eTutoring
eTutoring is a professional tutoring service, paid for by PCCC, provided free to all PCCC students. The URL is www.etutoring.org. Students upload writing assignments (for this or any class) to eTutoring and receive feedback on their assignments within 48 hours. Information on using eTutoring is available in the Writing Center and at http://pccc.libguides.com/etutoring.

Tutoring Center
Help with this paper is available at the Tutoring Center on the second floor of the Memorial Building.

Writing Center
Students may take any writing assignment to the Writing Center for extra help. The Center also offers a series of workshops designed to help students with general writing concerns. The Writing Center’s libguide (website) is located at http://pccc.libguides.com/writingcenter and gives information about the Center, scheduling appointments, and upcoming workshops.

You need to make an appointment to use the Writing Center. Information on setting up an account and using WCOnline (the scheduling software) can also be found at http://pccc.libguides.com/writingcenter by clicking on the “Make an Appointment” tab. Going to the Writing Center unprepared will prevent you from getting help with your writing.
