DO YOU KNOW ABOUT THE CLERY ACT?

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), passed in 1990, requires colleges and universities that participate in federal financial aid programs to disclose campus crime statistics and security information, including training and prevention efforts.

The law is named after Jeanne Clery, a 19-year-old Lehigh University student who was raped and murdered in her campus hall of residence in 1986. Her murder triggered a backlash against unreported crime on campuses across the country.
