervision in grades preschool through 12;

      (2) Three credits in general principles of curriculum design and development for grades preschool through 12;

      (3) Three elective credits in curriculum design and development; and

      (4) Three elective credits in instructional staff supervision and/or curriculum design and development; or
iii. A State-approved training program implemented by a State-approved provider as the basis for issuing this certificate; and

3. Hold a standard New Jersey instructional or educational services certificate or its out-of-State equivalent, and complete three years of successful, full-time teaching and/or educational services experience. Teaching and/or educational services experience completed in a New Jersey public school must have been under an appropriate New Jersey certificate.

6A:9-12.7 School business administrator

(a) To be eligible for the school business administrator CE, the candidate shall:

1. Hold a master’s degree or higher degree from a regionally accredited college or university or be in possession of a certified public accountant license; and

2. Complete at least 18 credits of graduate or undergraduate study in the following areas:

   i. Economics;

   ii. Law;

   iii. Accounting;

   iv. Organizational theory;

   v. Management or administration; and

   vi. Finance.

(b) To be eligible for a provisional administrative certificate with a school business administrator endorsement, the candidate shall:
1. Hold a school business administrator CE; and

2. Obtain and accept an offer of employment in a position that requires the school business administrator endorsement in a public school district or an approved private school for the disabled that has agreed formally to sponsor the residency.

(c) To be eligible for the standard administrative certificate with a school business administrator endorsement, the candidate shall:

1. Possess a provisional certificate pursuant to (a) and (b) above; and

2. Complete a one- to two-year State-approved district residency program while employed under provisional certification. The residency shall:

   i. Take place in a functioning public school district environment or in an approved private school for the disabled, and will require the candidate to develop a thorough understanding of the CCCS; the Professional Standards for Teachers as defined in N.J.A.C. 6A:9-3.3; and the Professional Standards for School Leaders as defined in N.J.A.C. 6A:9-3.4. Candidates shall demonstrate that understanding by providing support for the educational goals of the school district or an approved private school for the disabled;

   ii. Be conducted in accordance with a standard agreement issued by the Department and entered into by the Department, the employing school district or approved private school for the disabled, the candidate, and the residency mentor. No residency program may be undertaken without a valid agreement;
iii. Be administered by a State-appointed mentor, an experienced school business administrator who has completed a State-approved orientation and who shall supervise and verify completion of all required experiences and training by the candidate. The mentor and the school district superintendent or administrator of an approved private school for the disabled shall, at the start of the residency, submit to the Department a written recommendation on State-developed forms concerning any areas of professional experience that should be waived and any additional teaching or other special experiences, if any, that the individual candidate should complete before achieving standard certification. Department review and subsequent approval shall consider the candidate’s past work experience and recommended professional experiences during residency which shall be specified in the standard written agreement; and

iv. Provide professional experiences, training, and 145 clock hours of formal instruction in the areas of standards listed in (c)2i above; school plant planning, construction and maintenance; school financial and legal practices, including budget planning and administration and double entry accounting (GAAP); pupil transportation; labor relations and personnel; insurance/risk administration; and food service administration.

(d) Each candidate for the standard administrative certificate with an endorsement for school business administrator shall be evaluated formally by the mentor on at least three occasions for purposes of certification. The first two evaluations shall be conducted mainly for diagnostic purposes. The final evaluation shall be the basis for issuance of the
candidate’s standard certificate. All evaluations shall be based on the candidate’s performance in areas of authorization defined in N.J.A.C. 6A:9-12.3(d) and reported on State-developed forms. The mentor shall discuss each evaluation with the candidate, and the mentor and candidate shall sign each report as evidence of such discussion. Upon completion of each evaluation, the report shall be sent to the Department; the final evaluation shall be accompanied by the recommendation for certification pursuant to (g) below.

(e) Each mentor shall form an advisory panel of practicing educators and shall convene this panel on at least three occasions for purposes of reviewing the resident’s progress and soliciting advice concerning the certification of the candidate. The mentor may seek the informal input of the employing district board of education concerning the standard certification of the candidate.

(f) The mentor shall meet with the resident school business administrator at least once a month during the residency. The mentor shall be available on a regular basis to provide assistance or advice upon request of the resident school business administrator. The Department may require resident school business administrators to pay fees to cover the cost of the training and mentoring services that will qualify them for certification and employment.

(g) Standard certification of school business administrator certificate candidates shall be approved or disapproved pursuant to the following procedures:

1. Before the end of the residency year, the mentor shall submit to the Department a comprehensive evaluation report on the candidate’s performance pursuant to N.J.A.C. 6A:9-12.5(c).
2. This final report shall include one of the following certification recommendations:

i. Approved: Recommends issuance of a standard certificate;

ii. Insufficient: Recommends that a standard certificate not be issued but that the candidate be allowed to continue the residency or seek admission to an additional residency for one additional year; or

iii. Disapproved: Recommends that a standard certificate not be issued and that the candidate be prevented from continuing or re-entering a residency.

3. Mentors act as agents of the Board of Examiners in formulating their certification recommendations. Those recommendations shall not be subject to review or approval by local boards of education.

4. Candidates who receive a recommendation of “approved” shall be issued a standard certificate.

5. The mentor shall provide the candidate with a copy of the candidate’s written evaluation report and recommendation before submitting it to the Department.

6. If the candidate disagrees with the mentor’s recommendation, the candidate may appeal the recommendation pursuant to N.J.A.C. 6A:9-17.18.

(h) A candidate who receives a recommendation of “disapproved” or two or more recommendations of “insufficient” may petition the Board of Examiners for approval of additional opportunities to seek provisional employment in school districts or approved private schools for the disabled other than those in which he or she received unfavorable recommendations. The candidate shall be responsible for demonstrating why he or she would be likely to succeed if granted the requested opportunity. Disapproval of any
candidate’s request by the Board of Examiners may be appealed to the Commissioner pursuant to N.J.A.C. 6A:9-17.18(b).

(i) The requirements listed in (a) through (h) above shall not apply to persons who hold standard administrative certificates with the following endorsements issued before September 1, 1991: school business administrator, assistant superintendent for business, or assistant executive superintendent with specialization in business administration. Holders of those endorsements shall be entitled prospectively to apply for all positions in the general category of business administration.

(j) Board secretaries who lack certification but were assigned prior to September 1, 1991, to perform business administration functions as described in N.J.A.C. 6A:11-12.3(d) shall be permitted to retain indefinitely their positions in the districts in which they were employed prior to September 1, 1991.

(k) The requirements listed in (a)1 above shall not apply to persons who hold a standard administrative certificate or CE with a school business administrator endorsement.

6A:9-12.8 Requirements for interstate reciprocity

(a) Notwithstanding any other provision of this subchapter, any applicant for administrative certification who presents a valid administrative certificate issued by any other state shall, upon payment of the appropriate fee, be issued a New Jersey administrative certificate of eligibility for the equivalent New Jersey endorsements for school administrator, principal, or school business administrator, or shall be issued the equivalent New Jersey standard supervisor endorsement. If there is no equivalent current New Jersey endorsement, then
the provisions of N.J.A.C. 6A:9-12.1 through 12.7 shall apply to the candidate. There is one limitation to this rule:

1. If New Jersey has an equivalent endorsement with required subject matter test for the applicant’s endorsement, the applicant shall have passed a state subject matter test to receive his or her out-of-State endorsement or else must pass the appropriate New Jersey subject matter test. This limitation shall not apply if the applicant has five years of experience in good standing under the out-of-State certificate. Experience in good standing shall be documented by a letter of experience from the applicant’s supervisor or authorized district representative.

SUBCHAPTER 13. REQUIREMENTS FOR EDUCATIONAL SERVICES CERTIFICATION

6A:9-13.1 Qualifications/general provisions

(a) To be eligible for educational services certification, the candidate shall hold the appropriate degree and complete Department-required test(s) and one of the following:

1. A Department-approved educational services program at a New Jersey college or university;

2. An appropriate NCATE-approved educational services program at an out-of-State college or university;

3. Three years of successful full-time experience, or the equivalent in the appropriate field in another state under that state’s standard certificate authorizing such
service. The candidate shall hold a currently valid standard certificate from that state in the appropriate field. The experience shall occur in the seven years immediately prior to the application for the New Jersey educational services certificate; or

4. All requirements for individual educational services endorsements pursuant to N.J.A.C. 6A:9-13.3 through 13.22 as determined through a formal credentials evaluation completed by the Office.

(b) Holders of educational services certificates are authorized to serve in grades preschool through 12.

(c) Holders of educational services certificates that are no longer issued after January 20, 2004, may continue to serve in the service areas in which the teaching staff member was authorized to serve under the former rules.

6A:9-13.2 Student assistance coordinator

(a) The student assistance coordinator endorsement authorizes the holder to perform the functions of a student assistance coordinator (SAC) in grades preschool through 12. The position of SAC shall be separate and distinct from any other employment position in the school. The functions of the SAC may include:

1. Assisting with the in-service training of school staff concerning substance abuse and related issues and with the school district program to combat substance abuse;

2. Serving as an information resource for substance abuse prevention, curriculum development and instruction;
3. Assisting the district in revising and implementing substance abuse and related policies and procedures;

4. Developing and administering substance abuse and related intervention services in the school district;

5. Providing counseling and referral services to students regarding substance abuse and related problems; and

6. Cooperating with community service providers or other officials in the rendering of substance abuse and related treatment services.

(b) To be eligible for the SAC CE, the candidate shall present one of the following:

1. A bachelor’s or higher degree from a regionally accredited college or university, a valid New Jersey or out-of-State standard certificate as school psychologist, school social worker, school counselor, director of school counseling services or school nurse and evidence of graduate study in area (c)2i through iv below. These candidates are exempt from (c)2ix below;

2. A bachelor’s or higher degree from a regionally accredited college or university and a valid Licensed Clinical Alcohol and Drug Counselor credential issued by the New Jersey Alcohol and Drug Counselor Committee of the Marriage and Family Board and evidence of graduate study in areas (c)2iii and vi through viii below. These candidates are exempt from (c)2ix below; or

3. A bachelor’s or higher degree from a regionally accredited college or university and a valid Certified Prevention Specialist credential issued by the Addiction Professionals Certification Board of New Jersey and evidence of graduate study
in areas (c)2iv, v, vii and viii below. These candidates are exempt from (c)2ix below.

(c) To be eligible for the SAC CEAS, the candidate shall:

1. Hold a standard instructional certificate; a school psychologist, school social worker, school counselor, director of school counseling services, or school nurse endorsement; a valid Licensed Clinical Alcohol and Drug Counselor credential issued by the New Jersey Alcohol and Drug Counselor Committee of the Marriage and Family Board; a valid Certified Prevention Specialist credential issued by the Addiction Professionals Certification Board of New Jersey; or a master’s or higher degree from a regionally accredited college or university; and

2. Complete a Department-approved graduate program with a range of 21 to 27 semester-hour credits to include study in the following required areas:

   i. Fundamentals of drug and alcohol abuse and dependency and related problems;

   ii. Child and adolescent development, including research-based risk, protective and resiliency factors for students at risk for school failure;

   iii. Curriculum planning, implementation and staff development in chemical health education;

   iv. Coordination and delivery of intervention and referral services in a school setting, including multidisciplinary intervention teams;

   v. Assessment and counseling of drug and alcohol affected students and their families;
vi. Coordination of research-based prevention program services in school and community settings;

vii. School culture and the dynamics of policy and program development;

viii. School law as it relates to substance abuse and related problems; and

ix. A college-supervised SAC practicum.

(d) To be eligible for a provisional educational services certificate with a SAC endorsement, the candidate shall:

1. Possess a SAC CE or CEAS; and

2. Obtain an offer of employment in a position that requires the SAC certificate.

(e) To be eligible for a standard educational services certificate with a SAC endorsement, the candidate shall:

1. Possess a provisional educational services certificate with a SAC endorsement pursuant to (d) above;

2. Complete a Department-approved graduate program pursuant to (c) above; and

3. Complete a six-month State-approved school residency while employed full-time under a provisional educational services certificate with a SAC endorsement. If employed half-time, the residency period shall be 12 months. The residency program shall be conducted under the direction of a State-approved residency supervisor who shall hold standard New Jersey supervisor, principal or school administrator certification. The residency program shall:

   i. Operate in accordance with a residency agreement issued by the Department and entered into by the Department, the employing school, the candidate and the State-approved residency supervisor; and
ii. Consist of a supervised residency that includes professional experiences in chemical health curriculum planning, implementation and staff development, development and coordination of substance abuse intervention and referral services, development and coordination of prevention program services, and the development of school drug and alcohol policies and procedures.

(f) The State-approved residency supervisor shall have primary responsibility to assure that the candidate receives appropriate training, support, practicum experiences and professional opportunities in the critical job responsibilities specified in the agreement and consistent with (a) above. The residency supervisor shall also evaluate and verify the completion of all required experiences according to the terms and conditions of the residency agreement.

(g) Upon completion of the residency period, the supervisor shall complete a comprehensive evaluation report on the candidate’s performance based on the candidate’s ability to complete the job duties pursuant to N.J.S.A. 18A:40A-18(c) and to implement the theoretical concepts pursuant to (c)2 above. The supervisor shall discuss the evaluation report with the candidate, and the supervisor and candidate shall sign the report as evidence of such discussion. Upon completion of the evaluation, the evaluation shall be submitted to the Office. The evaluation on each candidate shall include one of the following recommendations:

1. Approved: Recommends issuance of a standard educational services certificate with a SAC endorsement;
2. Insufficient: Recommends that a standard educational services certificate with a SAC endorsement not be issued but that the candidate be allowed to continue the residency or seek admission to an additional residency. Except for those candidates who receive approval pursuant to N.J.A.C. 6A:9-17.18(d), a candidate who receives a second insufficient is precluded from continuing or re-entering a residency; or

3. Disapproved: Recommends that a standard educational services certificate with a SAC endorsement not be issued and that the candidate is precluded from continuing or re-entering a residency

(h) If the candidate disagrees with the residency supervisor’s recommendation, the candidate may appeal the recommendation pursuant to N.J.A.C. 6A:9-17.17.

(i) An emergency certificate is not available for SAC.

6A:9-13.3 School nurse

(a) The school nurse endorsement authorizes the holder to perform nursing services and to teach in areas related to health in public schools in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a school nurse endorsement, a candidate shall hold or complete the following professional licenses, degrees, certifications and training:

1. A current New Jersey registered professional nurse license issued by the New Jersey State Board of Nursing;

2. A bachelor’s degree from a regionally accredited college or university;
3. A current Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillators (AED) certification as issued by the American Heart Association, the American Red Cross, the National Safety Council, or other entities determined by the Department of Health to comply with the American Heart Association’s CPR guidelines; and

4. Complete training in airway management and in the use of nebulizers and inhalers consistent with nationally recognized standards, including, but not limited to, those of the National Institutes of Health and the American Academy of Allergy, Asthma and Immunology.

(c) The candidate shall also complete either a Department-approved college curriculum for the preparation of school nurses or a program of studies, minimum of 21 semester-hour credits, that includes study in the following topics:

1. A minimum of six semester-hour credits in school nursing, including school health services, physical assessments, organization and administration of the school health program and clinical experience in a school nurse office;

2. Health assessment;

3. Special education and/or learning disabilities;

4. Methods of teaching health in grades preschool through grade 12 including curriculum development;

5. Public health including such areas as public health nursing, community health problems and communicable disease control;

6. Guidance and counseling; and

7. School law including legal aspects of school nursing.
During the initial three years of employment under this endorsement, the holder of a school nurse endorsement must engage in a minimum of 20 hours of professional development in each of the following: human growth and development; substance abuse and dependency; and human and intercultural relations. The professional development requirements shall be incorporated into each endorsement holder’s professional development plan pursuant to N.J.A.C. 6A:9-15.

An emergency certificate is not available for this endorsement.

6A:9-13.4 School nurse/non-instructional

(a) The school nurse/non-instructional endorsement authorizes the holder to perform nursing services in public schools in grades preschool through 12. This endorsement does not authorize the holder to teach in areas related to health.

(b) To be eligible for the standard educational services certificate with a school nurse/non-instructional endorsement, a candidate shall hold or complete the following professional licenses, degrees, certifications, and training:

1. A current New Jersey registered professional nurse license issued by the New Jersey State Board of Nursing;

2. A bachelor’s degree from a regionally accredited college or university;

3. A current Providers Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillators (AED) certification as issued by the American Heart Association, the American Red Cross, the National Safety Council, or other
entities determined by the Department of Health to comply with the American
Heart Association’s CPR guidelines; and

4. Complete training in airway management and in the use of nebulizers and inhalers
consistent with nationally recognized standards, including, but not limited to,
those of the National Institutes of Health and the American Academy of Allergy,
Asthma and Immunology.

(c) The candidate shall also complete either a Department-approved college curriculum for
the preparation of school nurses or a program of studies, minimum of 15 semester-hour
credits, that includes study in the following topics:

1. A minimum of six semester-hour credits in school nursing, including school
   health services, physical assessments, organization and administration of the
   school health program and clinical experience in a school nurse office;

2. Health assessment;

3. Public health, including such areas as public health nursing, community health
   problems and communicable disease control;

4. Special education and/or learning disabilities;

5. Guidance and counseling; and

6. School law including legal aspects of school nursing.

(d) During the initial three years of employment under this endorsement, the holder of a
school nurse/non-instructional endorsement shall engage in a minimum of 20 hours of
professional development in each of the following: human growth and development;
substance abuse and dependency; and human and intercultural relations. The professional
development requirements shall be incorporated into each endorsement holder’s professional development plan pursuant to N.J.A.C. 6A:9-15.

(e) An emergency certificate may be issued to a candidate who holds a bachelor’s degree from a regionally accredited college or university and a current New Jersey registered professional nurse license and current CPR/AED certificates. The candidate shall present evidence of study in public health nursing and child and/or adolescent growth and development. The study must appear on the transcript of a regionally accredited four-year college or university.

6A:9-13.5 School social worker

(a) The school social worker endorsement authorizes the holder to serve as a school social worker in any school district in the State in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a school social worker endorsement, the candidate shall hold a master’s degree from a regionally accredited college or university and complete a total of 30 graduate-level semester hour credits with a study in each of the areas listed below:

1. Psychology, including general psychology, educational psychology, psychology of adolescence and child growth and development;
2. Special education and/or learning disabilities;
3. Social problems, including study in dealing with delinquency, poverty, interracial and intercultural problems;
4. A minimum of six semester-hour credits in introductory and advanced social casework, including principles and practices in social casework, interviewing, and methods and skills in diagnosis;

5. Mental hygiene and social psychiatry, including dynamics of human behavior and psychopathology;

6. Medical information, including the role of the social worker in health problems or fundamentals of substance abuse and dependency;

7. Community organizations, agencies and resources; and

8. Social policy and public welfare services, including the care and protection of at-risk children and families.

(c) Holders of a master’s degree in social work from a regionally accredited college or university will be issued a standard educational services certificate with a school social worker endorsement.

(d) An emergency certificate may be issued to a candidate who meets the following requirements:

1. A bachelor’s degree in social work or a related area from a regionally accredited college or university; and

2. Study in at least three of the study topics listed in (b)1 through 8 above to include a course in social casework;

6A:9-13.6 Speech-language specialist
(a) The speech-language specialist endorsement authorizes the holder to provide service as a speech-language specialist in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a speech-language specialist endorsement, the candidate shall:

1. Hold a master’s or higher degree in speech-language pathology from a regionally accredited college or university; and

2. Pass a State-approved test of comprehensive knowledge in the field of speech-language pathology.

(c) Individuals who hold a valid New Jersey speech correctionist endorsement and a master’s degree in speech-language pathology shall be issued the speech-language specialist endorsement upon submission of a completed application and required fee.

(d) Individuals holding a valid New Jersey speech correctionist endorsement may serve in a position requiring speech-language specialist certification until August 31, 2015, by which date they shall have obtained the speech language specialist endorsement or completed a Department-approved retraining program.

(e) A certificate of eligibility annually expiring July 31 may be issued to candidates who meet the requirements in (e)1 or 2 below. Notwithstanding the provisions of N.J.A.C. 6A:9-8.2, this certificate of eligibility authorizes the holder to seek employment in any public school district or Department-approved private school for students with disabilities. To be eligible for the speech-language specialist certificate of eligibility and subsequent provisional certificate, a candidate must either:

1. Hold a bachelor’s degree in speech-language pathology/communication disorders from a regionally accredited college or university; and
i. Be currently matriculated in a master’s degree program in speech-language pathology/communication disorders from a regionally accredited college or university; and

ii. Document completion of a minimum of 18 semester-hour graduate credits in speech language pathology/communication disorders, including a graduate clinical practicum; or

2. Hold a bachelor’s degree in a major other than speech-language pathology/communication disorders from a regionally accredited college or university; and

i. Be currently matriculated in a master’s degree program in speech-language pathology/communication disorders from a regionally accredited college or university; and

ii. Document completion of a minimum of 24 semester-hour graduate credits in speech language pathology/communication disorders, including a graduate clinical practicum.

(f) To be eligible for an initial two-year provisional speech-language specialist certificate, the candidate shall:

1. Possess a speech-language specialist certificate of eligibility; and

2. Obtain an offer of employment in a speech-language specialist position.

(g) To be eligible for a one-time renewal of the provisional speech-language specialist certificate, a candidate shall:

1. Provide an official college transcript from the speech language pathology/communication disorders program in which he or she is matriculated,
showing a minimum of 12 semester-hour graduate credits completed each year following the initial issuance of the provisional certificate, demonstrating annual progress toward completion of the master’s degree required for the standard certificate; and

2. Provide documentation of employment in a speech-language specialist position in a public school district or Department-approved private school for students with disabilities.

(h) A standard certificate may be issued to candidates holding the provisional speech-language specialist certificate who meet the requirements in (b) above.

(i) An emergency certificate is not available for the speech-language specialist endorsement after July 31, 2013. However, emergency certificates in effect on July 1, 2013, will remain valid until July 31, 2013.

6A:9-13.7 Director of school counseling services

(a) The director of school counseling services endorsement authorizes the holder to serve as a director, administrator or supervisor of school counseling services, including the supervision of educational activities in areas related to and within the counseling program in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a director of school counseling services endorsement, a candidate shall hold a master’s or higher degree from a regionally accredited college or university, hold a standard New Jersey school counselor or student personnel services certificate or an equivalent out-of-State
certificate, and complete three years of successful experience as a school counselor in grades preschool through 12. In addition, the candidate shall complete one of the following:

1. A Department-approved program in Director of School Counseling; or
2. A three-credit graduate-level course in each of the following required areas:
   i. Administration: This group includes such courses as school law, organization and administration of elementary and secondary schools;
   ii. Staff supervision: This group includes such courses as supervision and evaluation of instructional staff and supervision of school counseling services; and
   iii. Curriculum development: This group includes such courses as principles of general curriculum development, elementary and secondary curriculum development, and extracurricular activities.

(c) An emergency certificate may be issued to a candidate who meets the following requirements:

1. A master’s degree from a regionally accredited college or university, a standard New Jersey school counselor or student personnel services certificate, and two years of experience as a school counselor in grades preschool through 12; and
2. A graduate course in staff supervision.

6A:9-13.8 School counselor
(a) The school counselor endorsement authorizes the holder to perform school counseling services such as study and assessment of individual pupils with respect to their status, abilities, interest and needs; counseling with administrators, teachers, students, and parents regarding personal, social, educational, and vocational plans and programs; and developing cooperative relationships with community agencies in assisting children and families. The certificate holder is authorized to perform these duties in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a school counselor endorsement, a candidate must hold a master’s or higher degree from a regionally accredited college or university, and complete one of the following:

1. A Department-approved graduate program in school counseling; or

2. A minimum of 48 graduate semester-hour credits in the following areas:
   
   i. Counseling: minimum of 18 semester-hour credits that must include study in theory and procedures of individual and group counseling, counseling and interviewing techniques, and career counseling;
   
   ii. Testing and evaluation: minimum of three semester hours;
   
   iii. Psychology: minimum of six semester hours in study related to child and adolescent psychology, psychology of exceptional children and psychology of learning;
   
   iv. Sociological foundations: minimum of six semester hours that must include study in community agencies, organizations and resources and multicultural counseling;
   
   v. Statistics and research methods: minimum of three semester-hour credits;
vi. Supervised counseling practicum in a preschool through grade 12 school setting: minimum of six credits; and

vii. The remaining six semester hours of study may be chosen from among the topics listed in (b)2i through vi above or education.

(c) A candidate who has completed a master’s or higher degree from a regionally accredited college or university whose school counseling program meets the standards of the Council for Accreditation of Counseling and Related Educational Programs (CACREP) will be issued a standard school counselor certificate.

(d) The Office may issue an emergency certificate upon the request of the executive county superintendent to a candidate who meets the following requirements:

1. A bachelor’s degree from a regionally accredited college or university; and

2. Fifteen graduate semester-hour credits of study from the areas in (b)2i through iv above. At least six of the credits must be from the area in (b)2i above.

6A:9-13.9 School psychologist

(a) The school psychologist endorsement authorizes the holder to serve as a psychologist in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a school psychologist endorsement, a candidate must hold a master’s or higher degree from a regionally accredited college or university and complete the following:

1. A Department-approved graduate program or a minimum of 60 semester-hour graduate credits, in the following areas:
i. Educational foundations/school psychology practice and development: minimum of 12 semester-hour credits in areas such as the role and function of the school psychologist, multicultural education, educational organization and leadership, curriculum development and learning theories;

ii. Education of students with disabilities: minimum of six semester-hour credits in areas such as education and/or psychology of students with disabilities and educational assessment of disabled students;

iii. Assessment, intervention and research: minimum of 18 semester-hour credits including study in the required areas of cognitive assessment, personality assessment and school consultation. Additional study may be completed in areas such as applied behavior analysis, school interventions, curriculum-based measurement, multicultural counseling or individual counseling procedures, tests and measurements, statistics and research design and analysis;

iv. Human behavioral development: minimum of 12 semester-hour credits in areas such as human development, social psychology, personality psychology, neurological and/or physiological basis of behavior and psychopathology; and

v. Electives: additional study in areas (b)1i through iv above. Externships and practicum experiences may be accepted for elective study.

2. A practicum of 300 clock hours that consists of a sequence of closely supervised on-campus and field-based activities designed to develop and evaluate a
candidate’s mastery of distinct professional skills consistent with program and/or course goals;

3. An externship of 1,200 clock hours. A minimum of 600 clock hours must be completed in a school setting with school-age children. The remaining 600 clock hours may be completed in a school or clinical setting, or may be completed under an emergency certificate while concurrently participating in an approved college or university school psychology program. Externship experiences completed in a school setting must be supervised by a person holding a standard New Jersey or out-of-State school psychologist certificate; and

4. Persons who completed a master’s or higher degree in clinical psychology from a regionally accredited college or university and can present official documentation of 600 clock hours of experience as a psychologist working with children in a clinical setting may meet the school psychology externship and practicum requirements by completing a 900-clock-hour school psychology externship in a New Jersey school, with school-age children, under a New Jersey emergency certificate.

(c) The externship for school psychologists shall comply with the following:

1. The externship must be taken under the direction of a regionally accredited college or university as part of a program for the preparation of school psychologists. In cases where the Office is issuing an emergency certificate, it may approve an equivalent externship that is not under the jurisdiction of a college or university program.
2. The college or university shall arrange externships as a program of supervised experiences. The extern shall not earn externship credit for clinical or laboratory work done as part of the requirements in such courses as “cognitive or personality assessment” or “school consultation.”

3. At least 50 percent of the externship must be in the psychological services division of a public school system or in a college or university demonstration center that serves a cross section of school-age children. A person holding a standard New Jersey school psychologist certificate shall provide local supervision for the period of externship training.

4. The extern shall have available various group and individual achievement tests, personality and cognitive assessment tools. The extern also shall receive the results of audiometric and visual screening.

5. The extern shall have adequate office space for conferences, counseling and diagnostic studies.

6. For purposes of study and guidance, the extern shall have access to comprehensive records on pupil growth and development.

7. The college, university or school district, as appropriate, shall provide the extern with supervised experience in the following areas: in-service programs for faculty members; conferences with special personnel; utilization of available community resources; conducting a diagnostic study; report writing; relationships with the community; and counseling pupils, parents and faculty.

8. The extern may complete no more than 50 percent of the externship in an approved hospital, institution, clinic, or agency established for the study and/or treatment of special
problems of children and adults. A licensed psychologist or school psychologist shall supervise the extern during the training experience. The director of the institution or agency shall certify that this experience includes the following: conducting a diagnostic study; reporting writing and communication of diagnostic findings; and participation in staff planning and evaluating conferences.

(d) School districts desiring authorization for the employment of an extern under emergency certification should submit a request to the executive county superintendent for preliminary approval. If the executive county superintendent grants preliminary approval, the emergency certificate will be forwarded to the applicant. The request must contain the following information:

1. The name of the fully certified school psychologist in the school system under whose supervision the externship will be carried out. This person must hold a standard New Jersey school psychologist certificate and have three years of experience as a certified school psychologist;

2. The nature and extent of the training experiences that will be provided under supervision during the externship;

3. The dates of the period of the externship;

4. The total number of clock hours to be worked during the externship; and

5. Official college transcripts showing successful completion of a minimum of 40 semester-hour graduate credits applicable toward standard school psychologist certification in areas listed in (b)1 above, including study in the required areas of cognitive assessment, personality assessment, and school consultation.
(e) The Office will issue a standard New Jersey school psychologist certificate to holders of a currently valid Nationally Certified School Psychologist (NCSP) license.

(f) The Office may issue an emergency certificate upon the request of the executive county superintendent to a candidate who meets the following requirements:

1. A bachelor’s degree from a regionally accredited college or university; and
2. Official college transcripts showing successful completion of a minimum of 30 semester-hour graduate credits applicable toward standard school psychologist certification in areas listed in (b)1i through v above. This must include study and practicum experience in assessment.

6A:9-13.10 Learning disabilities teacher-consultant

(a) The learning disabilities teacher-consultant endorsement authorizes the holder to serve as a learning disabilities teacher-consultant in grades preschool through 12.

(b) To be eligible for the standard educational services certificate with a learning disabilities teacher-consultant endorsement, a candidate shall:

1. Hold a master’s or higher degree from a regionally accredited college or university;
2. Hold a standard New Jersey or out-of-State instructional certificate, and
3. Have three years of successful teaching experience.

(c) A candidate who satisfies (b) above also shall complete one of the following:

1. A Department-approved graduate program for the preparation of learning disabilities teacher-consultants;
2. A consultant-level master’s degree in educational disabilities from an NCATE accredited program; or

3. A minimum of 24 semester-hour graduate credits chosen from the areas listed below. The candidate shall complete the requirements in (c)3i through ix below and may take elective credits in any area in (c)3i through x below.

   i. Education of students with disabilities, including study in history of the development of educational services for children in each area of exceptionality; study of present services, research and professional ethics dealing with the characteristics of children who differ from the norm intellectually, physically, socially and emotionally; evaluation of present practices in the education of students with disabilities; study of the relationship of educational practices and their environmental settings; and cultural and linguistic diversity;

6A:9-13.14 School library media specialist

(a) The school library media specialist (SLMS) endorsement is required for any person who serves as a school library media specialist in grades preschool through 12. The functions include delivery of instruction in information literacy skills, and the development and coordination of school library media programs and resources. The functions also include the delivery of instruction in the evaluation, selection, organization, distribution, creation, and utilization of school library media. Media are defined as all print, non-print, and electronic resources including the technologies needed for their use.

(b) To be eligible for the SLMS CE, a candidate must hold a master’s degree from a regionally accredited college or university and complete one of the following:
1. A graduate program approved by the Department as the basis for issuing this certificate; or

2. A master’s degree in library media studies from a regionally accredited college; or

3. A program of graduate studies consisting of at least 36 semester-hour credits in a coherent sequence of studies including the following:

   i. Organization and coordination of school library media programs, resources and instruction to provide a sequential course of study for students;

   ii. Application of learning theory to reading, listening and viewing library media resources;

   iii. Access, evaluation, selection and utilization of library media resources;

   iv. Design and development of multimedia materials;

   v. Design, development and integration of information literacy skills and the library media program throughout the school curriculum;

   vi. Integration of educational resources and technology throughout the school curriculum;

   vii. Children’s literature and young adult literature;

   viii. Development and implementation of policies and procedures for effective and efficient acquisition, cataloging, processing, circulation, and maintaining equipment and resources to ensure equitable access;

   ix. Development, implementation, and evaluation of library media programs to meet educational goals, including management of library personnel, resources, and facilities;
x. Utilization of current and emergent technologies in all phases of school library media programs; and

xi. Field experience that includes instruction and management. This experience must be completed in a school library media center.

(c) To be eligible for the SLMS CEAS, a candidate must complete the requirements outlined in (b)1 or 3 above and one of the following:

1. Hold a standard New Jersey or out-of-State instructional certificate. A military science endorsement will not satisfy this requirement;

2. Complete a State-approved college teacher preparation program with or without student teaching; or

3. Complete a coherent college program at a regionally accredited college or university that includes a minimum of nine semester-hour credits in educational theory, curriculum design and integration, teaching methodology, student/learning development, and behavior management.

(d) To be eligible for a provisional educational services certificate with a SLMS endorsement, the candidate shall:

1. Possess a SLMS CE or CEAS; and

2. Obtain an offer of employment in a position that requires the SLMS endorsement.

(e) To be eligible for the standard educational services certificate with a SLMS endorsement, a candidate shall:

1. Possess a provisional educational services certificate with a SLMS endorsement pursuant to (d) above;
2. Complete a coherent college program at a regionally accredited college or university that includes a minimum of nine semester-hour credits in educational theory, curriculum design and integration, teaching methodology, student/learning development, and behavior management. Holders of the SLMS CEAS are exempt from this requirement;

3. Complete graduate-level coursework in the school library media topics listed in (b)3 above that were not included in the candidate’s library media master’s program. Holders of the SLMS CEAS are exempt from this requirement;

4. Complete a year-long school-based residency program in a school library media center. A certified school administrator, principal or supervisor shall provide supervision during the candidate’s provisional year. The residency program shall:
   i. Consist of a supervised residency that includes professional experiences in the delivery of instruction in information literacy skills and the development and coordination of school library media programs and resources. In addition, the residency includes the delivery of instruction in the evaluation, selection, organization, distribution, creation, and utilization of school library media. Where possible, the candidate shall be mentored by an experienced school library media specialist throughout the residency; and
   ii. Be agreed upon through a residency agreement issued by the Department outlining the responsibilities as set forth in this section and entered into by the Department, the employing school, the candidate and the State-approved residency supervisor.
(f) The State-approved residency supervisor shall have primary responsibility to assure that the candidate receives appropriate training, support, mentoring, practicum experiences, and professional opportunities in the critical job responsibilities specified in the agreement and consistent with (a) above. The residency supervisor shall also evaluate and verify the completion of all required experiences according to the terms and conditions of the residency agreement.

(g) Upon completion of the residency period, the supervisor shall complete a comprehensive evaluation report on the candidate's performance based on the candidate’s ability to complete the job duties pursuant to (a) above and to implement the theoretical concepts pursuant to (b)2 above. The supervisor shall discuss the evaluation report with the candidate, and the supervisor and candidate shall sign the report as evidence of such discussion. Upon completion of the evaluation, it shall be submitted to the Office. The evaluation on each candidate shall include one of the following recommendations:

1. Approved: Recommends issuance of a standard educational services certificate with a SLMS endorsement;

2. Insufficient: Recommends that a standard educational services certificate with a SLMS endorsement not be issued but that the candidate be allowed to continue the residency or seek admission to an additional residency. Except for those candidates who receive approval pursuant to N.J.A.C. 6A:9-17.18(d), a candidate who receives a second insufficient is precluded from continuing or re-entering a residency; or
3. Disapproved: Recommends that a standard educational services certificate with a SLMS endorsement not be issued and that the candidate is precluded from continuing or re-entering a residency.

(h) If the candidate disagrees with the residency supervisor’s recommendation, the candidate may appeal the recommendation pursuant to N.J.A.C. 6A:9-17.17.

(i) The holder of a standard educational services certificate with an associate school library media specialist endorsement is eligible for the SLMS upon completion of the requirements in (b)3 above.

(j) An emergency certificate may be issued to a candidate who has a bachelor’s degree from a regionally accredited college or university and has completed a minimum of 12 graduate-level semester-hour credits in school library media.

(k) The following individuals are eligible to receive the standard SLMS endorsement:

1. Those holding a permanent New Jersey school librarian or standard educational media specialist endorsement; or

2. Those holding a standard New Jersey Associate School Library Media Specialist (ASLMS) endorsement who have completed a graduate degree program at a regionally accredited college or university with specialization in school library media studies.

(l) Individuals holding the school librarian or educational media specialist endorsement may serve in any position requiring the SLMS endorsement.

6A:9-13.15 Associate school library media specialist
(a) The associate school library media specialist (ASLMS) endorsement is required for anyone who serves as a school library media specialist in grades preschool through 12 under the supervision of a certified school administrator, principal or supervisor. The functions include delivery of instruction in information literacy skills, and the development and coordination of school library media programs and resources. The holder also provides instruction in the evaluation, selection, organization, distribution, creation and utilization of school library media. These media are defined as all print, non-print and electronic resources, including the technologies needed for their use.

(b) To be eligible for the ASLMS CE, a candidate shall have completed a bachelor’s degree from a regionally accredited college or university and one of the following:

1. A graduate program approved by the Department as the basis for issuing this certificate; or

2. A program of graduate studies consisting of at least 18 semester-hour credits in a coherent sequence of studies including the following:
   i. Access, evaluation, selection and utilization of library media resources;
   ii. Organization and coordination of school library media programs, resources and instruction to provide K-12 student with a sequential course of studies;
   iii. Children’s literature and young-adult literature;
   iv. Design, development and integration of information literacy skills throughout the school curriculum;
   v. Design and development of materials;
vi. Utilization of current and emergent technologies in all phases of school library media programs; and

vii. A field experience that includes instruction and management. This experience must be completed in a school library media center.

(c) To be eligible for the ASLMS CEAS, a candidate shall complete the requirements outlined in (b) above and one of the following:

1. Hold a standard New Jersey or out-of-State instructional certificate. A military science endorsement shall not satisfy this requirement;

2. Complete a State-approved college teacher preparation program with or without student teaching; or

3. Complete a coherent college program at a regionally accredited college or university that includes a minimum of nine semester-hour credits in educational theory, curriculum design and integration, teaching methodology, student/learning development, and behavior management.

(d) To be eligible for a provisional educational services certificate with an ASLMS endorsement, the candidate shall:

1. Possess an ASLMS CE or CEAS; and

2. Obtain an offer of employment in a position that requires the ASLMS endorsement.

(e) To be eligible for the standard educational services certificate with an ASLMS endorsement, a candidate shall:

1. Possess a provisional educational services certificate with an ASLMS endorsement pursuant to (d) above;
2. Complete a coherent college program at a regionally accredited college or university that includes a minimum of nine semester-hour credits in educational theory, curriculum design and integration, teaching methodology, student/learning development, and behavior management. Holders of the ASLMS CEAS are exempt from the study requirements; and

3. Complete a year-long school-based residency program in a school library media center. A certified school administrator, principal or supervisor shall provide supervision during the candidate's provisional year. The residency program shall:

   i. Consist of a supervised residency that includes professional experiences in the delivery of instruction in information literacy skills and the development and coordination of school library media programs and resources. In addition, the residency includes the delivery of instruction in the evaluation, selection, organization, distribution, creation, and utilization of school library media. Where possible, the candidate shall be mentored by an experienced school library media specialist throughout the residency; and

   ii. Be agreed upon through a residency agreement issued by the Department outlining the responsibilities as set forth in this section and entered into by the Department, the employing school, the candidate and the State-approved residency supervisor.

(f) The State-approved residency supervisor shall have primary responsibility to assure that the candidate receives appropriate training, support, mentoring, practicum experiences and professional opportunities in the critical job responsibilities specified in this section.
The residency supervisor shall also evaluate and verify the completion of all required experiences according to the terms and conditions of the residency agreement.

(g) Upon completion of the residency period, the supervisor shall complete a comprehensive evaluation report on the candidate’s performance based on the candidate’s ability to complete the job duties pursuant to (a) above and to implement the theoretical concepts pursuant to (b)2 above. The supervisor shall discuss the evaluation report with the candidate, and the supervisor and candidate shall sign the report as evidence of such discussion. Upon completion of the evaluation, it shall be submitted to the Office. The evaluation on each candidate shall include one of the following recommendations:

1. Approved: Recommends issuance of a standard educational services certificate with an ASLMS endorsement;

2. Insufficient: Recommends that a standard educational services certificate with an ASLMS endorsement not be issued but that the candidate be allowed to continue the residency or seek admission to an additional residency. Except for those candidates who receive approval pursuant to N.J.A.C. 6A:9-17.17(d), a candidate who receives a second insufficient is precluded from continuing or re-entering a residency; or

3. Disapproved: Recommends that a standard educational services certificate with an ASLMS endorsement not be issued and that the candidate is precluded from continuing or re-entering a residency.

(h) If the candidate disagrees with the residency supervisor’s recommendation, the candidate may appeal the recommendation pursuant to N.J.A.C. 6A:9-17.17.
(i) An emergency certificate may be issued to a candidate who completes a bachelor’s degree from a regionally accredited college or university and a minimum of six graduate semester-hour credits in school library media.

(j) Policies governing the ASLMS endorsement are as follows:

1. Persons holding a standard or permanent New Jersey teacher-librarian or the associate educational media specialist endorsement shall be deemed eligible to receive the ASLMS endorsement.

2. The holder of the teacher-librarian or associate educational media specialist endorsement is eligible to receive an extension of the authorization to include the functions of the ASLMS authorization.

29 CFR 570 and 1900;

ii. A minimum of 20 hours of training or a Department-approved equivalent
program in safety and health and required Department procedures and
planning for SLEs pursuant to N.J.A.C. 6A:19; and

iii. Two graduate-level college courses or a Department-approved equivalent
program in instructional strategies for work-based education and career
information/occupational guidance.

(c) Individuals holding a vocational-technical coordinator: cooperative industrial education
endorsement or the teacher-coordinator of cooperative vocational-technical education in
the occupational areas of agriculture education, distributive education, health
occupations, home economics education or business education endorsements may serve
in a position requiring the CEC endorsement in any career cluster.

(d) An emergency CEC certificate may be issued to a candidate who meets the requirements
in (d)1 and 2 below. The candidate shall complete the requirements for the standard
certificate in no more than 24 months from the issuance date of the emergency certificate.

1. A standard career and technical education instructional certificate; and

2. Two years of successful career and technical education teaching experience.

6A:9-13.21 Requirements for interstate reciprocity

(a) Notwithstanding any other provision of this subchapter, any applicant for educational
services certification who presents a valid educational services certificate issued by any
other state shall, upon payment of the appropriate fee, be issued a New Jersey educational services standard certificate for the equivalent and currently-issued New Jersey endorsement. If there is no equivalent current New Jersey endorsement, then the provisions of N.J.A.C. 6A:9-13.1 through 13.20 shall apply to interstate reciprocity.

There are three limitations to this rule:

1. If New Jersey has an equivalent endorsement with required subject-matter test for the applicant’s endorsement, the applicant shall have passed a state subject matter test to receive his or her out-of-State endorsement or else must pass the appropriate New Jersey subject-matter test. This limitation shall not apply if the applicant has five years of experience in good standing under the out-of-State certificate. Experience in good standing shall be documented by a letter of experience from the applicant’s supervisor or authorized district representative;

2. An applicant for interstate reciprocity for a New Jersey educational services endorsement that requires a residency shall receive a CE or CEAS as governed by this subchapter; and

3. Applicants for educational services reciprocity must meet all other requirements in this subchapter for State-issued professional licenses or certificates.

**SUBCHAPTER 14. ACTING ADMINISTRATORS**

6A:9-14.1 General provisions
(a) If, because of illness or death or some other good and sufficient reason, the district board of education must fill the position of superintendent of schools, assistant superintendent of schools, school business administrator, principal, or vice principal with a person who is designated as the acting administrator in a respective situation and who does not hold the standard New Jersey certificate required for the position, it shall be the duty of the board of education to make written application to the Commissioner, through the county superintendent, for permission to employ such person in an acting capacity, stating the reasons why such action is necessary. If the stated reasons justify the need to appoint someone as an administrator in an acting capacity who is not properly certified to hold the position, the Commissioner may approve the request on a case-by-case basis.

(b) If such approval is given by the Commissioner, it shall be of three months’ duration, and may be renewed by him or her upon application for a period of three months at a time. Consideration of said request shall be made on a case-by-case basis. If the acting status of said individual is to extend beyond a year, no such permission can be given except upon recommendation of the Commissioner to the State Board that the application of the district board of education be granted.

(c) If the Commissioner or State Board grants approval, the Board of Examiners shall be notified and shall issue a letter of temporary certification.

SUBCHAPTER 15. REQUIRED PROFESSIONAL DEVELOPMENT FOR TEACHERS AND SCHOOL LEADERS

6A:9-15.1 General provisions
(a) The purpose of this subchapter is to govern required professional development for active teachers and school leaders.

(b) These rules apply to:
   1. All active teachers, defined as staff whose positions require possession of the instructional or education services certificates in accordance with N.J.A.C. 6A:9-8, 10, 11, and 13; and
   2. All active school leaders serving on a permanent or interim basis whose positions require possession of the chief school administrator, principal, or supervisor endorsement in accordance with N.J.A.C. 6A:9-12.

(c) These rules apply to all district boards of education, charter schools, and nonpublic schools that choose to participate in the professional development requirements for teachers and school leaders outlined in this subchapter and whose staff members hold positions that require the possession of the instructional, educational services, or administrative certificates. Hereinafter in this subchapter, the term district board of education includes district boards of education, charter school boards of trustees, and applicable nonpublic school governing bodies choosing to participate in the new professional development requirements for teachers outlined in the subchapter. In addition, the term district administrator includes district board of education, charter school, and applicable nonpublic administrators choosing to participate.

6A:9-15.2 Definition of professional development
(a) Professional development shall be comprised of professional learning opportunities aligned with student learning and educator development needs, and school, school district, and/or State improvement goals.

(b) Professional development shall have as its primary focus the improvement of teachers’ and school leaders’ effectiveness in assisting all students to meet the CCCS.

(c) Professional development shall include the work of established collaborative teams of teachers, school leaders, and other administrative, instructional, and educational services staff members who commit to working together to accomplish common goals and who are engaged in a continuous cycle of professional improvement focused on:

1. Evaluating student learning needs through ongoing reviews of data on student performance; and

2. Defining a clear set of educator learning goals based on the rigorous analysis of these data.

(d) Professional learning shall incorporate coherent, sustained, and evidenced-based strategies that improve educator effectiveness and student achievement, including job-embedded coaching or other forms of assistance to support educators’ transfer of new knowledge and skills to their work.

(e) Professional development may be supported by external expert assistance or additional activities that:

1. Address defined student and educator learning goals;

2. Advance primarily ongoing school-based professional development; and

3. Include, but are not limited to, courses, workshops, institutes, networks, and conferences provided by for-profit and nonprofit entities outside the school such
as universities, educational service agencies, technical assistance providers, networks of content specialists, and other education organizations and associations.

(f) Professional development shall align with the professional standards for teachers and school leaders in N.J.A.C. 6A:9-3 and the Standards for Professional Learning in N.J.A.C. 6A:9-15.3.

6A:9-15.3 Standards for professional learning

(a) Professional learning that increases educator effectiveness and improves results for all students shall be guided by the following standards:

1. Learning communities: Occurs within learning communities committed to continuous improvement, collective responsibility, and goal alignment;

2. Leadership: Requires skillful leaders who develop capacity, advocate, and create support systems for professional learning;

3. Resources: Requires prioritizing, monitoring, and coordinating resources for educator learning;

4. Data: Uses a variety of sources and types of student, educator, and system data to plan, assess, and evaluate professional learning;

5. Learning designs: Integrates theories, research, and models of human learning to achieve its intended outcomes;

6. Implementation: Applies research on change and sustains support for implementation of professional learning for long-term change; and

(b) The standards in (a)1 through 7 above shall serve as indicators to guide the policies, activities, facilitation, implementation, management, and evaluation of professional development.

6A:9-15.4 Requirements for individual teacher professional development planning and implementation

(a) To meet the professional development requirement, each teacher shall be guided by an individualized professional development plan (PDP), which shall include at least 20 hours per year of qualifying activities. The 20-hour annual requirement shall be reduced by a pro rata share reflecting the use of family or medical leave.

(b) The content of each PDP shall be developed by each teacher’s supervisor in consultation with the teacher and shall align with the Professional Standards for Teachers in N.J.A.C. 6A:9-3 and the Standards for Professional Learning in N.J.A.C. 6A:9-15.3.

(c) The PDP shall be effective for one year and shall specify, at a minimum:

1. One area for development of professional practice derived from the results of observations and evidence accumulated through the teacher’s annual performance evaluation;

2. As appropriate, an additional area for development of professional practice aligned to the teacher’s role as a member of his or her collaborative professional learning team in accordance with N.J.A.C. 6A:9-15.2;
3. As appropriate, an additional area for development of professional practice aligned with school and/or district improvement goals as set forth in N.J.A.C. 6A:9-15.5 and 15.6; and

4. Any requirements for professional development stipulated elsewhere in statute or regulation.

(d) The progress of each teacher in meeting the goals of the PDP must be determined annually and aligned to the district or applicable nonpublic school process for teacher evaluation.

(e) Progress on the PDP must be discussed during a minimum of one annual conference between the teacher and his or her supervisor.

(f) Each teacher shall provide evidence of progress toward meeting the requirements of his or her individual PDP, and this evidence must be reviewed as part of each conference.

(g) The PDP shall be revised at a minimum annually but may be adjusted as necessary to support the teacher’s progress.

(h) All teachers governed by the professional development requirements shall have an individual PDP within 30 instructional days of the beginning of their respective teaching assignments.

(i) Each district board of education shall ensure that all teachers receive the necessary opportunities, support, and resources to engage in ongoing professional learning and to complete the requirements of their respective PDPs.

(j) A teacher’s individual PDP goals may necessitate more than the recommended minimum requirements outlined in this subchapter.
(k) Additional hours of qualifying activities may be required for teachers in low-performing schools, as determined by the Commissioner.

6A:9-15.5 Requirements for school-level professional development planning and implementation

(a) The principal shall oversee the development and implementation of a plan for school-level professional development.

(b) The school-level professional development plan shall include a description of school-level and team-based professional learning aligned with identified school goals, and teacher and student learning needs.

(c) The school-level plans shall become part of the district professional development plan reviewed by the district board of education pursuant to N.J.A.C. 6A:9-15.6.

(d) The school-level professional development plans required in this section will go into effect for the 2013-14 school year.

(e) The principal shall ensure that all teachers receive the necessary opportunities, support, and resources to complete professional development requirements in accordance with N.J.A.C. 6A:9-15.4(a).

6A:9-15.6 Requirements for district-level professional development planning and implementation
(a) Superintendents or designees shall oversee the development and implementation of plans to address school districts’ professional development needs. School districts sending to the same middle and/or high school may form a regional consortium to develop one district-wide plan based on the sending schools’ plans.

(b) Superintendents shall:

1. Review school-level professional development plans;
2. Assess the learning needs of students, teachers, and school leaders based on educator evaluation data, school-level plans, and data from school- and district-level performances;
3. Plan, support, and implement professional development activities that address the CCCS, and that align with the Standards for Professional Learning in N.J.A.C. 6A:9-15.3 and the Professional Standards for Teachers and School Leaders in N.J.A.C. 6A:9-3; and
4. Develop and update, as necessary, the district mentoring plan for new teachers in accordance with N.J.A.C. 6A:9-8.4.

(c) The superintendent shall review on an annual basis the school district plan to assess its effectiveness and revise it as necessary to meet the school district’s learning goals for students, teachers, and school leaders.

(d) The school district plan shall provide information on school-level and district-wide professional development opportunities, the resources being allocated toward their support, and a justification for the expenditures.

(e) The school district plan shall include any professional development required by statute or regulation.
(f) The superintendent shall be responsible for the content and implementation of the district professional development plan. The superintendent shall present the plan to the district board of education to review for fiscal impact.

6A:9-15.7 Implementation of the professional development requirement for school leaders

(a) Each district board of education shall oversee and review for each chief school administrator professional development that links to individual, school, and district professional development goals and to the school district’s professional development plan.

(b) Each chief school administrator shall oversee and review for each principal and supervisor professional development that links to individual, school, and district professional development goals and the school district’s professional development plan.

(c) Each chief school administrator, principal, and supervisor shall fulfill the professional development requirement through the creation, implementation, and completion of a professional development plan that:

2. Derives from the results of observations, evidence, and recommendations included in the annual performance evaluation of the chief school administrator, principal, or supervisor;
3. Identifies professional goals that address specific individual, school, or school district goals; and
4. Grounds professional development activities in objectives related to improving teaching, learning, and student achievement, and in support of the school and/or school district professional development plan.

(d) Each active school leader shall be required to provide evidence of progress toward fulfillment of his or her plan. Evidence shall include:

1. A narrative account detailing plan goals and their achievement; and

2. Documentation of professional growth activities such as school-based learning activities; training; university coursework; action research; and study groups. Study groups may include school, district, county, and/or State associations and organizations, school and district collaborative teams, and virtual learning communities.

(e) Leaders whose positions require a principal or supervisor endorsement shall have an annual plan developed in collaboration with the chief school administrator, or designee holding a chief school administrator endorsement.

(f) Leaders whose positions require a chief school administrator’s endorsement but who do not serve as a chief school administrator of a school district shall have an annual plan developed in collaboration with the chief school administrator, or designee holding a chief school administrator endorsement.

(g) The chief school administrator, or designee holding a chief school administrator endorsement, shall meet with the principal, supervisor, or other school administrator at mid-year to assess progress toward completion or modification of the plan.
(h) The chief school administrator, or designee holding a chief school administrator endorsement, shall review the status of the professional development plan as part of the principal’s, supervisor’s, or other district administrator’s annual performance evaluation.

(i) Each chief school administrator shall develop a professional development plan for review by his or her district board of education.

(j) Chief school administrators shall provide to the district board of education annual evidence of progress toward completion of the professional development plan and summative evidence of plan completion every three to five years, depending on the chief school administrator’s contract with the district board of education.

(k) In cases where there is disagreement between a chief school administrator and his or her district board of education regarding plan contents or progress toward completion, the chief school administrator may appeal to the executive county superintendent, who will have final decision-making authority on all such matters.

6A:9-15.8 Requirements for school leader professional development in ethics, law and governance

All professional development plans for active school leaders serving on a permanent or interim basis whose positions require possession of the chief school administrator, principal, or supervisor endorsement in accordance with N.J.A.C. 6A:9-12.3 shall ensure the completion of appropriate training on: school law, ethics, and governance pursuant to N.J.S.A. 18A:26-8.2; and other statutory requirements related to student safety and well-being. To meet this ongoing
requirement, the specific training needs of each school leader will be reviewed annually as part of the professional development planning process.

### 6A:9-15.9 Monitoring and assistance

(a) Each district board of education shall monitor and enforce the professional development requirements for teachers and school leaders set forth in this chapter.

(b) Each district board of education shall actively assist and support the provision of opportunities and resources, and the efforts by teachers and school leaders to meet the requirements.

(c) To ensure that the professional development requirements set forth in this chapter reflect a policy of continuous improvement, constructive support, and timely intervention, the Department shall establish accountability procedures pursuant to N.J.A.C. 6A:30.

(d) It is the responsibility of the local supervisor and school district administrator through the teacher performance evaluation process and the professional development planning process to monitor each teacher’s progress in meeting the professional development requirements and to take appropriate steps to assure such progress. In any instance where a teacher’s progress is found to be inadequate, the school district administration shall take appropriate remedial action by applying sound and accepted principles of progressive supervision and other appropriate means.

(e) It is the responsibility of the school leader’s immediate supervisor, or the district board of education in the case of the chief school administrator, to monitor each school leader’s progress in meeting the professional development requirements. Monitoring shall be
accomplished through the performance evaluation and professional development planning processes. In any instance where a school leader’s progress is found to be inadequate, the school leader or district board of education shall take appropriate remedial action.

(f) Each school district administration shall be responsible for maintaining accurate records of each educator’s progress in meeting the professional development requirements outlined in this chapter. Such records shall include a copy of each educator’s current professional development plan and timeline, as well as any documentation and evidence showing the educator’s progress toward meeting the plan’s requirements.

(g) If a teacher leaves the employ of one New Jersey school district and is hired by another, the previous employing school district must share with the new employing school district the teacher’s individual professional development plan and all supporting documentation. If the current professional development plan is found to be unsuitable to the teacher’s new assignment, the new employing school district must ensure that a revised professional development plan and timeline is created within 30 days of hire by the employee’s new supervisor in collaboration with the new teacher.

(h) If a school leader leaves the employ of one New Jersey school district and is hired by another, the new employing school district or district board of education shall ensure that a revised professional development plan appropriate to the new assignment is developed in collaboration with the school leader.

6A:9-15.10 State Committee on Professional Learning
(a) The State Committee on Professional Learning shall advise the Commissioner on the professional development requirements for teachers and school leaders as defined in this subchapter. Specifically, the Committee shall:

1. Develop and recommend a periodic review process for school district professional development plans for districts in need of improvement to ensure that professional learning opportunities: address the CCCS; are aligned to the professional standards in N.J.A.C. 6A:9-15.3; and target teacher and school leader professional learning needs as identified in the school district performance report;

2. Develop and recommend updated professional standards for teachers and school leaders;

3. Review the implementation of professional development requirements for teachers and school leaders, and provide recommendations for implementation;

4. Develop and recommend a periodic audit process for school district mentoring plans to assure mentoring plans requirements pursuant to N.J.A.C. 6A:9-8.4 are met;

5. Review research, best practices, and practitioner feedback, and provide ongoing recommendations to ensure professional development requirements continue to support teachers and school leaders in improving their practice to enable students to achieve high academic standards;

6. Recommend and develop guidance for the implementation of teachers’ and school leaders’ professional development plans to assure plans address the CCCS, align to the professional standards for teachers and school leaders, and reflect State, district, and individual educator needs; and
7. Recommend criteria for school district use in the selection of professional
development providers.

(b) The State Committee on Professional Learning shall consist of 16 appointed members.
The Commissioner or his or her designee shall serve on the Committee as an ex-officio
member. Initial committee appointments shall be made as follows: five shall be appointed
for one-year terms, five shall be appointed for two-year terms, and six shall be for three-
year terms. Each member shall serve a term of three years, renewable only for a second
term. However, the 10 members who will occupy the initial abrogated terms shall be
eligible to serve two additional full terms. When a membership vacancy or change in a
member’s representation status occurs, the Commissioner shall appoint a new
representative from the appropriate constituency to fill the vacancy.

(c) The Commissioner shall appoint all members and may invite nominations from
professional associations and other interested parties. The Commissioner shall ensure
that all major organizations representing teachers and school leaders have representation
on the Committee. The Committee membership shall be as follows:

1. Six teachers, with at least one from a charter school and at least one each from the
   following levels: high school, middle school, and elementary school;

2. Six administrators, including three principals and three school district
   administrators, with at least two of the six from charter schools;

3. One member of a district board of education;

4. Two representatives from educator preparation programs, with at least one member
   representing an alternate-route provider of educator preparation; and

5. One parent or community member.
(d) The State Committee on Professional Learning shall replace the Professional Teaching Standards Board and the Professional Development Advisory Committee for school leaders for the purpose of meeting the statutory requirements in N.J.S.A. 18A:26-2.9 and 18A:26-8.2, respectively.

**SUBCHAPTER 16. OTHER ALTERNATE-ROUTE PROGRAMS FOR DOCUMENTED AREAS OF TEACHER SHORTAGE**

**6A:9-16.1 Purpose**

(a) The purpose of this subchapter is to establish alternate-route programs in documented teacher shortage areas to serve school districts.

(b) Programs as specified in this subchapter may be established by New Jersey colleges and universities, educational organizations, or other entities approved by the Commissioner.

**6A:9-16.2 Authorizations**

(a) The Commissioner may approve programs leading to CEs with endorsements in elementary school with subject-matter specialization in any documented area of teacher shortage for which endorsements are available. Each endorsement shall be valid for a teaching assignment area in grades five through eight.
(b) The Commissioner may approve programs leading to CEs with endorsements authorized to teach preschool through grade 12 in any declared documented teacher shortage area for which endorsements are available.

(c) The Board of Examiners shall issue a certificate of eligibility to an individual who: holds a bachelor’s degree from a regionally accredited college or university; successfully completes the instructional element of the approved program required for the CE; and meets the requirements set forth in N.J.A.C. 6A:9-16.3(a)3. In the case of a certificated teaching staff member who participates in the program, the Board of Examiners shall issue a subject area endorsement in the requested endorsement area, as appropriate, upon successful completion of the program’s approved requirements for certification.

1. A CE issued by the Board of Examiners under programs authorized by this subchapter shall permit the applicant to seek and accept employment in a school district.

2. The provisional certificate issued under this subchapter to CE holders shall permit the applicant to be employed in a school district.

3. The standard certificate awarded under this subchapter to applicants shall be the appropriate standard certificate in the declared shortage area and shall authorize the holder to teach in any public school district.

6A:9-16.3 Program requirements

(a) Program proposals under this subchapter shall be submitted to and approved by the Commissioner according to the following criteria:
1. Documentation of the program requirements for a candidate’s admission
   including evidence of the candidate’s:
   i. Bachelor’s degree or higher from a regionally accredited four-year college or university;
   ii. Knowledge of the endorsement area as demonstrated by an appropriate assessment;
   iii. Interest in pursuing a teaching career;
   iv. Experience in using skills relevant to the endorsement area in previous employment or experience in working with school-age children; and
   v. Additional information as deemed appropriate by the provider to offer a profile of the candidate;

2. Documentation of the program’s instructional component, including:
   i. Organization, timeline, and guiding principles;
   ii. Program curriculum and corresponding time allocations;
   iii. Alignment of curriculum with CCCS in the endorsement area;
   iv. Alignment of learning opportunities with Professional Standards for Teachers as established in N.J.A.C. 6A:9-3.3;
   v. A description of the key pedagogical approaches to be used, including any methods and techniques specific to teaching in the endorsement area;
   vi. A description of opportunities for pre-service experiences in public school classrooms;
   vii. The names and qualifications of program instructors;
viii. The procedure, including a test of content knowledge, used to determine that a candidate is qualified to receive a CE;

ix. The procedure for placing a candidate in teaching position in a public school; and

x. A description of how a candidate will meet the Department’s highly qualified teacher requirements for the appropriate licensure area prior to issuance of the standard teaching certificate; and

3. Documentation of the program’s provisional employment period, including:

i. A description of any relationship between the program and a partnering public school district;

ii. Provisions for providing mentoring for the candidate during the provisional period. Mentoring under the program shall meet or exceed the provisions of N.J.A.C. 6A:9-8.4;

iii. Descriptions of other professional experiences available through the program, such as professional learning and networking opportunities; and

iv. The procedure and evidence used by the program to determine a candidate’s eligibility for the standard certificate. Notwithstanding the role of the program in contributing to such a determination, the final determination shall be made by the school principal as described in N.J.A.C. 6A:9-8.6 and 8.7. The candidate shall be afforded all rights of provisional renewal and appeal of an “insufficient” or “disapproved” rating under N.J.A.C. 6A:9-8.6 and 17.18.
6A:9-17.1 Certificate holder

(a) For purposes of this subchapter, the term certificate holder shall include all individuals who hold certificates, credentials, CEs and CEASs issued by the State Board of Examiners.

(b) For purposes of this subchapter, the term certificate shall include all standard, emergency and provisional certificates, all credentials and all CEs and CEASs issued by the State Board of Examiners.

(c) All certificate holders shall report their arrest or indictment for any crime or offense to their superintendent within 14 calendar days. The report shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to their superintendents the disposition of any charges within seven calendar days of disposition. Failure to comply with these reporting requirements may be deemed “just cause” pursuant to N.J.A.C. 6A:9-17.5. School districts shall make these requirements known to all new employees and to all employees on an annual basis.

6A:9-17.2 Conduct barring candidate from certification

Notwithstanding that a candidate may meet all requirements for certification, the Board of Examiners may refuse to issue a certificate to that candidate if, based on the record before it, the
Board of Examiners determines that, for reasons set forth in N.J.A.C. 6A:9-17.5, the candidate is not suitable for employment as a teaching staff member in the public schools.

6A:9-17.3 Candidates to provide information regarding criminal history

(a) As part of the application for certification, a candidate must advise the Office whether he or she has a record of conviction(s) for any crime or offense in New Jersey or any other state or foreign jurisdiction. Candidates who been have convicted shall complete a form approved by the Secretary setting forth the details of the conviction(s).

(b) The Board of Examiners shall review all information the candidate provides and determine whether the candidate’s criminal history is such that he or she should not receive a certificate. In making its determination, the Board of Examiners shall consider the Rehabilitated Convicted Offenders Act, N.J.S.A. 2A:168A-1 et seq., and whether the crime(s) or offense(s) would be disqualifying under N.J.S.A. 18A:6-7.1 et seq.

6A:9-17.4 District reporting responsibility

(a) The chief school administrator of a district shall notify the Board of Examiners when:

1. Tenured teaching staff members who are accused of criminal offenses or unbecoming conduct resign or retire from their positions;

2. Nontenured teaching staff members, including substitute teachers, who are accused of criminal offenses or unbecoming conduct resign, retire or are removed from their positions;
3. A certificate holder fails to maintain any license, certificate or authorization pursuant to N.J.A.C. 6A:9-4.1(b) that is mandated in order for the holder to serve in a position;

4. He or she becomes aware that a certificate holder has been convicted of a crime or criminal offense while in the district’s employ; or

5. He or she has received a report from the Division of Youth and Family Services (DYFS) substantiating allegations of abuse or neglect, or establishing “concerns” regarding a certificated teaching staff member.

(b) In the event that the Board of Examiners issues an order to show cause based on the information that the school district provided about the certificate holder, it shall be the responsibility of the reporting school district to cooperate with the Board of Examiners in any proceeding arising from the order to show cause.

6A:9-17.5 Grounds for revocation and suspension of certification

The Board of Examiners may revoke or suspend the certificate(s) of any certificate holder on the basis of demonstrated inefficiency, incapacity, conduct unbecoming a teacher or other just cause. Other just cause shall include, but not be limited to, offenses within the terms of the forfeiture statute, N.J.S.A. 2C:51-2, or the disqualification statute, N.J.S.A. 18A:6-7.1. The Board of Examiners may revoke or suspend a certificate upon evidence that the holder did not meet the qualifications for the certificate at the time of issuance or no longer satisfies the criteria set forth in N.J.A.C. 6A:9-5.1(b). The Board of Examiners shall not revoke or suspend a certificate without providing the holder an opportunity to be heard pursuant to N.J.A.C. 6A:9-17.6.
6A:9-17.6 Revocation or suspension of certificates

(a) The Board of Examiners may issue an order to show cause to a certificate holder if the Board of Examiners believes that the conduct of the holder may warrant the revocation or suspension of the certificate(s) held where:

1. The Commissioner transmits a contested case to the Board of Examiners that resulted in a teaching staff member’s loss of tenure, dismissal, resignation or retirement;

2. Pursuant to N.J.A.C. 6A:9-17.4, the Board of Examiners receives information from a district that a teaching staff member no longer is employed in the district;

3. The Board of Examiners receives information regarding a certificate holder’s criminal conviction or pending criminal charges;

4. The Board of Examiners receives notice that a teaching staff member who is certified in New Jersey and who also holds a teaching certificate in another state has had action taken against his or her certificate by the other state;

5. Pursuant to N.J.S.A 9:6-8.10, the Division of Youth and Family Services (DYFS) forwards to the Board of Examiners a copy of a report in which DYFS has substantiated that a certificate holder has abused or neglected a student or a report in which DYFS identifies its concerns with the conduct of a teaching staff member;

6. Pursuant to N.J.S.A. 18A:6-7.3, the Commissioner notifies the Board of Examiners that an individual who holds New Jersey certification is disqualified
from employment in public schools or has pending charges for an offense that is
disqualifying;

7. A certificate holder fails to maintain any license, certificate or authorization that
is mandated pursuant to N.J.A.C. 6A:9-4.1(b) in order for the holder to serve in a
position;

8. Pursuant to (b) below, an individual files a petition with the Board of Examiners
seeking the revocation or suspension of a certificate holder’s certificate;

9. Pursuant to N.J.S.A 18A:6-38.1, the Commissioner, based on information
received from a school district in which the certificate holder is employed,
recommends to the State Board of Examiners the revocation of the certification of
the superintendent, assistant, superintendent, or school business administrator;

the Board becomes aware that any condition exists within a school district that
would authorize the appointment of a State monitor, the State Board of Examiners
shall review the certification of the superintendent and school business
administrator of the district; or

school district is not in compliance with the GAAP system of double entry
bookkeeping, as required, the Commissioner of Education shall recommend to the
Board of Examiners that the board review the certification of the district's school
business administrator.

(b) The following procedures shall apply to persons filing a petition pursuant to (a)8 above:
1. The person filing the petition shall submit to the Secretary a sworn statement that he or she has firsthand knowledge supporting the charges set forth in the petition and shall furnish evidence of proof of service of the petition on the other party or parties involved;

2. Upon receipt of the petition, the Secretary shall notify the certificate holder that the holder shall file a response within 30 days of the mailing date of the Secretary’s notice; and

3. The Board of Examiners shall review the petition and response to determine whether to issue an order to show cause. In the event that the Board of Examiners issues an order to show cause, the Board of Examiners shall be the petitioner in the ensuing revocation or suspension proceeding. The party filing the petition pursuant to (b)1 above shall have the responsibility to cooperate with the Board of Examiners after it issues the order to show cause.

(c) Nothing in the foregoing shall preclude the Board of Examiners from issuing an order to show cause on its own initiative when the Board of Examiners has reason to believe that grounds for revocation or suspension of a certificate exist.

(d) If the Board of Examiners issues an order to show cause pursuant to (a) above, the school district employing the certificate holder at the time of the conduct at issue shall cooperate with the Board of Examiners in any proceeding arising from the order to show cause.

6A:9-17.7 Procedures for revoking or suspending a certificate
(a) After review of the information received pursuant to N.J.A.C. 6A:9-17.6, the Board of Examiners shall determine by public vote whether to initiate a revocation or suspension proceeding. In those cases where the Board of Examiners moves for revocation or suspension, the Secretary, on behalf of the Board of Examiners, shall issue an order to show cause that states the specific charges that form the basis of the revocation or suspension proceeding.

(b) The certificate holder shall file an answer with the Board of Examiners no later than 30 days from the date of mailing of the order to show cause. The answer may not generally deny the charges, but must respond specifically to each allegation.

(c) If the certificate holder does not file an answer within 30 days, the Secretary shall send a second notice affording an additional response time of 15 days from the date of mailing of the second notice. The second notice shall also advise the certificate holder that, should the Board of Examiners not receive any response within that time, the allegations against the certificate holder as set forth in the order to show cause shall be deemed admitted and that the Board of Examiners shall proceed to a decision on the allegations in the order to show cause on the basis of the evidence before it.

(d) If the certificate holder files an answer and there are material facts in dispute, the Board of Examiners shall either hear the matter directly or transmit the matter to OAL for a hearing. The hearings at OAL shall be heard in accordance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq. and the Uniform Administrative Procedure Rules, N.J.A.C. 1:1.

(e) If the certificate holder files an answer and no material facts appear to be in dispute, the Secretary shall send the certificate holder a hearing notice informing him or her of the
opportunity to submit written briefs, affidavits and other supporting documentation for the Board of Examiners’ consideration. The certificate holder shall submit 21 copies of all response papers within 30 days from the date of mailing of the hearing notice.

(f) After receipt of the written submissions pursuant to (e) above, the Secretary will place the matter on the Board of Examiners’ agenda and notify the certificate holder of the date the Board of Examiners will consider the matter. The notice will advise the certificate holder whether his or her appearance is necessary.

(g) The Board of Examiners may transmit the matter to OAL if, after review of the written submissions, the Board of Examiners determines that there are material facts in dispute. The Board of Examiners may identify the specific issues OAL shall consider.

(h) In all cases, the Board of Examiners shall clearly articulate the findings of fact upon which its decision was based. If the Board of Examiners has decided a matter solely on the papers, it shall set forth the reasons it deemed summary decision appropriate.

(i) The Office may refuse to issue a new certificate to a certificate holder who is otherwise eligible for the additional certificate if the certificate holder is the subject of a pending action to revoke or suspend his or her certificate(s) pursuant to N.J.A.C. 6A:9-17.7.

(j) Upon application of the certificate holder for an extension of time, the Secretary may extend the time for filing the answer pursuant to (b) above or for filing the hearing brief pursuant to (e) above, provided that the application for the extension is requested prior to the expiration of the 30 days for filing the answer or the hearing brief.

6A:9-17.8 Revoked and suspended certificates
(a) If the Board of Examiners orders the revocation or suspension of a certificate, the holder shall surrender it to the Secretary within 30 days after mailing of the revocation or suspension order.

(b) After the Board of Examiners has revoked or suspended a certificate, the Secretary shall notify:

1. The 50 states and territories and other such agencies that are part of the Interstate Certification Project;

2. The county superintendents of schools;

3. Appropriate governmental pension and annuity funds, or retirement services;

4. The chief school administrator in the employing district; and

5. Any other agency or entity as may be required by law.

(c) The Board of Examiners may reinstate a suspended certificate at the end of the suspension period, provided that the certificate holder has met all conditions that the Board of Examiners established.

6A:9-17.9 Suspension of certificates for failure to give notice of intention to resign

(a) A teacher employed by a district board of education who, without the consent of the board, ceases to perform his or her duties prior to the expiration of the employment, shall be deemed guilty of unprofessional conduct.

(b) The Commissioner may, upon receiving notice of the fact, suspend the certificate for a period not to exceed one year.
Appeal of the Commissioner’s decisions pursuant to this section shall be to the State Board in accord with N.J.A.C. 6A:4.

6A:9-17.10 Application for certification after revocation

(a) A certificate that has been revoked for any of the grounds set forth in this chapter shall not be reinstated. An individual who has had a certificate revoked may file an application for a new certificate with the Board of Examiners.

(b) The Board of Examiners shall not issue a new certificate to a candidate whose certificate(s) has been revoked unless the following conditions are met:

1. The candidate shall satisfy all criteria for the issuance of the certificate that are in effect at the time of the application for the new certificate;

2. At least four years shall have passed since the effective date of the revocation of the previous certificate;

3. The candidate shall have provided evidence demonstrating rehabilitation for the unbecoming conduct, incompetence, or other cause for the revocation;

4. If the basis for the revocation was the conviction of a crime that is not disqualifying under N.J.S.A. 18A:6-7.1 et seq., the candidate shall have submitted evidence to the Board of Examiners that he or she has been fully rehabilitated in accord with the factors set forth in N.J.S.A. 2A:168A-2 and that issuing a certificate to the candidate would not be detrimental to the public welfare;

5. The candidate shall have complied with all conditions imposed by the order of revocation; and
6. If the revocation arose from a criminal matter involving the candidate, the candidate shall have provided evidence that he or she has satisfied any conditions imposed by the court, probation, plea bargain agreement or any other entity.

(c) Notwithstanding the provisions of (b) above, the Board of Examiners shall not issue a new certificate to any candidate who is:

1. Ordered to forfeit certification as part of a settlement in a tenure or criminal proceeding;
2. Barred from teaching again in the State of New Jersey by order of a court of competent jurisdiction;
3. Ordered to forfeit certification as part of a plea bargain;
4. Ordered to forfeit certification as a condition for entrance into a pre-trial intervention program as set forth in Rule 3.28 of the New Jersey Court Rules;
5. Ordered to forfeit certification pursuant to a sentence imposed in a criminal proceeding;
6. Barred from teaching for any reason; or
7. Relinquishing his or her certificate pursuant to N.J.A.C. 6A:9-17.11.

6A:9-17.11 Relinquishment of certificate without order to show cause

(a) The Board of Examiners may accept the relinquishment of all certificates held by an individual without issuance of an order to show cause.
(b) When accepted by the Board of Examiners, the relinquishment of certificates as provided in (a) above shall have the force and effect of a revocation including, but not limited to, the notification requirements in N.J.A.C. 6A:9-17.8(b).

(c) The individual seeking to relinquish a certificate(s) shall submit an affidavit to the Board of Examiners stating that the certificate holder:

1. Is relinquishing all certificates held by the individual;
2. Is waiving the right to a hearing pursuant to N.J.A.C. 6A:9-17.7 and agrees not to institute proceedings concerning the relinquishment in any forum; and
3. Understands that the relinquishment has the force and effect of a revocation with its attendant consequences.

(d) The Board of Examiners shall vote on whether to accept the certificate(s). If the Board of Examiners votes to accept the relinquishment, the revocation shall be effective as of the date of the Board of Examiners’ vote.

(e) The certificate holder shall return all certificates to the Board of Examiners.

(f) Individuals who relinquish their certificates pursuant to this section shall not apply for certification in the future.

6A:9-17.12 Voluntary surrender of certificates and endorsements

(a) An individual may voluntarily surrender a certificate or endorsement if he or she has not been employed under that certificate or endorsement in the 10 years preceding the proposed surrender and if he or she satisfies the following conditions:
1. The individual shall submit an affidavit to the Board of Examiners stating that he or she is surrendering the certificate or endorsement voluntarily, and not under the conditions set forth in N.J.A.C. 6A:9-17.11;

2. The individual shall submit an affidavit setting forth his or her employment history for the 10 years preceding the voluntary surrender, including official documentation from a school official, if applicable; and

3. The individual shall submit an affidavit stating that he or she has not been employed under the certificate or endorsement at issue in the 10 years preceding the voluntary surrender.

(b) The certificate holder shall return the original certificate or endorsement at issue to the Board of Examiners.

(c) The Board of Examiners shall review the application for a voluntary surrender. If the Board of Examiners votes to accept the surrender, the certificate or endorsement shall be deemed surrendered as of the date of the Board of Examiners’ vote.

(d) Individuals who voluntarily surrender a certificate or endorsement may not apply for that certificate for three years from the effective date of the voluntary surrender. Candidates are subject to the certification requirements in effect at the time the new application is submitted.

6A:9-17.13 Substitution of alternate education and/or experience

(a) If an applicant receives an evaluation pursuant to N.J.A.C. 6A:9-5.16(b) that identifies areas of deficiency in the requirements for certification, the applicant may provide the
Board of Examiners with evidence of alternative education and/or experience that the applicant believes is equivalent to the area(s) of deficiency.

(b) Upon receipt of a request to substitute alternate education or experience, the Secretary shall provide the applicant with a copy of credentials review procedures.

(c) The applicant shall submit to the Secretary for Board of Examiners’ review 21 copies of information and documentation of alternative educational background and/or experience that the applicant believes is the equivalent of the certification deficiency. The application for review and the packet of documentation shall be in the form approved by the Secretary.

(d) The Secretary shall review the information submitted by the applicant for sufficiency and transmit it to the Board of Examiners for review.

(e) An applicant may not simultaneously seek relief under this section and N.J.A.C. 6A:9-17.17. If an applicant seeks a credentials review initially, he or she may appeal from the initial adverse decision of the Office under N.J.A.C. 6A:9-17.17 only after the Board of Examiners has rendered a final decision under this section. The 60-day time limitation of N.J.A.C. 6A:9-17.17(a)1 shall not apply in those circumstances.

6A:9-17.14 Public discussion of alternative education and/or experience

(a) The Secretary shall give an applicant not less than 10 days notice of the Board of Examiners’ meeting at which it will consider his or her application for certification based on alternative education and/or experience.
(b) The applicant may be present at the meeting at which the Board of Examiners considers the application.

(c) If the applicant is in attendance, the Board of Examiners may question the applicant regarding his or her submission.

6A:9-17.15 Rendering of decisions on applications for substitution

(a) The Board of Examiners shall render its decision on each application for substitution of educational background and/or experience no later than the first regular meeting after the Board of Examiners reviews the applicant’s information.

(b) The Board of Examiners will issue a written decision setting forth its reasons for the decision.

(c) If the Board of Examiners determines that the applicant is not eligible for the certificate requested based on review of alternative education and/or experience submitted, the applicant may not request an additional review by the Board of Examiners until:

1. One year has elapsed from the date of the Board of Examiners’ decision; and
2. The applicant has obtained additional alternative education and/or experience for review by the Board of Examiners. Applicants who have obtained additional education and/or experience in less than one year may request that the Board of Examiners waive the waiting period and, upon good cause shown, the Board of Examiners may relax the required time period.

6A:9-17.16 Substitution of alternative education and/or experience prohibited
(a) The Board of Examiners shall not permit an applicant to substitute education and/or experience for a passing score on any State-required test or required GPA, nor for the requirement that the applicant hold a degree.

(b) Under no circumstances may the Board of Examiners waive any test, GPA or degree requirements for certification.

6A:9-17.17 Appeal of certification decision of the Office

(a) A candidate may appeal an adverse decision of the Office regarding certification eligibility to the Board of Examiners.

1. The appeal shall be filed with the Board of Examiners within 60 days of the date of the decision at issue with the exception of those matters filed pursuant to N.J.A.C. 6A:9-17.13(e). For good cause shown, the Board of Examiners may relax the 60-day requirement.

2. The candidate shall file 21 copies of the appeal with the Secretary. The appeal shall take the form of a written petition accompanied by a sworn statement attesting to the facts in the petition, and shall include evidence that the candidate believes proves that he or she meets the requirements for certification.

3. The Board of Examiners shall review the information provided by the applicant and shall render a written decision. The Secretary shall forward a copy of the decision to the candidate.
Pursuant to N.J.A.C. 6A:9-17.13(e), a candidate may not simultaneously apply for a credentials review and relief under this section.

6A:9-17.18 Appeal of “disapproved” or “insufficient” recommendations for standard certification

(a) A candidate who receives a recommendation of “disapproved” or two recommendations of “insufficient” at the conclusion of a provisional program may appeal the certification recommendation to the Board of Examiners. Where an individual has received two “insufficient” recommendations, only the second adverse recommendation shall be the subject of the appeal. The following procedures shall apply:

1. The candidate shall file 21 copies of the appeal with the Secretary within 60 days of receipt of the final evaluation and certification recommendation. The appeal shall take the form of a written submission accompanied by a sworn statement attesting to the facts in the appeal, and shall include evidence documenting the reasons why the candidate believes that he or she should be awarded a standard certificate or be granted an additional opportunity for provisional employment. The candidate shall provide a copy of the final evaluation.

2. The Secretary shall forward a copy of the candidate’s submission in support of the appeal to the school district that issued the disputed rating. Within 30 days from the date of the Secretary’s letter notifying the district of the appeal, the district shall forward to 21 copies of all evaluations and certification recommendation to the Secretary. In addition, the district shall submit 21 copies of either a response
to the candidate’s appeal of the district’s recommendation or a statement that the
district will rely solely on the evaluations submitted. The district shall serve a
copy of its response on the candidate and submit proof of service to the Secretary
with its papers. Neither party shall submit additional papers without the
Secretary’s approval.

3. The candidate shall be responsible for demonstrating to the Board of Examiners
why he or she should be granted the relief requested. The Board of Examiners
shall decide the appeal based on the written submissions and shall issue a written
decision.

4. If the Board of Examiners determines that there is a need for further fact-finding
in order to decide an appeal of an adverse recommendation, it may transmit the
matter to OAL for a hearing pursuant to the Administrative Procedure Act,
N.J.S.A. 52:14B-1 et seq., and the Uniform Administrative Procedure Rules,
N.J.A.C. 1:1. The parties to the hearing shall be the provisional teacher and the
district that submitted the adverse certification recommendation. The Board of
Examiners shall consider the recommendation of the ALJ in deciding the appeal.

(b) The sole remedies that the Board of Examiners may provide an aggrieved candidate
pursuant to this section are issuance of a standard certificate or an opportunity to seek
further employment as a provisional teaching staff member. A provisional teaching staff
member who seeks additional relief from the employing board of education shall file a
petition requesting such relief with the Commissioner in accord with N.J.A.C. 6A:3.

(c) For good cause shown, the Board of Examiners may relax the 60-day requirement in (a)
above.
Candidates who receive a recommendation of “disapproved” or two recommendations of “insufficient,” and who do not contest the certification recommendation pursuant to (a) above may petition the Board of Examiners for approval of an additional opportunity to seek provisional employment. The candidate shall be responsible for demonstrating by clear and convincing evidence to the Board of Examiners why he or she would be likely to succeed if granted the requested opportunity. The following procedures shall apply:

1. Within 60 days of receipt of the final evaluation, the candidate shall file 21 copies of a written submission accompanied by a sworn statement attesting to the facts in the submission and shall include evidence documenting why the Board of Examiners should grant the request. The candidate shall provide a copy of the final evaluation.
   i. For good cause shown, the Board of Examiners may relax the 60-day requirement in (d)1 above.

2. The Secretary shall forward a copy of the candidate’s submission to the school district that issued the disputed rating. Within 30 days from the date of the Secretary’s letter to the district, the district shall forward to the Secretary its response to the candidate’s request. The district shall serve a copy of its response on the candidate and include a proof of service with the papers. Neither party shall file additional papers without the Secretary’s approval.

3. The Board of Examiners shall decide the request based solely on the written submissions and shall issue a written decision.

No candidate shall have the right to relief under both (a) and (d) of this section. In the event a candidate requests both types of relief, the Board of Examiners shall provide the
candidate an opportunity to elect the type of relief sought. The Board of Examiners shall not proceed with hearing the candidate’s appeal until he or she has requested a specific remedy.

6A:9-17.19 Motions

(a) All motions in certification matters that have been transmitted to OAL shall be filed with the ALJ who has been assigned to hear the case and shall be subject to the rules that govern OAL hearings. For those matters that the Board of Examiners is deciding directly pursuant to N.J.A.C. 6A:9-17.7 or for those matters in which the ALJ has forwarded the initial decision to the Board of Examiners pursuant to N.J.A.C. 1:1-18.1(d), the party shall file motions with the Board of Examiners. All motions made prior to the Board of Examiners’ decision to hear a matter directly shall be filed with the Board of Examiners.

(b) All motions filed with the Board of Examiners must include a notice of motion, a proof of service, a brief conforming to the requirements of N.J.A.C. 6A:9-17.22, a copy of the decision or order that is the subject of the motion, and an affidavit setting forth any facts not in the record upon which the moving party relies. The moving party shall serve 21 copies of the moving papers and a proof of service on the Board of Examiners. If the Board of Examiners is not deciding the matter directly, the moving party shall serve a copy of the papers on the attorney representing the Board of Examiners. The opposing party shall have 15 days from service of the motion to file a response. If no opposing brief is filed, the Board of Examiners shall consider the motion to be unopposed. No other briefs may be filed.
(c) Unless otherwise directed by the Board of Examiners, there shall be no oral argument on motions.

(d) Upon application of any party for an extension of time, the Secretary may extend the time for filing a motion or for filing the response to the motion, provided that the application for an extension is requested prior to the time for filing or responding to a motion has expired.

6A:9-17.20 Motions for reconsideration

(a) Any party may file with the Board of Examiners and serve on all other parties a motion to reconsider the Board of Examiners’ decision. The party shall file the motion no later than 15 days from the mailing date of the decision.

(b) The Board of Examiners may reconsider the decision based on evidence of:

1. Mistake, inadvertence, surprise or excusable neglect;

2. Newly discovered information that would probably alter the decision and which by due diligence could not have been discovered in time for the hearing; or

3. Fraud, misrepresentation or misconduct of another party.

6A:9-17.21 Motions for stay

(a) A party shall make a motion for a stay of the Board of Examiners’ decision pending appeal to the State Board in accord with the procedures set forth in N.J.A.C. 6A:9-17.19.
The moving party shall file the motion for a stay within 30 days of the date of mailing of the Board of Examiners’ decision that is at issue.

(b) The brief in support of the motion shall address the following standards to be met for granting a stay pursuant to *Crowe v. DeGioia*, 90 N.J. 126 (1982):

1. The moving party will suffer irreparable harm if the requested relief is not granted;
2. The legal right underlying the moving party’s claim is settled;
3. The moving party has a likelihood of prevailing on the merits of the underlying claim; and
4. When the equities and interests of the parties are balanced, the moving party will suffer greater harm than the other party if the requested relief is not granted.

### 6A:9-17.22 Briefs and exceptions

(a) Briefs filed with the Board of Examiners shall be in the following format:

1. Briefs filed in response to a notice of hearing served pursuant to N.J.A.C. 6A:9-17.7 above shall not exceed 25 pages, exclusive of table of contents and appendix; and
2. Briefs in support of a motion shall not exceed 15 pages, exclusive of table of contents and appendix.

(b) Exceptions and reply exceptions filed in response to an initial decision issued by OAL shall not exceed 25 pages.

(c) The Secretary may grant requests to file additional pages.
6A:9-17.23 Appeal of Board of Examiners decisions

A party shall appeal adverse revocation and suspension decisions to the State Board in accord with N.J.A.C. 6A:4. A party shall appeal all other Board of Examiners decisions to the Commissioner of Education pursuant to N.J.A.C. 6A:3.

SUBCHAPTER 18. ALTERNATE-ROUTE PROGRAMS FOR MATHEMATICS AND SCIENCE CERTIFICATION

6A:9-18.1 Purpose and definitions

(a) Pursuant to P.L. 2012, c. 11, the purpose of this subchapter is to establish alternate-route certification programs in mathematics and science, which are documented shortage areas in New Jersey public schools.

(b) As specified in this subchapter, programs may be established by New Jersey colleges and universities, educational organizations, or other entities approved by the Commissioner.

6A:9-18.2 Authorizations

(a) The Commissioner may approve programs leading to CEs with endorsements in elementary school with subject matter specialization in mathematics and science. Each endorsement shall be valid for a teaching assignment area in grades five through eight.
(b) The Commissioner may approve programs leading to CEs with endorsements authorized to teach grades K-12 in mathematics and science.

(c) The Commissioner may immediately authorize the continuation of pilot mathematics and science certification programs authorized by rules issued pursuant to P.L. 2009, c. 51. Such reauthorization shall be effective for 60 days and may be continued for up to one year under the current rules pending documentation provided by the program that it satisfies any additional program requirements under the current rules.

(d) The Board of Examiners shall issue a CE to an individual who: is a teaching staff member; holds a bachelor's degree from a regionally accredited college or university; passes the appropriate State content test(s); successfully completes the instructional element of the approved program required for the CE; and meets the requirements set forth in N.J.A.C. 6A:9-18.3(a)3 and 4. In the case of a certificated teaching staff member who participates in the program, the Board of Examiners shall issue a subject-area endorsement in the requested endorsement area, as appropriate, upon successful completion of the program's approved requirements for certification.

1. A CE issued by the Board of Examiners under programs authorized by this subchapter shall permit the applicant to seek and accept employment in a public school district.

2. A provisional certificate issued to a CE holder under this subchapter shall permit the applicant to be employed in a public school district.

3. A standard certificate awarded under this subchapter shall be the appropriate standard certificate in elementary school with subject-matter specialization in mathematics or science, or in teacher of biology, chemistry, physics, physical
science, or earth science. It also shall authorize the holder to teach in a public school district.

6A:9-18.3 Program requirements

(a) Programs proposed under this subchapter must be submitted to and approved by the Commissioner according to the following criteria:

1. Documentation of program requirements for a candidate's admission, including evidence of the candidate's:
   i. Bachelor's degree or higher from a regionally accredited four-year college or university;
   ii. Documented employment as a teaching staff member in a New Jersey public school;
   iii. Knowledge of the endorsement area as demonstrated by passing of the appropriate State content test;
   iv. Interest in pursuing a teaching career; and
   v. Additional information as deemed appropriate by the program provider to offer a profile of the candidate;

2. Documentation of the program's instructional component, including:
   i. Organization, timeline and guiding principles;
   ii. Program curriculum and corresponding time allocations;
   iii. Alignment of curriculum with the New Jersey Common Core State Standards in the endorsement area;
iv. Alignment of learning opportunities with Professional Standards for Teachers as established in N.J.A.C. 6A:9-3.3;
v. A description of the key pedagogical approaches to be used, including any methods and techniques specific to teaching in the endorsement area;
vi. A description of opportunities for pre-service experiences in public school classrooms;
vii. The names and qualifications of program instructors;
viii. The procedure used to determine whether a candidate is qualified to receive a CE; and
ix. The procedure for placing a candidate in teaching position in a public school; and

3. Documentation of the program's provisional employment period, including:
i. A description of any relationships made between the program and a partnering public school district;
ii. Provisions for providing mentoring for the candidate during the provisional period. Mentoring under the program shall meet or exceed the provisions of N.J.A.C. 6A:9-8.4;
iii. Descriptions of other professional experiences available through the program, such as professional learning and networking opportunities; and
iv. The procedure and evidence used by the program to determine a candidate's eligibility for the standard certificate. Notwithstanding the role of the program in contributing to such a determination, the final determination shall be made by the school principal as described in
N.J.A.C. 6A:9-8.6 and 8.7. The candidate shall be afforded all rights of provisional renewal and appeal of an "insufficient" or "disapproved" rating under N.J.A.C. 6A:9-8.7 and 17.18.
